FEDERAL FINANCIAL ASSISTANCE SUBRECIPIENT AGREEMENT**1. PARTIES, BACKGROUND AND PURPOSE.**

- 1.1. Parties. This Subrecipient Agreement ("Agreement") is between Pima County, a body politic and corporate of the State of Arizona ("County"), and the City of Tucson ("Subrecipient") a corporate of the State of Arizona, and a body politic entered into the above-referenced Agreement.
- 1.2. Authority. County is authorized by A.R.S. §§ 11-254.04, 11-251 (5) and 11-251 (17), to spend public monies to improve and enhance the economic welfare and health of

the inhabitants of the County. County applied for and received as Grantee, federal funds from the EFSP Supplemental Funding Program to provide services to asylum seekers.

- 1.3 Background and Purpose. The Consolidated Appropriations Act of 2022, Pub. L. No. 117-103 was signed into law on March 15, 2022. The Act provides \$150 million for the Federal Emergency Management Agency's (FEMA) Emergency Food and Shelter Program (EFSP) to provide humanitarian relief to families and individuals encountered by the Department of Homeland Security (DHS). This funding enables the parties to continue to spend down FEMA EFSP Humanitarian Relief 2022 funding for costs of providing emergency food and shelter to asylum seekers when they are released from the Department of Homeland Security (DHS)

2. **TERM.**

- 2.1. Initial Term. The term of this Agreement commences on 03/01/2024 and will terminate on 04/30/2024 ("Initial Term"). "Term," when used in this Agreement, means the Initial Term plus any exercised extension options under Section 2.2. If the commencement date of the Initial Term is before the signature date of the last party to execute this Agreement, the parties will, for all purposes, deem the Agreement to have been in effect as of the commencement date.
- 2.2. Extension Options. If allowable under the Federal award period of performance, County may renew this Agreement for "0" additional one-year period(s). An Extension Option will be effective only upon execution by the Parties of a formal written amendment.
- 2.3. Notwithstanding paragraphs 2.1 and 2.2 above, the applicable terms and conditions of this Agreement will survive and remain in effect during any period that Subrecipient has control over program income.

3. **USE OF FUNDS.** Subrecipient understands and agrees that the funds disbursed under this Agreement may only be used in compliance with the Emergency Food and Shelter Program (EFSP) National Board and the Uniform Guidance at 2 C.F.R. Part 200. Subrecipient is responsible for being informed of all updates to applicable regulations and Federal funding agency's compliance and reporting guidance.
4. **SCOPE OF SERVICES.** Subrecipient will implement the services described in the attached **Exhibit A - Scope of Services** (2 pages), at the dates and times described in **Exhibit A** or, if **Exhibit A** contains no dates or time frames, then upon demand. Subrecipient will perform its duties in a humane and respectful manner and in accordance with any applicable professional standards and will obtain and maintain all required licenses, permits and authority required for performance under this Agreement.
5. **KEY PERSONNEL.** Subrecipient will employ suitably trained and skilled professional personnel to perform all activities under this Agreement. Unless otherwise provided for herein, the personnel delivering services pursuant to this Agreement will: (1) be employees or volunteers of Subrecipient; (2) satisfy any qualifications in this Agreement; and (3) be covered by the personnel policies and practices of Subrecipient. The NTE Amount can only be changed by a formal written amendment executed by the Parties. Subrecipient is not required to provide any services, payment for which will cause the County's total payments under this Agreement to exceed the NTE Amount; if Subrecipient does so, it is at the Subrecipient's own risk.
 - 8.1.1. Payment of the full Maximum Allocated Amount is subject to the EFSP funds being made available to County for this Agreement. The Maximum Allocated Amount may be decreased at any time due to reduction, termination, or any other changes in funding. Unless specifically authorized by County, unexpended funds will not be carried over into another fiscal year.

- 8.5.4. Accounting system report(s) specifying rate of pay and cost of employer-paid benefits.
- 8.5.5. Detailed travel reports to support all travel expenses if reimbursement is authorized for travel.

- 8.9. Changes to Agreement. Changes requiring an Amendment to this agreement include any changes to the Scope of Work, or any changes to the maximum allocated amount. Any change that requires an Amendment to the agreement will not be effective, nor will compensation under the change be provided, until the Agreement amendment is fully executed by both parties.
 - 8.9.1. The Director of Pima County Grants Management & Innovation Department ("GMI") (or the Director's designee) has the sole discretion to approve requests to reallocate funding between budget line items within the approved budget. Subrecipient must submit a written request to the individual listed in Section 23, "Notice," at County for the above changes. The request must be received on or before 01/31/2024. The written request must contain a detailed explanation of the reason the change is necessary for achieving the specified purpose, program(s), metrics, or outcomes set forth in this Agreement.
 - 8.9.2. Change requests must be submitted and approved prior to incurring costs associated with the proposed changes. If the Director of GMI does not approve the request, charges made in anticipation of approval will not be allowable nor compensated. If the Director of GMI (or designee) approves the request for the budget line-item change, the change will be considered effective on the date set forth in the written approval. Costs incurred prior to the effective date, reflective of the proposed changes, will not be allowable or reimbursable.
 - 8.9.3. If the funding agency does not approve expenditures, a budget modification reallocating these costs to another allowable expenditure category must be submitted and approved by the GMI Director or designee. The Director or designee has the sole discretion to approve reallocation of these costs to another, allowable, expenditure category.
 - 8.9.4. Expenditures incurred in excess of the budgeted line item or the maximum allocated amount without prior authorization will be at Subrecipient's own risk.
- 8.10. Invoice Adjustments. County may, at any time, question any payment under this Agreement. If County raises a question about the propriety of a past payment,

Subrecipient will cooperate with County in reviewing the payment. County may set-off any overpayment against amounts due to Subrecipient under this or any other Agreement between County and Subrecipient. Subrecipient will promptly pay to County any overpayment that County cannot recover by set-off.

- 8.11. Program Income. County does not anticipate that program income, as defined by 2 C.F.R. § 200.80, will be generated under the activities of this Agreement. In the event that activities under this Agreement do generate program income, Subrecipient will report program income in its Financial Status Report and Request for Funds for the period in which the income was received and return program income to County within 30 days of the end of the month in which the income was received.

If the breach is by a subcontractor, and the subcontract is suspended or terminated as a result, Subrecipient will be required to take such steps as may be necessary to either self-perform the services that would have been provided under the subcontract or retain a replacement subcontractor, as soon as possible so as not to delay project completion. **1. CONTRACT WORK HOURS AND SAFETY STANDARDS ACT.**

- 1.1. Overtime requirements. - 1.2. Violation; liability for unpaid wages; liquidated damages. The responsible Contractor and subcontractor are liable for unpaid wages if they violate the terms in paragraph (a) of this clause. In addition, the Contractor and subcontractor are liable for liquidated damages payable to the Government. The Contracting Officer will assess liquidated damages at the rate specified at 29 CFR § 5.5(b)(2) per affected employee for each calendar day on which the employer required or permitted the employee to work in excess of the standard workweek of 40 hours without paying overtime wages required by the Contract Work Hours and Safety Standards statute (found at 40 U.S.C. Chapter 37). In accordance with the Federal Civil Penalties Inflation Adjustment Act of 1990 (28 U.S.C. § 2461 Note), the Department of Labor adjusts this civil monetary penalty for inflation no later than January 15 each year.
- 1.3. Withholding for unpaid wages and liquidated damages. The Contracting Officer will withhold from payments due under the contract sufficient funds required to satisfy any Contractor or subcontractor liabilities for unpaid wages and liquidated damages.   - 1.4.1. The Contractor and its subcontractors shall maintain payrolls and basic payroll records for all laborers and mechanics working on the contract during the contract and shall make them available to the Government until 3 years after contract completion. The records shall contain the name and address of each employee, social security number, labor classifications, hourly rates of wages paid, daily and weekly number of hours worked, deductions made, and actual wages paid. The records need not duplicate those required for construction work by Department of Labor regulations at 29 CFR § 5.5(a)(3) implementing the Construction Wage Rate Requirements statute.
  - 1.4.2. The Contractor and its subcontractors shall allow authorized representatives of the Contracting Officer or the Department of Labor to inspect, copy, or transcribe records maintained under paragraph 1.4.1 of this clause. The Contractor or subcontractor also shall allow authorized representatives of the Contracting Officer

or Department of Labor to interview employees in the workplace during working hours.

The Contractor shall insert the provisions set forth in paragraphs 1.1 through 1.4 of this clause in subcontracts that may require or involve the employment of laborers and mechanics and require subcontractors to include these provisions in any such lower tier subcontracts. The Contractor shall be responsible for compliance by any subcontractor or lower-tier subcontractor with the provisions set forth in paragraphs 1.1 through 1.4 of this clause.

- 3.3. Subrecipient will ensure that the following clauses are inserted into any contract in excess of \$2,000 which is entered into for actual construction, alteration, and/or repair, including painting and decorating, under this Agreement:

*All laborers and mechanics employed or working upon the site of the work (or under the United States Housing Act of 1937 or under the Housing Act of 1949 in the construction or development of the project), will be paid unconditionally and not less often than once a week, and without subsequent deduction or rebate on any account (except such payroll deductions as are permitted by regulations issued by the Secretary of Labor under the Copeland Act (29 C.F.R. Part 3)), the full amount of wages and bona fide fringe benefits (or cash equivalents thereof) due at time of payment computed at rates not less than those contained in the wage determination of the Secretary of Labor which is attached hereto and made a part hereof, regardless of any contractual relationship which may be alleged to exist between the contractor and such laborers and mechanics. Contributions made or costs reasonably anticipated for bona fide fringe benefits under Section 1(b)(2) of the Davis-Bacon Act on behalf of laborers or mechanics are considered wages paid to such laborers or mechanics, subject to the provisions of paragraph (a)(1)(iv) of this section; also, regular contributions made or costs incurred for more than a weekly period (but not*

Such laborers and mechanics shall be paid the appropriate wage rate and fringe benefits on the wage determination for the classification of work actually performed, without regard to skill, except as provided in § 5.5(a)(4). Laborers or mechanics performing work in more than one classification may be compensated at the rate specified for each classification for the time actually worked therein: Provided, That the employer's payroll records accurately set forth the time spent in each classification in which work is performed. The wage determination (including any additional classification and wage rates conformed under paragraph (a)(1)(ii) of this section) and the Davis-Bacon poster (WH-1321) shall be posted at all times by the contractor and its subcontractors at the site of the work in a prominent and accessible place where it can be easily seen by the workers.*

- 3.4. Subrecipient will maintain and submit payroll certifications to the U.S. Department of Labor as required by the Davis-Bacon Act and 29 C.F.R. Subtitle A § 5.5(a)(3).

- 4.3. The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.
- 4.4. The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's

The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States. The applicant further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, That if the applicant so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract. The applicant agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

In addition, the applicant agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings.

  - 2.10.5. Prior express written authorization from Covered Entity is required for Business Associate to access, store, share, maintain, transmit, use, or disclose PHI in any form via any medium with any entity or person, including the Business Associate's employees and subcontractors, beyond the boundaries and jurisdiction of the United States. 3. **BUSINESS ASSOCIATE'S MITIGATION AND BREACH NOTIFICATION OBLIGATIONS.**

- 3.1. Business Associate agrees to mitigate, to the extent practicable, any harmful effect that is known to Business Associate of a use or disclosure of PHI by Business Associate in violation of the requirements of this Agreement.
- 3.2. Following the discovery of a Breach of Unsecured PHI ("Breach"), Business Associate shall notify Covered Entity of such Breach without unreasonable delay and in no case later than thirty (30) calendar days after discovery of the Breach, and shall assist in Covered Entity's breach analysis process, including risk assessment, if requested. A Breach shall be treated as discovered by Business Associate as of the first day on which such Breach is known to Business Associate or, through the exercise of reasonable diligence, would have been known to Business Associate. The Breach notification shall be provided to Covered Entity in the manner specified in 45 C.F.R. § 164.410(c) and shall include the information set forth therein to the extent known. If, following the Breach notification, Business Associate learns additional details about the Breach, Business Associate shall notify Covered Entity promptly as such information becomes available. Covered

Entity shall determine whether Business Associate or Covered Entity will be responsible for providing notification of any Breach to affected individuals, the media, the Secretary, and/or any other parties required to be notified under the HIPAA Privacy and Security Rules or other applicable law. If Covered Entity determines that Business Associate will be responsible for providing such notification, Business Associate may not carry out notification until Covered Entity approves the proposed notices in writing.

- 3.3. Notwithstanding the provisions of Section III.B., above, if a law enforcement official states to Business Associate that notification of a Breach would impede a criminal investigation or cause damage to national security, then:

3.3.1. if the statement is in writing and specifies the time for which a delay is required, Business Associate shall delay such notification for the time period specified by the official; or

3.3.2. if the statement is made orally, Business Associate shall document the statement, including the identity of the official making it, and delay such notification for no longer than thirty (30) days from the date of the oral statement unless the official submits a written statement during that time.

Following the period of time specified by the official, Business Associate shall promptly deliver a copy of the official's statement to Covered Entity.

- 3.4. Business Associate shall bear Covered Entity's costs of any Breach and resultant notifications, if applicable, to the extent the Breach arises from Business Associate's negligence, willful misconduct, violation of law, violation of the Underlying Agreement, or violation of this Agreement.

#### 4. **OBLIGATIONS OF COVERED ENTITY**

4.1. Upon request of Business Associate, Covered Entity shall provide Business Associate with the notice of privacy practices that Covered Entity produces in accordance with 45 C.F.R. § 164.520.

4.2. Covered Entity shall provide Business Associate with any changes in, or revocation of, permission by an individual to use or disclose Protected Health Information, if such changes could reasonably be expected to affect Business Associate's permitted or required uses and disclosures.

4.3. Covered Entity shall notify Business Associate of any restriction on the use or disclosure of PHI to which Covered Entity has agreed in accordance with 45 C.F.R. § 164.522, and Covered Entity shall inform Business Associate of the termination of any such restriction, and the effect that such termination shall have, if any, upon Business Associate's use and disclosure of such Protected Health Information.

#### 5. **TERM AND TERMINATION.**

- 5.1. Term. The Term of this Agreement shall be effective as of the first effective date of any Underlying Agreement, and shall terminate upon later of the following events:

(i) in accordance with Section V.C., when all of the PHI provided by Covered Entity to Business Associate or created or received by Business Associate on behalf of Covered Entity is returned to Covered Entity or destroyed (and a certificate of destruction is provided) or, if such return or destruction is infeasible, when protections are extended to such information; or (ii) upon the expiration or termination of the last of the Underlying Agreement.

- 5.2. Termination. Upon either Party's knowledge of a material breach by the other Party of its obligations under this Agreement, the non-breaching Party shall, within twenty (20) days of that determination, notify the breaching Party, and the breaching Party shall have thirty (30) days from receipt of that notice to cure the breach or end the violation. If the breaching Party fails to take reasonable steps to effect such a cure within such time period, the non-breaching Party may terminate this Agreement and the Underlying Agreement without penalty.

Where either Party has knowledge of a material breach by the other Party and determines that cure is infeasible, prior notice of the breach is not required, and the non-breaching Party shall terminate the portion of the Underlying Agreement affected by the breach without penalty.

- 5.3. Effect of Termination.

5.3.1. Except as provided in paragraph 2 of this subsection C., upon termination of this Agreement, the Underlying Agreement or upon request of Covered Entity, whichever occurs first, Business Associate shall return or destroy all PHI received from Covered Entity, or created or received by Business Associate on behalf of Covered Entity. This provision shall apply to PHI that is in the possession of subcontractors of Business Associate. Neither Business Associate nor its subcontractors shall retain copies of the PHI except as required by law.

5.3.2. In the event that Business Associate determines that returning or destroying the PHI is infeasible, Business Associate shall provide within ten (10) days to Covered Entity notification of the conditions that make return or destruction infeasible. Upon mutual agreement of the Parties that return or destruction of PHI is infeasible, Business Associate, and its applicable subcontractors, shall extend the protections of this Agreement to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business Associate and its applicable subcontractors maintain such Protected Health Information.

## 6. **MISCELLANEOUS.**

- 6.1. No Rights in Third Parties. Except as expressly stated herein or in the HIPAA Privacy and Security Rules, the Parties to this Agreement do not intend to create any rights in any third parties.

- 6.2. Survival. The obligations of Business Associate under Section V.C. of this Agreement shall survive the expiration, termination, or cancellation of this

Agreement, the Underlying Agreement, and/or the business relationship of the Parties, and shall continue to bind Business Associate, its agents, employees, contractors, successors, and assigns as set forth herein.

- 6.3. Amendment. The Parties agree that this Agreement will be amended automatically to conform to any changes in the HIPAA Privacy and Security Rules as are necessary for each of them to comply with the current requirements of the HIPAA Privacy and Security Rules and the Health Insurance Portability and Accountability Act, unless a particular statutory or regulatory provision requires that the terms of this Agreement be amended to reflect any such change. In those instances where an amendment to this Agreement is required by law, the Parties shall negotiate in good faith to amend the terms of this Agreement within sixty (60) days of the effective date of the law or final rule requiring the amendment. If, following such period of good faith negotiations, the Parties cannot agree upon an amendment to implement the requirements of said law or final rule, then either Party may terminate this Agreement and the Underlying Agreement upon ten (10) days written notice to the other Party. Except as provided above, this Agreement may be amended or modified only in a writing signed by the Parties.
- 6.4. Assignment. Neither Party may assign its respective rights and obligations under this Agreement without the prior written consent of the other Party.
- 6.5. Independent Contractor. None of the provisions of this Agreement are intended to create, nor will they be deemed to create, any relationship between the Parties other than that of independent parties contracting with each other solely for the purposes of effecting the provisions of this Agreement and any other agreements between the Parties evidencing their business relationship. Nothing in this Agreement creates or is intended to create an agency relationship.
- 6.6. Governing Law. To the extent this Agreement is not governed exclusively by the HIPAA Privacy and Security Rules or other provisions of federal statutory or regulatory law, it will be governed by and construed in accordance with the laws of the state in which Covered Entity has its principal place of business.
- 6.7. No Waiver. No change, waiver, or discharge of any liability or obligation hereunder on any one or more occasions shall be deemed a waiver of performance of any continuing or other obligation, or shall prohibit enforcement of any obligation, on any other occasion.
- 6.8. Interpretation. Any ambiguity of this Agreement shall be resolved in favor of a meaning that permits Covered Entity and Business Associate to comply with the HIPAA Privacy and Security Rules.
- 6.9. Severability. In the event that any provision of this Agreement is held by a court of competent jurisdiction to be invalid or unenforceable, the remainder of the provisions of this Agreement will remain in full force and effect.
- 6.10. Notice. Any notification required in this Agreement shall be made in writing to the representative of the other Party who signed this Agreement or the person currently serving in that representative's position with the other Party.

- 6.11. Entire Agreement. This Agreement constitutes the entire understanding of the Parties with respect to the subject matter hereof and supersedes all prior agreements, oral or written. In the event of any inconsistency between this Agreement and any other agreement between the Parties concerning the use and disclosure of PHI and the Parties' obligations with respect thereto, the terms of this Agreement shall control.
- 6.12. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same Agreement.
