Dear Pima County Board of Supervisors,

I'm writing to urge you to please vote in favor of the resolution opposing the border wall that will be considered at your June 6 meeting.

Trump's wall would be a totally unnecessary environmental catastrophe that will harm important wildlife habitat and economically and culturally damage the Tucson area and border region.

The tens of billions of dollars that would be spent on the border wall would be much better spent on other priorities that need to be addressed in our communities.

Please -- do everything in your power to see that this resolution is passed. It's an important piece in making sure that Trump's destructive wall never gets built.

Sincerely,

Sally Hammond
