Hello -- I would like to respectfully request that the Board of Supervisors please appoint a new interim Pima County Treasurer who is not currently a candidate for Treasurer in the upcoming election. Please appoint Patti Davidson to the position of interim Pima County Treasurer. She is suitably experienced and will do a good job.

Thank you very much,

Dear Clerk:

As a Pima County resident and taxpayer, I oppose the Board of Supervisors appointing Chris Ackerley as interim county treasurer at tomorrow's meeting. Please alert the Supervisors to a resident's opposition.

Mr. Ackerley is the unopposed Republican candidate for the position. An appointment will provide him with an unfair advantage in the general election as he would be a technical incumbent.

The Board of Supervisors has a qualified GOP candidate in Patti Davidson. She is not running for the position but has requested to be appointed.

Thank you.

Dear Clerk who will replace Beth Ford, outgoing Pima County Treasurer at tomorrow's meeting,

Appointing Chris Ackerley, who is running for the Treasurer position in November gives him, an unelected incumbent, an unfair advantage in November since nearly all incumbents win in local elections. Do the right thing and appoint the highly-qualified applicant, Patti Davidson, who is not running for the position.

We appreciate your attention to this matter,

Dear Board of Supervisors,

I am very concerned about the important position of County Treasurer. Since there's an election coming for this position (as you know), I want to let you know of my views on the coming appointment of an interim Treasurer.

I believe it should be a fair election and that anyone running for this office should not have an unfair advantage by being an appointed "fill-in" Treasurer. Therefore, I ask you to **NOT** name Chris Ackerley as the interim Treasurer since he is running for this position in the coming election. Instead, **please name Patti Davidson** as the interim Treasurer since she is not running for the office.

Thank you,

Nancy Musgrave

Hello All,
Appointing Chris Ackerley as Pima County Treasurer would ensure a future where fiscal policies are not only sound and efficient but also transparent and aligned with the community's best interests.

His leadership promises to usher in a period of financial stability and innovation, making him an excellent choice for this critical role.

Thanks,
Moe Asnani
