Item #15

Opposing executive overreach is important, and it should start right here in Pima County, with assuring that the abuses related to Covid cannot happen again.

Also, remember that this is a constitutional Republic, not a democracy in which 50% +1 can abolish rights.

Item #29

Please oppose this lease-purchase agreement. We need to support local businesses, not the global control grid. Please keep at the forefront the situation with the Colorado River. We cannot support projects with additional huge water demands.

Consent calendar item #12

Please reject this CDC grant. We must remain independent of the agency that directed Covis abuses.
