Honorable Chair Grijalva and BOS

Item #27 on tomorrow's agenda requests the BOS to approve a one year extension for the Rillito Park Foundation on the Lease of the Jelks House. operating agreement. As a County taxpayer I (and others) would like to ask you to postpone any decision regarding this contract to give staff a chance to look at the original contract and the compliance or lack of compliance of this agreement. The Property is supposed to be a Multi-use center for our community.

I think the BOS should look into A) How many Events have been held there and what monies have been generated . I would think the BOS would like to see a List of any Events and dollars generated. B) If No Events have been held why is this property an alleged Multi-use Center ? It appears as though One party is exclusively benefiting from the property. C) If you and your staff need time to do your due diligence perhaps a 1-3 months extension would be appropriate. I really hope hope the Original Contract as per the use of this property will be visited.

I Thank you for your time .

Ronnie Reyna
