**Your Message**

I ask that you forward this to all members of the Board. I found no "group email for that." I object to any additional taxes for anything, including "affordable housing." We are all struggling to make ends meet, everything costs more, and no one is in the mood for additional taxes. Affordable housing for others is really not something I want to pay for. No one helped us with "affordable housing" and I do not feel it is my obligation to do that for anyone at this time. I urge a no vote on this. We can't win. We are bombarded at every turn with more taxes, increase in food prices, tariffs, etc. Thank you.
