Following are my comments for the Board of Supervisors Meeting 06-06-23

**Agenda Item #55 JOT Red Roof Properties (MA-PO-22-30 \$2,623,525.87) Illegal Shelter**  
This project provides safe isolation for asylum seekers (aka Illegals), with infectious diseases and includes medical care during quarantine. What infectious diseases? These diseases should be clearly referenced and identified each month to the Board of Supervisors and the public, along with the number of illegals at this location. Why are you repeatedly supporting more illegals including those who are identified with infectious diseases? Between 8/2021 and 12/2023, funding is \$15,481,637.87 supporting this effort. You claim this is a humanitarian effort? Where is your humanitarian effort defending the taxpayers from this invasion? Each of you that again VOTES to pass this is repeatedly participating in TREASON. Read the USC Article III, Section III. **VOTE NO**

God Bless America

Please include the following comments in the minutes for the Board of Supervisors Meeting 06-06-23.  
I am grouping two related items together.

**Agenda Item #41 Catholic Services (CTFN-FM-23-118) No Cost?**

Expanding 1150 Drexel Road by any number of square feet should be put on hold. The funds that would be used for this expansion should go to supporting services for the individuals (read this taxpayers) who provide the funding. 1) Our roads still need major work. 2) The safety of our citizens who are threatened by homeless encampments needs to be addressed (if my granddaughter were to walk to school she would have to go past a homeless camp - very threatening to a 13 year old - and worrying to grandparents. Especially when the local law enforcement claims they can do nothing!!)

3) Even parks and rec could use funds for improvements.

4) and on and on ad nauseam

Dollars are much better spent providing promised services to residents!

Vote No.

**Agenda Item #55 JOT Red Roof Properties (MA-PO-22-30 \$2,623,525.87) Illegal Shelter**

Stop the continued support of those who arrive in our country illegally. We need to address the problems that cause them to illegally enter our country, not provide welcome mats of money, phones, healthcare, housing, schooling, etc. Our country cannot survive if this onslaught continues.

Vote No.
