## TRANSPORTATION

### 16. Hearing - Code Text Amendment

ORDINANCE NO. 2025 - 32, of the Board of Supervisors, relating to Traffic and Highways (Title 10); creating a new Section 10.37 Unpaved County Roads, to regulate certain unpaved county roads to maintain health standards for Air Quality.

15 miles an hour is quite a difference from the studied use. Total vehicles 24hrs = 204 - 24hr average speed = 48.4 MPH ; 85 percentile speed = 54 MPH 55+ MPH = 38 vehicles That seems like a big shift in road requirements with very little public input. I would like to see a survey of all the local residents included in the plan before you make a rule. This is a big restriction and not road identified, only dirt roads. You should make sure people know about this before it is a done deal.
