Title: Desert Winds Elementary School Crosswalk Repeal Ordinance

Introduction/Background:

On July 8, 2016, the Marana Unified School District initiated a request to remove the school crosswalk on Rudasill Road approximately 340 feet west of Desert Trail Road for the Desert Winds Elementary School as it is no longer in use due to closure of the Desert Winds Elementary School and the school property.

Discussion:

Pima County Traffic Engineering Division conducted a school crosswalk observation when school was in session and confirmed there were no school-aged pedestrians and that Desert Winds Elementary School had been closed and the school property had been fenced off for security purposes.

Conclusion:

As a result, the Marana Unified School District and Pima County Traffic Engineering has approved the removal of the school crosswalk and releases Marana Unified School District of any contractual obligations to said school crosswalk when the removal of the school crosswalk and the associated traffic control devices from Rudasill Road are completed.

Recommendation:

Pima County Traffic Engineering Division recommends the school crosswalk for Desert Winds Elementary School on Rudasill Road approximately 340 feet west of Desert Trail Road be removed along with any pertaining traffic control devices to said school crosswalk.
