COOPERATIVE PROCUREMENT AGREEMENT

1. Parties, Background and Purpose.

- 1.1. <u>Parties</u>. This Contract is between Pima County, a political subdivision of the State of Arizona ("County"), and Toshiba America Business Solutions Inc. dba Toshiba Business Solutions ("Contractor").
- 1.2. <u>Purpose</u>. The Pima County Information Technology Department requires Multi-Functional Leased Devices and Maintenance.
- 1.3. <u>Authority</u>. County is authorized by Pima County Code § 11.24.010 and A.R.S. § 41-2632 to enter into cooperative purchasing arrangements. The County has entered into such an agreement with Omnia Partners which was signed on 03/05/2019.

1.4. Contract.

- 1.4.1. Omnia Partners entered into a contract (R191103) for specified goods and services with Contractor, which is currently in effect (the "Omnia Partners Contract"). The Contract is incorporated into this Contract by this reference.
- 1.4.2. Appendix D of the Omnia Partners Contract provides that another governmental entity with which Omnia Partners has a cooperative purchasing agreement may, with Contractor's approval, purchase products and services at the same prices and under the same terms as in the Omnia Partners Contract.

2. Term.

- 2.1. <u>Initial Term</u>. This Contract commences on January 23, 2024, and will terminate on May 31, 2025 (the "Term"). If the commencement date of the Term is before the signature date of the last party to execute this Contract, the parties will, for all purposes, deem the Contract to have been in effect as of the commencement date.
- 3. Scope of Services. Contractor will provide County with the services describe in Exhibit A Scope of Work (3 pages), at the dates and times described on Exhibit A or, if Exhibit A contains no dates or time frames, then upon demand. Contractor must comply with all requirements and specifications in the Omnia Partners Contract, except where altered by this Contract.
 - 3.1. Order of Precedence. All services provided under this Contract are subject to the terms of the following documents. In the event of conflicting terms between the incorporated

documents, the following order of precedence, superior to subordinate, dictates the order in which these conflicts will be resolved.

- 3.1.1. Amendments to this Contract.
- 3.1.2. This Cooperative Procurement Agreement No. MA-PO-24-045.
- 3.1.3. To the extent applicable, the Omnia Partners Contract.
- 3.1.4. To the extent applicable, the Contractor's Terms and Conditions.
- 4. Key Personnel. Not applicable to this Agreement.
- 5. Compensation and Payment.
 - 5.1. Rates; Adjustment. County will pay Contractor at the rates set forth in Exhibit B Toshiba Lease Pricing (10 pages). Those rates will remain in effect during an Extension Option period unless Contractor, at least 90 days before the end of the then-existing Term, or at the time County informs Contractor that the County intends to extend the Term, if that is earlier, notifies County in writing of any adjustments to those rates, and the reasons for the adjustments.
 - 5.2. Rates; Existing Leases. County will pay Contractor at the rates set forth in Exhibit C Replacement Schedule (1 page). Those rates for each existing lease will remain in effect for the duration of the related lease term specified in Exhibit C.
 - 5.3. Not-To-Exceed ("NTE") Amount. County's total payments to Contractor under this Contract, including any sales taxes, may not exceed \$2,500,000.00 (the "NTE Amount"). The NTE Amount can only be changed by a formal amendment executed by the Parties pursuant to Section 31. Contractor is not required to provide any services, payment for which will cause the County's total payments under this Contract to exceed the NTE Amount; if Contractor does so, it is at the Contractor's own risk.
 - 5.4. <u>Sales Taxes</u>. The payment amounts or rates in **Exhibit B** do not include sales taxes. Contractor may invoice County for sales taxes that Contractor is required to pay under this Contract. Contractor will show sales taxes as a separate line item on invoices.
 - 5.5. <u>Timing of Invoices</u>. Contractor will invoice County on a monthly basis unless a different billing period is set forth in **Exhibit B**. County must receive invoices no more than 30 days after the end of the billing period in which Contractor delivered the invoiced products or services to County. County may refuse to pay for any product or service for which Contractor does not timely invoice the County and, pursuant to A.R.S. § 11-622(C), will not pay for any product or service invoiced more than 6-months late.
 - 5.6. <u>Content of Invoices</u>. Contractor will include detailed documentation in support of its invoices and assign each amount billed to an appropriate line item.
 - 5.7. <u>Invoice Submittal</u>. Invoices are to be sent to:

5.8. <u>Invoice Adjustments</u>. County may, at any time during the Term and during the retention

period set forth in Section 23 below, question any payment under this Contract. If County raises a question about the propriety of a past payment, Contractor will cooperate with County in reviewing the payment. County may set-off any overpayment against amounts due to Contractor under this or any other contract between County and Contractor. Contractor will promptly pay to County any overpayment that County cannot recover by set-off.

- 6. Insurance. The Insurance Requirements herein are minimum requirements for this Contract and in no way limit the indemnity covenants contained in this Contract. Contractor's insurance shall be placed with companies licensed in the State of Arizona and the insureds shall have an "A.M. Best" rating of not less than A- VII, unless otherwise approved by County. County in no way warrants that the minimum insurer rating is sufficient to protect the Contractor from potential insurer insolvency.
 - 6.1. Minimum Scope and Limits of Insurance. Contractor will procure and maintain at its own expense, until all contractual obligations have been discharged, the insurance coverage with limits of liability not less than stated below. County in no way warrants that the minimum insurance limits contained herein are sufficient to protect the Contractor from liabilities that arise out of the performance of the work under this Contract. If necessary, Contractor may obtain commercial umbrella or excess insurance to satisfy the County's Insurance Requirements.
 - 6.1.1. Commercial General Liability (CGL). Occurrence Form with limits of \$2,000,000 Each Occurrence and \$2,000,000 General Aggregate. This should also include breach notification costs, credit remediation and credit monitoring, defense and claims expenses, regulatory defense costs plus fines and penalties, cyber extortion, computer program and electronic data restoration expenses coverage (data asset protection), network business interruption, computer fraud coverage, and funds

In the event that the Network Security and Privacy Liability insurance required by this contract is written on a claims-made basis, Contractor must warrant that either continuous coverage will be maintained as outlined under "Additional Insurance Requirements — Claims-Made Coverage" section, or an extended discovery period will be exercised for a period of two (2) years beginning at the time work under this contract is completed.

- 6.2. <u>Additional Insurance Requirements</u>. The policies shall include, or be endorsed to include, as required by this written agreement, the following provisions.
 - 6.2.1. Claims Made Coverage. If any part of the Required Insurance is written on a claims-made basis, any policy retroactive date must precede the effective date of this Contract, and Contractor must maintain such coverage for a period of not less than three (3) years following Contract expiration, termination or cancellation.
 - 6.2.2. Additional Insured Endorsement. The General Liability and Business Automobile Liability policies must each be endorsed to include Pima County and all its related special districts, elected officials, officers, agents, employees and volunteers (collectively "County and its Agents") as additional insureds with respect to vicarious liability arising out of the activities performed by or on behalf of the Contractor. The full policy limits and scope of protection must apply to the County and its Agents as an additional insured, even if they exceed the Insurance Requirements.
 - 6.2.3. <u>Subrogation Endorsement</u>. The General Liability, Business Automobile Liability, and Workers' Compensation Policies shall each contain a waiver of subrogation endorsement in favor of County and its departments, districts, officials, agents, and employees for losses arising from work performed by or on behalf of the Contractor.
 - 6.2.4. Primary Insurance Endorsement. The Contractor's policies shall stipulate that the insurance afforded the Contractor shall be primary and that any insurance carried by Pima County, its agents, officials, or employees shall be excess and not contributory insurance. The Required Insurance policies may not obligate the County to pay any portion of a Contractor's deductible or Self Insurance Retention (SIR).
 - 6.2.5. Insurance provided by the Contractor shall not limit the Contractor's liability assumed under the indemnification provisions of this Contract.
 - 6.2.6. <u>Subcontractors</u>. Contractor must either (a) include all subcontractors as additional insureds under its Required Insurance policies, or (b) require each subcontractor to separately meet all Insurance Requirements and verify that each subcontractor has done so, Contractor must furnish, if requested by County, appropriate insurance certificates for each subcontractor. - 6.4. <u>Verification of Coverage</u>. Contractor shall furnish County with certificates of insurance (valid ACORD form or equivalent approved by County) as required by this Contract. An authorized representative of the insurer shall sign the certificates. Each certificate must include.
 - 6.4.1. The Pima County tracking number for this Contract, which is shown on the first page of the Contract, and a project description, in the body of the Certificate.
 - 6.4.2. A notation of policy deductibles or SIRs relating to the specific policy.
 - 6.4.3. Certificates must specify that the appropriate policies are endorsed to include additional insured and subrogation waiver endorsements for the County and its Agents.
- 6.5. All certificates and endorsements, as required by this written agreement, are to be received and approved by County before, and be in effect not less than 15 days prior to, commencement of work. A renewal certificate must be provided to County not less than 15 days prior to the policy's expiration date to include actual copies of the additional insured and waiver of subrogation endorsements. Failure to maintain the insurance coverages or policies as required by this Contract, or to provide evidence of renewal, is a material breach of contract.
- 6.6. All certificates required by this Contract shall be sent directly to the appropriate County Department. The Certificate of Insurance shall include the County project or contract number and project description on the certificate. County reserves the right to require complete copies of all insurance policies required by this Contract at any time.
- 6.7. Approval and Modifications. County's Risk Manager may modify the Insurance Requirements at any point during the Term of this Contract. This can be done administratively, with written notice from the Risk Manager, and does not require a formal Contract amendment. Neither the County's failure to obtain a required insurance certificate or endorsement, the County's failure to object to a non-complying insurance certificate or endorsement, nor the County's receipt of any other information from the Contractor, its insurance broker(s) and/or insurer(s), constitutes a waiver of any of the Insurance Requirements.
- 7. Indemnification. To the fullest extent permitted by law, Contractor will defend, indemnify, and hold harmless County and any related taxing district, and the officials and employees of each of them (collectively, "Indemnitee") from and against any and all claims, actions, liabilities, losses, and expenses (including reasonable attorney fees) (collectively, "Claims") arising out of actual or alleged injury of any person (including death) or loss or damage to tangible or intangible property caused, or alleged to be caused, in whole or in part, by any negligent act or omission of Contractor or any of Contractor's directors, officers, agents, employees, volunteers, or subcontractors. This indemnity includes any claim or amount arising or

recovered under the Workers' Compensation Law or arising out of the failure of Contractor to conform to any federal, state or local law, statute, ordinance, rule, regulation or court decree. The Indemnitee will, in all instances, except for Claims arising solely from the acts or omissions of the Indemnitee, be indemnified by Contractor from and against any and all Claims. Contractor is responsible for primary loss investigation, defense and judgment costs for any Claim to which this indemnity applies. This indemnity will survive the expiration or termination of this Contract.

8. Laws and Regulations.

- 8.1. <u>Compliance with Laws</u>. Contractor will comply with all federal, state, and local laws, rules, regulations, standards and Executive Orders.
- 8.2. <u>Licensing</u>. Contractor warrants that it is appropriately licensed to provide the services under this Contract and that its subcontractors will be appropriately licensed.

- 10. Subcontractors. Contractor is fully responsible for all acts and omissions of any subcontractor, and of persons directly or indirectly employed by any subcontractor, and of persons for whose acts any of them may be liable, to the same extent that the Contractor is responsible for the acts and omissions of its own employees. Nothing in this Contract creates any obligation on the part of County to pay or see to the payment of any money due any subcontractor, except as may be required by law.

If any court or administrative agency determines that County does not have authority to enter into this Contract, County will not be liable to Contractor or any third party by reason of such determination or by reason of this Contract.
- 15. Full and Complete Performance. The failure of either party to insist, in one or more instances, upon the other party's complete and satisfactory performance under this Contract, or to take any action based on the other party's failure to completely and satisfactorily perform, is not a waiver of that party's right to insist upon complete and satisfactory performance, or compliance with any other covenant or condition in this Contract. The acceptance by either party of sums less than may be due and owing it at any time is not an accord and satisfaction.
- **16. Cancellation for Conflict of Interest.** This Contract is subject to cancellation for conflict of interest pursuant to A.R.S. § 38-511, the pertinent provisions of which are incorporated into this Contract by reference.

Any additional costs attributable directly or indirectly to such remedial action are the responsibility of Contractor.

If Contractor objects to one or more of the changes, then the proposed changes will be deemed to be ineffective.
