Following are my comments for the 11-15-22 Board of Supervisors Meeting*

**Agenda Item #19 Deputy Constables.** I agree our Constables who work in the community are at risk. DO NOT reduce their basic salary. Why not strap on one of those BWCs and accompany a Constable so you can understand the real risk involved instead of just reading about it. You might change your mind. The Deputy should be fluent in English and possibly another language. Oversight should be provided by a professional in the field, the Sheriff NOT the Administrator. YES to the Deputy NO to the Administrator providing oversight.
