# Board of Supervisors Memorandum

---

October 17, 2017

**County Administrator's Committee Member Replacement  
Appointment to the Transportation Advisory Committee**

Background

The Board of Supervisors Resolution Number 2017-40, created the Pima County Transportation Advisory Committee (PCTAC). This Committee consists of thirteen members: two appointed by each Supervisorial District and three appointed by the County Administrator. Mr. Tony Paez, a County Administrator appointee, has submitted his resignation from the PCTAC.

I am appointing Mr. Tom McGovern to fill this vacancy on the PCTAC. Mr. McGovern is a transportation expert recognized in the Region. He recently retired and serves as Principal Emeritus and Consultant to the engineering firm PSOMAS. Mr. McGovern has also served on several committees such as; Tucson Metro Chamber of Commerce, Regional Transportation Authority (RTA) Citizens Advisory Committee, Southern Area Leadership Council and Arizona Association for Economic Development. Mr. McGovern brings decades of expertise regarding transportation planning, financing, engineering, construction and economic development. Mr. McGovern is a registered Professional Engineer with the State of Arizona and is a recognized transportation expert that would add significant transportation expertise and credibility to the PCTAC.

Recommendation

I have appointed Mr. Tom McGovern as my appointee to the Pima County Transportation Advisory Committee and ask the Board to ratify same.

Sincerely,
