**JOB ORDER MASTER AGREEMENT**

THIS AGREEMENT is entered into between Pima County, a body politic and corporate of the State of Arizona, hereinafter called COUNTY, and Borderland Construction Company, Inc., Granite Construction Company, Inc., KE&G Construction, Inc., Markham Contracting Company, Inc. and Southern Arizona Paving and Construction Company, hereinafter called CONTRACTOR in the singular, CONTRACTORS in the plural, collectively referred to as the Parties.

**WITNESSETH**

**WHEREAS**, COUNTY has a need to establish an Agreement with up to five (5) Job Order Contractors for Traffic Signal, Road Intersection, Paving and Drainage Improvement Services; and,

**WHEREAS**, COUNTY conducted a competitive qualifications-based procurement for Job Order Contractors under Solicitation #231853; and

**WHEREAS**, based on an evaluation of the respondents' representations of their qualifications and necessary due diligence, COUNTY selected the five (5) highest qualified contractors as Job Order Contractors; and

**WHEREAS**, the Job Order Contractors have agreed to be bound by and adhere to the requirements of this Agreement.

**NOW, THEREFORE**, in consideration of the foregoing recitals and other valuable and good consideration the Parties hereto agree as follows:

**ARTICLE 1 – BASIC TERMS**

This Master Agreement (Agreement), as approved by the Board of Supervisors commences on December 13, 2016 and shall terminate on December 12, 2017, unless sooner terminated or further extended pursuant to the provisions of this Agreement. This Agreement establishes the terms under which the Job Order Contractors will be assigned and perform tasks and projects under this Agreement. COUNTY, at its sole discretion, may extend up to four (4) additional one-year terms or add funding to this Agreement at any time with the approval or consent of the CONTRACTORS.

Individual job orders will be implemented by issuing a Delivery Order (DO) to the selected Job Order Contractor to perform the work. Each DO will be an independent contract that will incorporate and be subject to the terms of this Agreement. The terms "DO", "Job Order", and "Contract" are used interchangeably in this Agreement.

T.A.

For projects less than \$100,000.00, the COUNTY may select a Contractor based on availability, specialty, or such other basis or bases as the COUNTY may determine in its sole discretion.

For projects of \$100,000.00 or more, the Contractors will compete on the basis of price or price and schedule through a simplified quoting procedure. Price may be either fixed price or a guaranteed maximum price.

Regardless of dollar value, all federally funded Job Orders will be competitively bid among all Contractors.

No individual Job Order may exceed \$1,000,000.00.

These services are subject to the Pima County Code, Title 20, and Chapter 20.04, pertaining to participation of subcontractors. The Pima County SBE Program is a race and gender neutral program established to encourage contracting with all small businesses. A minimum goal of **six percent (6%)** for participation by Small Business Enterprises (SBEs) of the total amount of the annual agreement applies to each Job Order Contractor individually. Only firms listed on the ***City of Tucson Small Business Enterprise Certified Business Directory*** are eligible to meet the SBE goal. The current list of certified SBE firms can be located on the City of Tucson's Procurement Website, <http://www.tucsonprocurement.com/assets/SBEDirectory.pdf>.

The CONTRACTOR shall supply a year-to-date subcontractor and SBE utilization report covering the entire Master Agreement to date to the Pima County Procurement Department, Business Enterprise Program Coordinator on a quarterly basis. If the Contractor has experienced difficulties in achieving the SBE goal, they may present a Certificate of Good Faith Effort/Request for Waiver at that time.

**For projects that are federally-funded, a Disadvantaged Business Enterprise (DBE) goal pursuant to Pima County Code Title 20, must be established for the individual Job Order and does not apply toward the six percent (6%) SBE goal.**

Construction completion time for work to be performed under this Agreement will be as stated in individual Job Orders issued under this contract. COUNTY will assess Liquidated Damages against CONTRACTOR based upon the construction completion time, if so specified in a Job Order.

Each CONTRACTOR shall select subcontractors in accordance with CONTRACTOR'S Subcontractor Selection Plan, incorporated herein by reference.

## **ARTICLE 2 – SCOPE OF SERVICES**

CONTRACTOR will provide for COUNTY all labor, materials and equipment necessary to complete the work identified in individual Job Orders awarded to CONTRACTOR under this Agreement. The scope of work under this Agreement is more fully set forth in **Exhibit "A" – Scope of Work (2 Pages)**, incorporated into this Agreement. All work will be done per specifications called for in Job Orders, **General Conditions, Exhibit "B" (12 Pages), Special Conditions – Multiple Award Job Order Contract, Exhibit "C" (12 Pages)**, and other documents incorporated into this Agreement, all made a part hereof.

## **ARTICLE 3 – COMPENSATION AND PAYMENT**

CONTRACTOR shall provide detailed documentation in support of requested payment. Any payments under this Article shall not prevent the COUNTY from objecting to charges after payment therefor in appropriate cases, or from seeking reimbursement for any such charges. Payment shall be made in accordance with ARS § 34-607 and 34-221.

CONTRACTOR must cite the Delivery Order number on all invoices.

For the period of record retention required under Article 24, COUNTY reserves the right to question any payment made under this article and to require reimbursement therefor by setoff or otherwise for payments determined to be improper or contrary to the Contract or law.

CONTRACTOR will not perform work in excess of the Contract Amount without prior authorization by an amendment executed by COUNTY. Work performed in excess of the Contract Amount without prior authorization by amendment is at CONTRACTOR'S own risk.

#### **ARTICLE 4 – FEDERAL FUNDING**

COUNTY and CONTRACTOR understand that the Job Orders under this Agreement may be funded partially or entirely through a federal grant or other source of federal funding. For those Job Orders that are identified as being federally funded, Federal Labor Standards will be applicable to that Job Order, and the additional requirements (federal forms) will be attached to and be a part of the Job Order. See **Supplemental Provisions for Federal-Aid Construction Contracts, Exhibit "D" (20 pages)**, and the **Supplemental Provisions for Regional Transportation Authority Funded Construction Contracts, Exhibit "E" (1 page)**. CONTRACTOR agrees to be bound by all such requirements and to comply therewith, including the payment of prevailing wages under the Davis Bacon Act (AZ. Wage Decision) Minimum wage rate, withholding, payroll, apprentice, subcontracting, and termination provisions and the Work Hour and Safety Standards Act related to overtime pay and safety.

CONTRACTOR will not subcontract on any federally-funded Job Order with any firm or person listed in the Federal Government's System for Award Management (SAM) system (<https://www.sam.gov/portal/public/SAM>) with an active exclusion.

#### **ARTICLE 5 – INSURANCE**

The Insurance Requirements herein are minimum requirements for this Agreement and in no way limit the indemnity covenants contained in this Agreement. COUNTY in no way warrants that the minimum limits contained herein are sufficient to protect CONTRACTOR from liabilities that arise out of the performance of the work under this Agreement. CONTRACTOR is free to purchase additional insurance.

CONTRACTOR'S insurance will be placed with companies licensed in the State of Arizona or hold approved non-admitted status on the Arizona Department of Insurance List of Qualified Unauthorized Insurers. Insurers will have an "A.M. Best" rating of not less than A- VII. COUNTY in no way warrants that the above-required minimum insurer rating is sufficient to protect CONTRACTOR from potential insurer insolvency.

##### **5.1 Minimum Scope and Limits of Insurance:**

CONTRACTOR will procure and maintain, until all of its obligations have been discharged, coverage with limits of liability not less than those stated below.

- 5.1.1 Commercial General Liability (CGL) – Occurrence Form with limits of \$1,000,000 Each Occurrence and \$2,000,000 General Aggregate. Policy will include bodily injury, property damage, and broad form contractual liability coverage, and products – completed operations.
- 5.1.2 Business Automobile Liability – Bodily Injury and Property Damage for any owned, hired, and/or non-owned automobiles used in the performance of this Agreement with a Combined Single Limit (CSL) of \$1,000,000.

Note: The Workers' Compensation requirement will not apply to a CONTRACTOR that is exempt under A.R.S. § 23-901, and when such CONTRACTOR executes the appropriate COUNTY Sole Proprietor or Independent CONTRACTOR waiver form.
- 5.1.4 Builder's Risk Insurance applies to this Agreement, but need not be provided unless required for a particular job order. If Builders Risk Insurance applies to a particular job order, then CONTRACTOR is required to maintain throughout the course of construction Builder's Risk Insurance in a dollar amount equal to the full insurable value of the work under the job order, which shall include "All Risk" coverage. Pima County shall be named as a "Loss Payee". CONTRACTOR is responsible for equipment, materials, and supplies until completion of the project and acceptance by Pima County.

5.2 Additional Insurance Requirements:

The policies will include, or be endorsed to include, as required by this written agreement, the following provisions:

- 5.2.1 Additional Insured Endorsement: The General Liability and Business Automobile Liability Policies will each be endorsed to include COUNTY, its departments, districts, boards, commissions, officers, officials, agents, and employees as additional insured with respect to liability arising out of the activities performed by or on behalf of CONTRACTOR.
- 5.2.2 Subrogation Endorsement: The General Liability, Business Automobile Liability and Workers' Compensation Policies will each contain a waiver of subrogation endorsement in favor of COUNTY, and its departments, districts, boards, commissions, officers, officials, agents, and employees for losses arising from work performed by or on behalf of CONTRACTOR.
- 5.2.3 Primary Insurance Endorsement: CONTRACTOR'S policies will stipulate that the insurance afforded CONTRACTOR will be primary and that any insurance carried by the Department, its agents, officials, employees or COUNTY will be excess and not contributory insurance, as provided by A.R.S. § 41-621 (E).
- 5.2.4 Insurance provided by CONTRACTOR will not limit CONTRACTOR'S liability assumed under the indemnification provisions of this Agreement.

5.3 Notice of Cancellation:

For each insurance policy required by the insurance provisions of this Agreement, CONTRACTOR must provide to COUNTY, within two (2) business days of receipt, a notice if a policy is suspended, voided, or cancelled for any reason. Such notice will be mailed, emailed, hand-delivered or sent by facsimile transmission to Pima County Procurement at 130 W Congress St, Tucson AZ 85701, Fax: 520-724-4434.

- 5.4.1 All certificates and endorsements, as required by this written agreement, are to be received and approved by COUNTY before work commences. Each insurance policy required by this Agreement must be in effect at, or prior to, commencement of work under this Agreement. Failure to maintain the insurance coverage or policies as required by this Agreement, or to provide evidence of renewal, is a material breach of this Agreement.
- 5.4.2 All certificates required by this Agreement will be sent directly to Pima County Procurement. COUNTY project or contract number and project description will be noted on the certificate of insurance. COUNTY reserves the right to require complete copies of all insurance policies required by this Agreement at any time.

5.5 Approval and Modifications:

COUNTY Risk Management reserves the right to review or make modifications to the insurance limits, required coverage, or endorsements throughout the life of this Agreement, as deemed necessary. Such action will not require a formal Agreement amendment but may be made by administrative action.

**ARTICLE 6 – INDEMNIFICATION**

To the fullest extent permitted by law, CONTRACTOR indemnifies and holds harmless COUNTY, its officers, employees and agents from and against any and all suits, actions, legal administrative proceedings, claims or demands and costs attendant thereto, including reasonable attorney's fees and court costs, to the extent caused by any negligent, reckless or intentionally wrongful act or omission of CONTRACTOR, its agents, employees or anyone acting under its direction or control or on its behalf in connection with performance of this Agreement. The obligations under this Article do not extend to the negligence of COUNTY, its agents, employees or indemnities.

All warranty and indemnification obligations under this Agreement survive expiration or termination of the Agreement, unless expressly provided otherwise. Any indemnification provision inconsistent with A.R.S. § 34-226 is, in all cases, not void, but will be interpreted and applied as if it were consistent with A.R.S. § 34-226.

Upon request, CONTRACTOR may fully indemnify and hold harmless any private property owner granting a right of entry to CONTRACTOR for the purpose of completing the project.

**ARTICLE 7 – BONDING REQUIREMENTS**

CONTRACTOR will file payment and performance bonds with COUNTY, as required by A.R.S. §§ 34-610 and 34-611, no later than the time of agreement on the price (or Guaranteed Maximum Price) for any construction under this Agreement. Bonds will be submitted on an annual basis for the full value of all construction reasonably anticipated during the Agreement year or may be provided on a Job-Order by Job-Order basis; in the latter case, CONTRACTOR will anticipate additional Job Orders and provide bonds in reasonable increments. At no time will the cumulative value of the bonds be less than the total value of the construction performed by CONTRACTOR under this Agreement, including Job Orders awarded to CONTRACTOR but not yet completed. If bonds are secured on a Job-Order by Job-Order basis, the Contracting Department will obtain the appropriate bonds from CONTRACTOR upon issuance of a Job Order and release of the Delivery Order.

**ARTICLE 8 – COMPLIANCE WITH LAWS**

CONTRACTOR will comply with all applicable federal, state, and local laws, rules, regulations, standards and Executive Orders, without limitation to those designated within this Agreement. The laws and regulations of the State of Arizona govern the rights of the Parties, the performance of this Agreement, and any disputes hereunder. Any action relating to this Agreement must be brought and maintained in Superior Court in Pima County. Any changes in the governing laws, rules, and regulations during the term of this Agreement apply, but do not require an amendment.

**ARTICLE 9 – INDEPENDENT CONTRACTOR STATUS**

The status of CONTRACTOR is that of an independent contractor and CONTRACTOR is not considered an employee of Pima County and is not entitled to receive any of the fringe benefits associated with regular employment, and will not be subject to the provisions of the merit system. CONTRACTOR will be responsible for payment of all Federal, State and Local taxes associated with the compensation received by CONTRACTOR from COUNTY. CONTRACTOR will be responsible for program development and operation without supervision by COUNTY.

**ARTICLE 10 – CONTRACTOR/SUBCONTRACTOR PERFORMANCE**

CONTRACTOR will perform the work in accordance with the terms of the Contract and with the degree of care and skill which a licensed contractor in Arizona would exercise under similar conditions. CONTRACTOR will employ suitably trained and skilled personnel to perform all required services under this Agreement. Prior to changing any key personnel, especially those key personnel COUNTY relied upon in making this Agreement, CONTRACTOR will obtain the approval of COUNTY.

CONTRACTOR is responsible for the professional quality, technical accuracy, timely completion, and the coordination of all its effort and other services furnished by CONTRACTOR under this Agreement. Without additional compensation, CONTRACTOR will correct or revise any errors, omissions, or other deficiencies in all products of its efforts and other services provided. This includes resolving any deficiencies arising out of the acts or omissions of CONTRACTOR found during or after the course of the services performed by or for CONTRACTOR under this Agreement, regardless of COUNTY having knowledge of or condoning or accepting the products or the services. Correction of such deficiencies will be at no cost to COUNTY.

CONTRACTOR will ensure that all SUBCONTRACTORS have the appropriate and current license issued by the Arizona Registrar of Contractors for work they perform under this Agreement. CONTRACTOR will not permit any

SUBCONTRACTOR to perform work that does not fall within the scope of the SUBCONTRACTOR'S license, except as may be permitted under the rules of the Registrar of Contractors.

CONTRACTOR will be fully responsible for all acts and omissions of its SUBCONTRACTOR(S) and of persons directly or indirectly employed by a SUBCONTRACTOR and of persons for whose acts any of them may be liable to the same extent that CONTRACTOR is responsible for the acts and omissions of persons directly employed by it. Nothing in this Agreement creates any obligation on the part of COUNTY to pay or see to the payment of any money due any SUBCONTRACTOR, except as may be required by law.

#### **ARTICLE 11 – ASSIGNMENT**

CONTRACTOR will not assign its rights to this Agreement in whole or in part, without prior written approval of COUNTY. COUNTY may withhold assignment at its sole discretion, provided that COUNTY will not unreasonably withhold such approval.

#### **ARTICLE 12 – NON-DISCRIMINATION**

CONTRACTOR agrees to comply with all provisions and requirements of Arizona Executive Order 2009-09 which is hereby incorporated into this Agreement as if set forth in full herein **including flow down of all provisions and requirements to any SUBCONTRACTORS**. During the performance of this Agreement, CONTRACTOR will not discriminate against any employee, client or any other individual in any way because of that person's age, race, creed, color, religion, sex, disability or national origin.

#### **ARTICLE 13 – AMERICANS WITH DISABILITIES ACT**

CONTRACTOR will comply with all applicable provisions of the Americans with Disabilities Act (Public Law 101-336, 42 U.S.C. 12101-12213) and all applicable federal regulations under the Act, including 28 CFR Parts 35 and 36. If CONTRACTOR is carrying out government programs or services on behalf of COUNTY, then CONTRACTOR will maintain accessibility to the program to the same extent and degree that would be required of COUNTY under 28 CFR Sections 35.130, 35.133, 35.149 through 35.151, 35.160, 35.161 and 35.163. Failure to do so could result in the termination of this Agreement.

#### **ARTICLE 14 - AUTHORITY TO CONTRACT**

CONTRACTOR warrants its right and power to enter into this Agreement. If any court or administrative agency determines that COUNTY does not have authority to enter into this Agreement, COUNTY will not be liable to CONTRACTOR or any third party by reason of such determination or by reason of this Agreement.

#### **ARTICLE 15 – NON-WAIVER**

The failure of COUNTY to insist in any one or more instances upon full and complete compliance with any of the terms and provisions of this Agreement or to take any action permitted as a result thereof is not a waiver or relinquishment of the right to insist upon full and complete performance of the same or any other covenant or condition either in the past or in the future. The acceptance by either party of sums less than may be due and owing it at any time is not an accord and satisfaction.

#### **ARTICLE 16 – CANCELLATION FOR CONFLICT OF INTEREST**

This Agreement is subject to the provisions of A.R.S. §38-511 which provides in pertinent part:

"The state, its political subdivisions or any department of either may, within three years after its execution, cancel any contract, without penalty or further obligation, made by the state, its political subdivisions, or any of the departments or agencies of either if any person significantly involved in initiating, negotiating, securing, drafting or creating the contract on behalf of the state, its political subdivisions or any of the departments or agencies of either is, at any time, while the contract or any extension of the contract is in effect, an employee or agent of any

other party to the contract in any capacity or a CONTRACTOR to any other party to the contract with respect to the subject matter of the contract."

**ARTICLE 17 – TERMINATION OF CONTRACT FOR DEFAULT**

- A. Upon a failure by CONTRACTOR to cure a default under this Agreement within ten (10) days of receipt of notice from COUNTY of the default, COUNTY may, in its sole discretion, terminate this Agreement for default by written notice to CONTRACTOR. In this event, COUNTY may take over the work and complete it by Agreement or otherwise. CONTRACTOR and its sureties, if any, will be liable for any damage to COUNTY resulting from CONTRACTOR'S default, including any increased costs incurred by COUNTY in completing the work.
- B. The occurrence of any of the following constitutes an event of default:
1. Abandonment of or refusal or failure to prosecute the work or any separable part thereof with the diligence that will insure completion within the time specified in this Agreement, including any extension, or a failure to complete the work (or the separable part of the work) within the specified time;

  3. Failure to provide competent supervision at the site;
  4. Failure to take down, rebuild, repair, alter or amend any defective or deficient work, or to remove any defective or deficient Material
  5. Failure to make prompt payment to SUBCONTRACTORS or suppliers for material or labor;
  6. Loss of CONTRACTOR'S business or other required license or authority, or any curtailment or cessation for any reason of business or business operations that would substantially impair or preclude CONTRACTOR'S performance of this Agreement;
  7. Disregard of laws, ordinances, or the instructions of COUNTY or its representatives, or any otherwise substantial violation of any provision of the Agreement; or
  8. If a voluntary or involuntary action for bankruptcy is commenced with respect to CONTRACTOR, or CONTRACTOR becomes insolvent, makes a general assignment for the benefit of creditors, or has a receiver or liquidator appointed in respect of its assets.
- C. In the event of a termination for default:
1. All finished and unfinished as-builts, shop drawings, documents, data, studies, surveys, drawings, photographs, reports and other information in whatever form, including electronic, acquired or prepared by CONTRACTOR for this project become COUNTY'S property and will be delivered to COUNTY not later than five (5) business days after the effective date of the termination;
  2. COUNTY may withhold payments to CONTRACTOR arising under this or any other Agreement for the purpose of set-off until such time as the exact amount of damage due COUNTY from CONTRACTOR is determined; and
  3. Subject to the immediately preceding subparagraph (2), COUNTY'S liability to CONTRACTOR will not exceed the reasonable value of work satisfactorily performed prior to the date of termination for which payment has not been previously made.
- D. Neither this Agreement nor any job order issued under this Agreement will be terminated for default or the CONTRACTOR responsible for damages under this Article, if—
1. Excepting item (8) in paragraph B above, the event of default or delay in completing the work arises from unforeseeable causes beyond the control and without the fault or negligence of CONTRACTOR. Examples of such causes include—
    - (i) Acts of God or of the public enemy,
    - (ii) Acts of COUNTY in either its sovereign or contractual capacity,
    - (iii) Acts of another contractor in the performance of a Contract with COUNTY,
    - (iv) Fires,
    - (v) Floods,
    - (vi) Epidemics,
    - (vii) Quarantine restrictions,
    - (viii) Strikes,

- (ix) Freight embargoes,
- (x) Unusually severe weather, or
- (xi) Delays of SUBCONTRACTORS or suppliers at any tier arising from unforeseeable causes beyond the control and without the fault or negligence of both CONTRACTOR and the SUBCONTRACTORS or suppliers; and

2. CONTRACTOR, within three (3) days from the beginning of any event of default or delay (unless extended by COUNTY), notifies COUNTY in writing of the cause(s) therefor. In this circumstance, COUNTY will ascertain the facts and the extent of the resulting delay. If, in the judgment of COUNTY, the findings warrant such action, the time for completing the work may be extended.

- E. For the purposes of paragraph A above, "receipt of notice" includes receipt by hand by CONTRACTOR'S onsite project manager, facsimile transmission, or under the Notices clause of this Agreement.
- F. If, after termination of the Agreement for default, it is determined that the CONTRACTOR was not in default, or that the delay was excusable, the rights and obligations of the Parties will be the same as if the termination had been issued for the convenience of COUNTY.
- G. The rights and remedies of COUNTY in this Article are cumulative and in addition to any other rights and remedies provided by law or under this Agreement.

#### **ARTICLE 18 – TERMINATION FOR CONVENIENCE OF COUNTY**

COUNTY may terminate this Agreement at any time by giving written notice to CONTRACTOR of such termination and specifying the effective date thereof, at least fifteen (15) days before the effective date of such termination. In that event, all finished or unfinished documents and other materials will, at the option of COUNTY, become its property. If COUNTY terminates the Agreement as provided herein, COUNTY will pay CONTRACTOR an amount based on the time and expenses incurred by CONTRACTOR prior to the termination date. However, COUNTY will make no payment for anticipated profit on unperformed services.

#### **ARTICLE 19 – NON-APPROPRIATION OF FUNDS**

Notwithstanding any other provision in this Agreement, COUNTY may terminate this Agreement if for any reason the Pima County Board of Supervisors does not appropriate sufficient monies for the purpose of maintaining this Agreement. The Parties may, by written mutual agreement, deviate from this order of precedence in resolving inconsistencies between or among Agreement documents. Any such agreement altering the order of precedence must be incorporated into this Agreement by Amendment.

In the event of any conflict between any provision in the Special Conditions, if any, and any provision of the General Conditions, or any other incorporated document, the provision in the Special Conditions takes precedence.

**ARTICLE 23 - OWNERSHIP OF DOCUMENTS**

All original drawings, boring logs, field data, estimates, field notes, plans, specifications, documents, reports, calculations, maps and models, and other information developed by CONTRACTOR under this Agreement vest in and become the property of COUNTY and will be delivered to COUNTY upon completion or termination of the services, but CONTRACTOR may retain record copies thereof.

Either party may pursue any remedies provided by law for the breach of this Agreement, provided, however, that the procedures in ARTICLE 29 are first exhausted. No right or remedy is intended to be exclusive of any other right or remedy and each is cumulative and in addition to any other right or remedy existing at law or at equity or by virtue of this Agreement.

## **ARTICLE 26 – SEVERABILITY**

Each provision of this Agreement stands alone, and any provision of this Agreement found to be prohibited by law is ineffective to the extent of such prohibition without invalidating the remainder of this Agreement.

## **ARTICLE 27 – DELAYS**

Neither party hereto is in default in the performance of its obligations hereunder to the extent that the performance of any such obligation is prevented or delayed by any cause, existing or future, which is beyond the reasonable control of such party.

## **ARTICLE 28 – DISPUTES**

In the event of a dispute between COUNTY and CONTRACTOR regarding any part of this Agreement or the Parties' obligations or performance hereunder, the dispute must be referred to COUNTY in writing with a request for review and response by COUNTY within a reasonable time. If the dispute remains unresolved, then either Party may request escalation of the issue to a meeting between the Director of the Pima County Department administering this Agreement and CONTRACTOR'S counterpart official, such meeting to be held within one (1) week of the request, unless otherwise agreed. If the dispute is still not resolved after that meeting, then either Party may pursue such remedy or remedies as may be available to them under the laws of the State of Arizona including arbitration in accordance with the Construction Industry Arbitration Rules of the American Arbitration Association, and judgment upon the award rendered by the arbitrator(s) will be entered in any court having jurisdiction thereof. All arbitration hearings must be held in Tucson, Arizona.

The index is a public record and should not include any information considered confidential.

Notwithstanding the above provisions, in the event records marked CONFIDENTIAL are requested for public release pursuant to A.R.S. § 39-121 et seq., COUNTY will release records marked CONFIDENTIAL ten (10) business days after the date of notice to CONTRACTOR of the request for release, unless CONTRACTOR has, within the ten (10) day period, secured a protective order, injunctive relief or other appropriate order from a court of competent jurisdiction, enjoining the release of the records. For the purposes of this paragraph, the day of the request for release is not counted in the time calculation. CONTRACTOR will be notified of any request for such release on the same day of the request for public release or as soon thereafter as practicable.

COUNTY is not, under any circumstances, responsible for securing a protective order or other relief enjoining the release of records marked CONFIDENTIAL, nor is COUNTY in any way financially responsible for any costs associated with securing such an order.

**ARTICLE 30 – LEGAL ARIZONA WORKERS ACT COMPLIANCE**

CONTRACTOR hereby warrants that it will at all times during the term of this Agreement comply with all federal immigration laws applicable to CONTRACTOR'S employment of its employees, and with the requirements of A.R.S. § 23-214 (A) (together the "State and Federal Immigration Laws"). CONTRACTOR will further ensure that each SUBCONTRACTOR who performs any work for CONTRACTOR under this Agreement likewise complies with the State and Federal Immigration Laws.

COUNTY has the right at any time to inspect the books and records of CONTRACTOR and any SUBCONTRACTOR in order to verify such party's compliance with the State and Federal Immigration Laws.

Any breach of CONTRACTOR'S or any SUBCONTRACTOR'S warranty of compliance with the State and Federal Immigration Laws, or of any other provision of this section, is a material breach of this Agreement subjecting CONTRACTOR to penalties up to and including suspension or termination of this Agreement. If the breach is by a SUBCONTRACTOR, and the subcontract is suspended or terminated as a result, CONTRACTOR will take such steps as may be necessary to either self-perform the services that would have been provided under the subcontract or to retain a replacement SUBCONTRACTOR (subject to COUNTY approval if SBE or DBE preferences apply), as soon as possible so as not to delay project completion.

CONTRACTOR will advise each SUBCONTRACTOR of COUNTY'S rights, and the SUBCONTRACTOR'S obligations, under this Article by including a provision in each subcontract substantially in the following form:

"SUBCONTRACTOR hereby warrants that it will at all times during the term of this Agreement comply with all federal immigration laws applicable to SUBCONTRACTOR'S employees, and with the requirements of A.R.S. § 23-214 (A). SUBCONTRACTOR further agrees that COUNTY may inspect the SUBCONTRACTOR'S books and records to insure that SUBCONTRACTOR is in compliance with these requirements. Any breach of this paragraph by SUBCONTRACTOR is a material breach of this Agreement subjecting SUBCONTRACTOR to penalties up to and including suspension or termination of this Agreement."

Any additional costs attributable directly or indirectly to remedial action under this Article are the responsibility of CONTRACTOR. In the event that remedial action under this Article results in delay to one or more tasks on the critical path of CONTRACTOR'S approved construction or critical milestones schedule, such period of delay will be excusable delay for which CONTRACTOR is entitled to an extension of time, but not costs.

**ARTICLE 31 – ISRAEL BOYCOTT CERTIFICATION**

CONTRACTOR hereby certifies that it is not currently engaged in, and will not for the duration of this Agreement engage in, a boycott of Israel as defined by A.R.S. § 35-393.01. In addition, if death or serious injuries or serious damages are caused, CONTRACTOR will report the accident immediately by telephone or messenger to both COUNTY and the Board.

If any claim is made by anyone against CONTRACTOR or any subcontractor on account of any accident, CONTRACTOR will promptly report the facts in writing to COUNTY, giving full details of the claim.

#### **ARTICLE 5 – RESERVED**

#### **ARTICLE 6 – DELAY**

If the number of calendar days in CONTRACTOR'S schedule plus the grace period specified in the above paragraph equals or exceeds the number of calendar days for completion stated in the solicitation, then the completion period will be as stated in the solicitation and there will be no grace period.

COUNTY and CONTRACTOR have agreed upon the Project scope, total price, and schedule for the performance of the work. The agreed schedule represents a firm commitment by CONTRACTOR and COUNTY to complete the work within the schedule identified in this Contract, as it may be adjusted from time to time.

COUNTY and CONTRACTOR understand that events may occur that delay or disrupt the schedule or require a change in the level of resources or effort. Therefore, the Contract may be adjusted as follows for Delays:

1. A delay in the work attributable to COUNTY is an excusable delay for which an adjustment may be made to the schedule. In any such case the schedule of the affected task or activity may be extended one day for each day of COUNTY-caused delay; provided, however, that if the COUNTY-caused delay overlaps a period of delay attributable to any other cause, the extension for COUNTY-caused delay is limited to the number of non-overlapped days of COUNTY-caused delay.
2. There is no adjustment for any CONTRACTOR-caused delay in the work, including time to repair or replace defective work. In the event of a significant CONTRACTOR-caused delay exceeding three (3) workdays, CONTRACTOR will provide a recovery plan to COUNTY within five (5) days of COUNTY's request.
3. A delay in the work attributable to any other cause, including strikes, lockouts, fire, unusual delay in transportation, unavoidable casualties or any causes beyond the control of COUNTY or CONTRACTOR and that arises without the fault or negligence of either, is an excusable delay for which COUNTY and CONTRACTOR agree to negotiate an appropriate schedule adjustment. If the period of delay attributable to any cause under this paragraph overlaps a period of delay attributable to any other cause, the adjustment under this paragraph will be made first and the delay attributed to such other cause will be limited to that occurring outside of the overlap.

4. If any of the causes of delay in Paragraphs 1 or 3 above affects a task or activity on the critical path, then the schedule adjustment may include adjustment to the completion date. If the cause does not affect a task or activity on the critical path, then the adjustment will be made from Float and the completion date shall not be changed.
5. If any of the causes of delay in Paragraphs 1 or 3 above results in material provable additional costs to the affected task or tasks as a result of disruption of the schedule, then the parties will negotiate an equitable adjustment therefor.
6. COUNTY and CONTRACTOR will negotiate an equitable adjustment of cost for any task or tasks for which there is any significant change in the level of effort arising from additional or changed work requested or directed in writing by COUNTY that materially deviates from or adds to the work.

CONTRACTOR must submit claims for extension of time in writing to COUNTY for review and approval no later than seven (7) days after the initiation of that delay. In the case of a continuing cause of delay, only one claim is necessary.

COUNTY will grant approval of time extension for delays only based on the verification of a daily log maintained by the superintendent at the job site. The daily log must segregate and document each individual delay occurrence, and then separately track the job costs attributable to changes in the work noted in Article 21. CONTRACTOR'S failure to maintain the daily logs in the manner described above will result in COUNTY'S denial of the claim for time extension.

If CONTRACTOR has requested detail drawings and instructions as noted in Article 9, COUNTY will not approve a request for delay on account of COUNTY'S failure to furnish drawings until two (2) weeks after demand for such drawings.

#### **ARTICLE 7 – EXECUTION, CORRELATION AND INTENT OF DOCUMENTS**

The Contract documents are complementary, and what is called for by any one will be as binding as if called for by all, and the most stringent requirement will apply. The intention of the documents is to include all labor and materials, equipment and transportation necessary for the proper execution of the work. It is not intended, however, that materials or work not covered by or properly inferable from any heading, branch, class or trade of the specifications will be supplied unless distinctly so noted on the drawings. Materials or work described in words that so applied have a well-known technical or trade meaning will be held to refer to such recognized standards.

#### **ARTICLE 8 – DETAIL DRAWINGS AND INSTRUCTIONS**

COUNTY will furnish with reasonable promptness, additional instructions, by means of drawings or otherwise, necessary for the proper execution of the work. All such drawings and instructions will be consistent with the Bid documents, true developments thereof, and reasonably inferable therefrom.

#### **ARTICLE 9 – COPIES OF DRAWINGS FURNISHED**

COUNTY will provide, at no cost to CONTRACTOR, two complete sets of code approved construction documents in non-reproducible form.

COUNTY will provide, at no cost to CONTRACTOR, five (5) non-reproducible sets of construction documents used during the course of bidding the work (Bid Sets) for execution on the work. It will be CONTRACTOR'S responsibility to ensure that any modifications called for as a result of the permit process are transferred to the bid sets.

CONTRACTOR may purchase additional sets of code-approved sets or bid sets construction documents, at its expense.

**ARTICLE 10 – ORDER OF COMPLETION**

CONTRACTOR will submit at such times as may be requested by COUNTY, schedules which will show the order in which CONTRACTOR proposes to carry on the work with dates at which CONTRACTOR will start the several parts of the work and estimated dates of completion of the several parts.

**ARTICLE 11 – CONSTRUCTION DOCUMENTS ON THE JOB SITE**

CONTRACTOR will keep one copy of code approved construction documents on the job site, in good order, available to COUNTY and to COUNTY'S representatives. This set of documents will be kept current as to pending and approved changes in the work.

**ARTICLE 12 – OWNERSHIP OF DRAWINGS**

All drawings, specifications, and copies thereof furnished by COUNTY are the property of Pima County. They are not to be used on other work and with the exception of the signed Contract set, and are to be returned to COUNTY on request, at the completion of the work. All models are the property of COUNTY.

**ARTICLE 13 – CONTRACTOR'S UNDERSTANDING**

CONTRACTOR has, by careful examination, satisfied itself as to the nature and location of the work, the conformation of the ground, the character of equipment and facilities needed preliminary to and during the prosecution of the work, the general and local conditions, and all other matters which can in any way affect the work under this Contract. No verbal agreement or conversations with any officer, agent or employee of COUNTY, either before or after the execution of this Contract, will affect or modify any of the terms or obligations herein contained.

**ARTICLE 14 – MATERIALS, APPLIANCES, EMPLOYEES**

Unless otherwise agreed, CONTRACTOR will provide and pay for all materials, labor, water, tools, equipment, light, power, transportation, and other facilities necessary for the execution and completion of the work.

Unless otherwise agreed, all materials will be new, and both workmanship and materials will be of good quality. CONTRACTOR will, if required, furnish satisfactory evidence as to the kind and quality of materials.

CONTRACTOR will at all times enforce strict discipline and good order among its employees, and will not employ on the work any unfit person or anyone not skilled in the work that CONTRACTOR assigns to that person.

**ARTICLE 15 – ROYALTIES AND PATENTS**

CONTRACTOR will pay all royalties and license fees. CONTRACTOR will defend all suits or claims for infringement of any patent rights and will hold COUNTY harmless from loss on account thereof, except that COUNTY will be responsible for all such loss when a particular process or the product of a particular manufacturer or manufacturers is specified, but if CONTRACTOR has information that the process or article specified is an infringement of a patent it will be responsible for such loss unless it promptly gives such information to COUNTY.

**ARTICLE 16 – SURVEYS, PERMITS, AND REGULATIONS**

COUNTY will furnish all property surveys unless otherwise specified. CONTRACTOR will secure and pay for permits and licenses of a temporary nature necessary for the prosecution of the work except as noted in Article 3.b. COUNTY will secure and pay for easements for permanent structures or permanent changes in existing facilities unless otherwise agreed.

CONTRACTOR will give all notices and comply with all laws, ordinances, rules, and regulations bearing on the conduct of the work as drawn and specified. If CONTRACTOR observes that the drawings and specifications are at variance therewith, it will promptly notify COUNTY in writing, and any necessary changes will be adjusted as provided in the Contract for changes in the work. If CONTRACTOR performs any work knowing it to be contrary to such laws, ordinances, rules, and regulations, and without such notice to COUNTY, it will bear all costs arising therefrom.

**ARTICLE 17 – PROTECTION OF WORK AND PROPERTY**

CONTRACTOR will continuously maintain adequate protection of all its work from damage and will protect COUNTY'S property from injury or loss arising in connection with this Contract. It will make good any such damage, injury, or loss, except such as may be directly due to errors in the bid documents or caused by agents or employees of COUNTY. It will adequately protect adjacent property as provided by law and the bid documents. It will provide and maintain all passageways, guard fences, lights, and other facilities for protection required by public authority or local conditions.

If an emergency should occur affecting the safety of life or the work or of adjoining property, CONTRACTOR, without special instruction or authorization from COUNTY, is hereby permitted to act at his discretion, to prevent such threatened loss or injury, and CONTRACTOR will so act, without appeal, if so instructed or authorized. Any compensation claimed by CONTRACTOR on account of emergency work will be determined by COUNTY.

CONTRACTOR is responsible for equipment, materials, and supplies until completion of the project and acceptance by COUNTY.

**ARTICLE 18 – INSPECTION OF WORK**

COUNTY representatives will at all times have access to the work wherever it is in preparation or progress and CONTRACTOR will provide proper facilities for such access and for inspection.

If the specifications, COUNTY'S instructions, laws, ordinances, or any public authority, require any work to be specially tested or approved, CONTRACTOR will give COUNTY timely notice of its readiness for inspection and if the inspection is by an authority other than COUNTY, of the date fixed for such inspection. Inspections by COUNTY will be promptly made, and where practicable at the source of supply. If any work should be covered up without approval or consent of COUNTY, it must, if required by COUNTY, be uncovered for examination at CONTRACTOR'S expense.

Re-examination of questioned work may be ordered by COUNTY and if so ordered the work must be uncovered by CONTRACTOR. If such work is found to be in accordance with the bid documents, COUNTY will pay the cost of re-examination and replacement. If such work is found not to be in accordance with the bid documents, CONTRACTOR will pay such cost.

**ARTICLE 19 – SUPERINTENDENCE - SUPERVISION**

CONTRACTOR will keep on its work site during its progress a competent Superintendent and any necessary assistants, all satisfactory to COUNTY. The Superintendent will not be changed except with the consent of COUNTY, unless the Superintendent proves to be unsatisfactory to CONTRACTOR and ceases to be in its employ. The Superintendent will represent CONTRACTOR in its absence and all directions given to it will be as binding as if given to CONTRACTOR. CONTRACTOR will give efficient supervision to the work using its best skill and attention.

If CONTRACTOR, in the course of the work, finds any discrepancy between the construction documents and the physical conditions of the locality, or any errors or omissions in the construction documents or in the layout as given by points and instructions, it will be its duty to immediately inform COUNTY, in writing, and COUNTY will promptly verify the same. Any work done after such discovery, until authorized, will be done at CONTRACTOR'S risk.

Neither COUNTY nor CONTRACTOR, will employ an employee of the other without consent.

**ARTICLE 20 – CHANGES IN THE WORK**

In giving instructions, COUNTY will have authority to make minor changes in the work, not involving extra cost, and not inconsistent with the purposes of the work, but otherwise, except in an emergency endangering life or property, no extra work or change will be made unless in pursuance of a written order by COUNTY and no claim for an addition to the Contract sum will be valid unless so ordered.

The value of any such extra work or change will be determined in one or more of the following ways:

1. By mutual acceptance of a lump sum, itemized and detailed with sufficient substantiating data, as requested by COUNTY, to permit evaluation.
2. By unit prices named in the Contract or subsequently agreed upon.
3. By cost and fixed fee.

If none of the above methods is agreed upon, CONTRACTOR, provided it receives an order as above, will proceed with the work. In such case and also under case (c), it will keep and present in such form as COUNTY may direct, a correct account of the net cost of labor and materials, together with vouchers. In any case, COUNTY will certify to the amount, including allowance for overhead and profit, due to CONTRACTOR. Pending final determination of cost, payments on account of changes will be made on COUNTY'S estimate.

The amount of CONTRACTOR'S overhead and profit allowed for any change order, whether increase or decrease, will not exceed the following limits for work by CONTRACTOR:

Overhead Limit: ten percent (10%) of direct cost;

Profit Limit: five percent (5%) of the sum of direct cost and overhead cost.

For any portion of the work for a change order that is performed by a Subcontractor or a Sub Subcontractor, CONTRACTOR'S combined overhead and profit limits allowed will not exceed five percent (5%) of the actual direct cost of the work.

CONTRACTOR'S cost for additional work or changes requested by COUNTY which result in an approved extension of time to the contract will be limited to the cost of the extra work determined in one or more of the three ways described previously in this Article, and the actual wage or salary paid for the on-site job superintendent in direct employ of CONTRACTOR in performance of the work. This amount will be prorated to the actual amount of extra time approved and will only include the direct amount paid to the superintendent plus actual cost of all overhead items applicable to payroll for that position, such as insurance, taxes, FICA, worker's compensation, and unemployment taxes and benefits.

**ARTICLE 21 – CLAIMS FOR EXTRA COST FOR ADDITIONAL WORK**

If CONTRACTOR claims that any additional instructions by drawings or otherwise involve extra cost under this Contract, it will give COUNTY written notice thereof within a reasonable time after the receipt of such instructions, and in any event before proceeding to execute the work, except in an emergency endangering life or property. The procedure will then be as provided for in Article 20 "Changes in the Work". No such claim will be valid unless so made.

**ARTICLE 22 – DEDUCTIONS FOR UNCORRECTED WORK**

If COUNTY deems it not expedient to correct work injured or done not in accordance with the Contract, an equitable deduction from the Contract price will be made therefor.

CONTRACTOR will promptly remove from the premises all materials condemned by COUNTY as failing to conform to the Contract, whether incorporated in the work or not, and CONTRACTOR will promptly replace and re-execute its own work in accordance with the Contract and without expense to COUNTY and will bear the expense of making good all work of other CONTRACTORS destroyed or damaged by such removal or replacement.

If CONTRACTOR does not remove such condemned work and materials within a reasonable time, fixed by written notice, COUNTY may remove them and may store the material at the expense of CONTRACTOR. If CONTRACTOR does not pay the expense of such removal within ten days' time thereafter, COUNTY may, upon ten day's written notice, sell such materials at auction or at private sale and will account for the net proceeds thereof, after deducting all the costs and expenses that should have been borne by CONTRACTOR.

#### **ARTICLE 23 – SUSPENSION OF WORK**

COUNTY may at any time suspend the work, or any part thereof by giving three (3) days' notice to CONTRACTOR in writing. When the reason for such suspension involves safety, health or welfare issues, the three (3) day written notice requirement may be waived at the decision of the COUNTY Management. CONTRACTOR will resume the work within ten (10) days after the date fixed in the written notice from COUNTY to CONTRACTOR to do so.

#### **ARTICLE 24 – COUNTY'S RIGHT TO DO WORK**

If CONTRACTOR neglects to prosecute the work properly or fails to perform any provision of this Contract, COUNTY may, after three (3) days written notice to the CONTRACTOR, without prejudice to any other remedy it may have, make good such deficiencies and may deduct the cost thereof from the payment then or thereafter due CONTRACTOR.

#### **ARTICLE 25 – COUNTY'S RIGHT TO TERMINATE CONTRACT**

If CONTRACTOR persistently or repeatedly refuses or fails, except in cases for which extension of time is provided, to supply enough properly skilled workers or proper materials, or if it fails to make prompt payment to subcontractors for material or labor, or persistently disregards laws, ordinances, or the instructions of COUNTY, or otherwise is guilty of a substantial violation of any provision of the contract, then COUNTY may, without prejudice to any other right or remedy and after giving CONTRACTOR ten (10) days written notice, terminate the employment of CONTRACTOR and take possession of the premises and of all materials, tools, and appliances thereon and finish the work by whatever method COUNTY may deem expedient. In such case CONTRACTOR will not be entitled to receive any further payment until the work is finished. If the unpaid balance of the Contract price will exceed the expense of finishing the work, including compensation for additional managerial and administrative service, such excess will be paid to CONTRACTOR. If such expense will exceed such unpaid balance, CONTRACTOR will pay the difference to COUNTY. COUNTY will certify the expense incurred by COUNTY as herein provided, and the damage incurred through the CONTRACTOR's default.

#### **ARTICLE 26 – REMOVAL OF EQUIPMENT**

In any case of annulment or termination of this Contract before completion from any cause whatever, CONTRACTOR, if notified to do so by COUNTY, will promptly remove any part or all of its equipment and supplies from the property of COUNTY, failing which COUNTY will have the right to remove such equipment and supplies at the expense of CONTRACTOR.

#### **ARTICLE 27 – USE OF COMPLETED PORTIONS**

COUNTY has the right to take possession of and use any completed or partially completed portions of the work, notwithstanding the time for completing the entire work or such portions may not have expired, but such taking possession and use is not an acceptance of any work not completed in accordance with the Bid documents. If such prior use increases the cost of or delays the work, CONTRACTOR will be entitled to such extra compensation, or extension of time, or both, as COUNTY may determine.

**ARTICLE 28 – PAYMENTS WITHHELD**

COUNTY may decline to certify payment or, because of discovered evidence or observations, may nullify the whole or any part of any certificate for payment previously issued, to such extent as may be necessary in its opinion to protect COUNTY from loss because of:

1. Defective work not remedied.
2. Third party claims filed or reasonable evidence indicating probable filing of such claims.
3. Failure of CONTRACTOR to make payments properly to Subcontractors or for labor, materials, or equipment.
4. Reasonable evidence that the work cannot be completed for the unpaid balance of the Contract sum.
5. Damage to another CONTRACTOR.

When the above grounds are removed, payment will be made for amounts withheld because of them.

**ARTICLE 29 – WARRANTY**

CONTRACTOR will provide a written guarantee covering all costs for repair or replacement of defective work for a period of two (2) years (or longer if noted elsewhere in the construction documents) from substantial completion. CONTRACTOR will complete repair, or respond to COUNTY in writing with repair solution, within seventy-two (72) hours of notification by COUNTY. COUNTY may make emergency repairs to ensure life safety or to prevent property loss, without invalidating the warranty.

**ARTICLE 30 – LIENS**

Neither the final payment nor any part of the retained percentage will become due until CONTRACTOR delivers to COUNTY a complete release of all liens arising out of this Contract, or receipts in full or in lieu thereof, and if required in either case, an affidavit that so far as it has knowledge or information, the release and receipts include all the labor for which a lien could be filed; but CONTRACTOR may, if any subcontractor refuses to furnish a release or receipt in full, furnish a bond satisfactory to COUNTY, to indemnify COUNTY against any lien. If any lien remains unsatisfied after all payments are made, CONTRACTOR will pay to COUNTY all monies that COUNTY may be compelled to pay in discharging such a lien, including all costs and a reasonable attorney's fee.

**ARTICLE 31 – RIGHTS OF VARIOUS INTERESTS**

Wherever work being done by COUNTY'S forces or other contractors is contiguous to work covered by this Contract the respective rights of the various interests involved will be established by the COUNTY to secure the completion of the various portions of the work in general harmony.

**ARTICLE 32 – SEPARATE CONTRACTS**

COUNTY reserves the right to let other contracts in connection with this work. CONTRACTOR will afford other contractors reasonable opportunity for the introduction and storage of their materials and the execution of their work, and will properly connect and coordinate its work with theirs.

If any part of CONTRACTOR'S work depends upon proper execution or results of the work of any other CONTRACTOR, CONTRACTOR will inspect and its report will constitute an acceptance of the other contractor's work after the execution of its work.

To insure the proper execution of its subsequent work, CONTRACTOR will measure work already in place and will at once report to COUNTY any discrepancy between the executed work and the drawings.

**ARTICLE 33 – COUNTY'S STATUS**

The COUNTY has general review of the work and has the authority to reject all work and materials that do not conform to the Contract.

**ARTICLE 34 – RESERVED**

**ARTICLE 35 – CLEANING UP**

CONTRACTOR will, as directed by COUNTY, remove from COUNTY'S property and from all public and private property, at its own expense, all temporary structures, rubbish, and waste materials resulting from its operation.

**ARTICLE 36 – RESERVED**

**ARTICLE 37 – ARCHAEOLOGICAL FEATURES**

Construction for this project may occur in an archaeological sensitive area. The COUNTY Office of Conservation and Sustainability Cultural Resources Division will determine prior to construction (other than emergencies) any special site monitoring requirements. Human burials, including human skeletal remains, cremations, and funerary objects are protected under A.R.S. section 41-844 on state, COUNTY, and municipal lands, and under A.R.S. section 41-865 on private lands. Should archaeological features and/or artifacts or human remains, including human skeletal or cremation remains be discovered, work at that location will cease immediately, and the area will be taped off and avoided until archaeological investigations are completed. Construction is subject to delay in that location pursuant to applicable State law, while consultation with the Arizona State Museum and appropriate documentation and data recovery takes place. To the extent permitted by law, all archaeological artifacts and other materials will belong to Pima County. No monetary compensation will be made to CONTRACTOR for any claims due to delays in the work schedule. Only the Contract construction time will be extended to permit the original scheduled number of days for completion of the project.

**ARTICLE 38 – RESERVED**

**ARTICLE 39 – RESERVED**

**ARTICLE 40 – HAZARDOUS MATERIALS/ HAZARDOUS WASTES / HAZARDOUS SUBSTANCES ABATEMENT**

Should CONTRACTOR uncover, or otherwise become aware of the presence of any Hazardous Materials, Hazardous Wastes or Hazardous Substances during the construction of this project, notice will be served immediately to the County Project Manager, and all work surrounding said materials or substances will be ceased until directed to proceed. Construction delays due to Hazardous Materials, Hazardous Wastes or Hazardous Substances abatement may occur.

If this contract does not otherwise require the services of a Hazardous Materials CONTRACTOR, abatement of such materials will be provided by Pima County, at its expense and independent of this contract.

If this Contract already employs the services of a Hazardous Materials CONTRACTOR, the cost to abate any such additional materials will be added to the contract as Additional Services, in accordance with the provisions of Article 21 "Claims for Cost of Additional Work", and time extensions granted in accordance with the provisions of Article 6 "Delays".

**ARTICLE 41 – WASTE DISPOSAL FACILITIES**

CONTRACTOR will legally dispose of all construction debris in appropriate COUNTY operated waste disposal facilities and pay any applicable fees. In the case of conflicts with the provisions of the Contract Specifications, this provision applies.

**ARTICLE 42 – AS-BUILT DRAWINGS**

CONTRACTOR will keep an accurate record of all changes and deviations from the Project Plans and Specifications and submit to COUNTY one set of "As-Built" drawings including dimension, location of underground utilities, etc., upon completion of the work. As-Built drawings will be drawn and submitted in such a format as prescribed by COUNTY.

## SPECIAL CONDITIONS MULTIPLE AWARD JOB ORDER CONTRACT

### ARTICLE 1 – OVERVIEW AND DEFINITIONS

- A. Overview of Job Order Contracting Arrangement – This Agreement establishes a Multiple-Award, indefinite quantity, job order contracting Arrangement for such construction services within the scope of this Agreement as COUNTY may request from time to time by issuance of an individual Job Order Contract for each Project.

The Contract Price for each Job Order shall not exceed \$1,000,000.00, including any Change Orders.

There is no limit on the number of Job Orders COUNTY may issue to any CONTRACTOR during any twelve (12) month term of this Contract or during the entire period this Contract is in effect.

Generally, a CONTRACTOR may not refuse to quote any Job Order under this Agreement properly issued by COUNTY, unless CONTRACTOR can legitimately claim the scope of work is poorly defined, hazardous to health or safety, outside the bounds of the intended use of this Agreement, or the CONTRACTOR does not have the capacity to accept the Job Order and begin work in a timely manner.

COUNTY shall have the right to perform work of the types included in this Agreement itself or to have other contractors perform such work.

- B. Definitions – The following terms will have the following meanings when used in the Agreement. Other terms may be defined elsewhere in the Documents. Terms not defined in the Agreement shall have their ordinary meaning within the usage of the trade. The presence or absence of initial capitals does not indicate a change in meaning.

**"Alternatives Analysis"** means assessment of alternatives for design, means and methods or other scope considerations that are evaluated using value engineering principles and have the potential to reduce construction costs while still delivering a quality and functional Project that meets COUNTY requirements.

**"Contract Price"** means the price to be paid for the Work (and for Pre-Construction Services, if any) as specified in the Job Order. The Contract Price shall be a fixed, lump sum price, or a Not-to-Exceed Guaranteed Maximum Price, based on the CONTRACTOR'S accepted quotation.

**"Contract Time"** means the time for performance of the Work under a Job Order as specified in the Job Order commencing with the Start Date and ending with Final Completion Date set forth in the Job Order, as modified.

**"Critical Path Method (CPM)"** is a scheduling technique which identifies the logical sequence of the activities occurring in a construction project, the anticipated time required to complete each activity in the project, and the activities that must be completed on schedule to finish the project within the anticipated time. Typically, activities are arrayed in a network that shows both activities and their dependencies. CPM is also used as a management technique which enables contracting parties to predict when activities may occur so that resources can be effectively used and limitations can be identified.

**"Critical Path"** means that sequence of dependent activities in a project that will take the longest time to complete. Any delay in the completion of any of these activities may extend the Substantial Completion date.

**"Day"** means calendar day unless specifically provided otherwise or required by law.

**"Design Professional (DP)"** means, as to a Job Order, the person, if any, who will perform Design Services relating to the Work under the Job Order and who is designated as the Design Professional in the Job Order.

**"Drawings and Specifications"** means, as to a Job Order, the drawings and specifications, if any, attached to the Job Order and specifications included in the Job Order Contract Documents. The Drawings and Specifications set forth the requirements for construction of the Project. Where there are no drawings and specifications for the Work prepared by a Design Professional, COUNTY will deliver to the CONTRACTOR line drawings and/or a written description of the Work and, in each such case, the line drawings and/or the written description shall be deemed the drawings for the Work for that Job Order for all purposes.

**"Final Completion Date"** means, as to a Job Order, the date by which CONTRACTOR shall have completed all Work under a Job Order, including, without limitation, all deficiency, correction and incomplete items (Punch List).

**"Job Order"** means the Contract for a Project executed by COUNTY under this Agreement, as it may be modified by Change Orders, if any, relating to the Project under the Job Order.

**"Minor Change"** means a change in the Work having no impact on cost or time or the COUNTY'S approved design intent, as determined by COUNTY.

**"Notice to Proceed"** means written notice given by COUNTY to the CONTRACTOR fixing the date on which the CONTRACTOR will start to perform the Work under that Job Order. The start date will be the Start Date stated in the Job Order.

**"Plans and Specifications"** means the plans and specifications upon which the Job Order's price proposal is based.

**"Pre-Construction Services"** means the performance under a Job Order requiring such services of alternatives analysis, cost or schedule estimating, value engineering, constructability or other design reviews or consultation in the review of a COUNTY or third-party design prepared by a COUNTY-provided design professional.

**"Project"** means each project of COUNTY as to which some or all of the work is to be performed under a Job Order.

**"Qualifications/Proposals Documents"** means the Solicitation for Qualifications issued by COUNTY for this Job Order Contract, all Addenda thereto, and all information and documents submitted by CONTRACTOR relating thereto including, without limitation, CONTRACTOR'S submission of formal sealed qualifications, and also including, without limitation, the subcontractor management plan submitted by the CONTRACTOR. It also includes all other qualifications/proposals documents: that is all documents and materials delivered by COUNTY to CONTRACTOR in connection with CONTRACTOR'S submission of qualifications and submission of a proposal for the contract.

**"Sales Taxes"** - Sales taxes are deemed to include all sales, use, excise, consumer, franchise, and other taxes which are legally enacted when negotiations of a Job Order Contract Price are concluded, whether or not yet effective or merely scheduled to go into effect. Taxes are actual costs and are a not-to-exceed reimbursable amount.

**"Schedule of Values (SOV)"** A spreadsheet with estimated costs organized by subcontract categories, allowances, bid contingency, general conditions costs, taxes, bonds, insurances, and the CONTRACTOR'S construction phase fee. The supporting document for the spreadsheet must be provided in an organized manner that correlates with the schedule of values. The backup information shall consist of the request for bids, bids received, and clarification assumptions used for the particular bid item listed on the schedule of values, if applicable. The SOV may be output from the Project Schedule if the Project Schedule is cost-loaded.

**"Start Date"** means, as to a Job Order, the date specified in the Notice to Proceed for that Job Order for CONTRACTOR to begin the Work.

**"Subcontractor"** means a subcontractor of the CONTRACTOR for any of the Work included in a Job Order or any subcontractor at any tier of such a subcontractor.

**"Substantial Completion"** means when the Work, or an agreed upon portion of the Work, is sufficiently complete so that COUNTY can occupy and use the Project or a portion thereof for its intended purposes. The conditions of Substantial Completion that apply to a specific Job Order will be listed in the Notice to Proceed Letter for that Job Order.

**"Supplier"** means a person providing materials, supplies or equipment to be included in the Work to CONTRACTOR or any Subcontractor.

**"Technical Specifications"** means the general provisions and the detailed specifications prescribed by COUNTY describing the materials and performance required for each individual Job Order.

**"Work"** and **"Work (Construction)"** mean all labor, materials, supplies, tools, equipment, transportation, site cleanup, storage and disposal of construction debris, supervision, management, overhead and profit, bonds, insurance, licenses and permits, taxes, intellectual property royalty and license fees, all other activities and items required to perform the Work under a Job Order as described in the Scope of Work in the Job Order. Work does not include Pre-Construction Services in connection with a Job Order.

## **ARTICLE 2 – JOB ORDER DEVELOPMENT**

The steps for development of a Job Order and Quotation will generally be the following:

1. For Projects estimated under \$100,000, COUNTY will notify the selected CONTRACTOR of a new Project and may or may not schedule a site visit to explain and discuss the project. Design documents, if any, will be provided to the CONTRACTOR by the time of the site visit. Once the parties agree on the scope of the project, COUNTY will memorialize the agreement in a Job Order and deliver it to CONTRACTOR who shall have five (5) working days, unless a shorter period is specified in the Job Order, to commence construction. Unless otherwise specified by COUNTY, issuance of the Job Order shall constitute Notice to Proceed.
2. For Projects estimated at \$100,000 or greater, the COUNTY will notify ALL Job Order Contractors under contract to COUNTY. The request shall advise all CONTRACTORS of the nature of the Work to be done and include the selection criteria and methodologies COUNTY will use to make the "best value" decision. Criteria could include lowest bid, lowest bid meeting schedule, best cost alternative(s), etc. The request letter may also include an estimate of the total dollars the COUNTY has budgeted for the Job. CONTRACTOR shall be provided an opportunity to ask questions, seek clarification and/or inspect the site, if requested. Alternatively, the COUNTY may identify in the request the date and time for a meeting or site visit to explain and discuss the Work and further refine the scope of the project. Design documents, if any, may be provided in advance or at the meeting or site visit.
3. Upon establishment of the scope of the needed Project, each CONTRACTOR interested in performing the Job Order shall prepare its proposal for accomplishment of the Project utilizing the CONTRACTOR'S best estimating practices to develop a fixed, lump sum or not-to-exceed Guaranteed Maximum Contract Price to complete the Work, including any additional Pre-Construction Services (if necessary). See Article 3 for a description of required proposal items. The time for submittal of proposals for individual Projects shall not exceed seven (7) working days unless approved by the COUNTY.
4. COUNTY shall review each CONTRACTOR'S proposal and may either accept the proposals or negotiate modifications to the proposals until such time the COUNTY is satisfied with each of the proposals. Such negotiations shall be limited to value alternatives of costs less than 20% of the original quotation price. Scope modifications or value alternatives that are equal to or greater than 20% shall require COUNTY to modify the original request and rebid to the benefit of all interested CONTRACTORS under this Contract.
5. The Job Order will then be issued by COUNTY to the Job Order Contractor that submitted the best quotation (including schedule and/or value engineering alternatives), as measured by the criteria in the request for

quotation. Past performance on earlier Job Orders, including past performance on cost or price control, may be used to determine award of future Job Orders.

6. Upon issuance of each Job Order by COUNTY, the Job Order Contract will be binding upon the CONTRACTOR and COUNTY. A Job Order is considered "issued" when delivered to the CONTRACTOR or sent by facsimile copy, in which case the Job Order will be "issued" when sent to CONTRACTOR'S fax number and COUNTY'S fax machine prints an acknowledgement of receipt or COUNTY.

### **ARTICLE 3 – JOB ORDER PROPOSAL CONTENT**

Although specific Job Orders will vary, the content of Job Order proposals provided by each CONTRACTOR under this contract will generally include the following:

1. The description of the Scope of the Work;
2. The duration of the work, including CPM schedule (if required);
3. The Contract Price for Work (Construction), including prices for various proposed alternatives;
4. The Contract Price of Pre-Construction Services by CONTRACTOR (if any);
5. The name of the CONTRACTOR Representative for the Project;
6. The Drawings and Specifications (if any) used to prepare the quotation;
7. Any assumptions or exclusions that qualify the CONTRACTOR'S price, including how many days the proposal is valid for;
8. A risk analysis of the project that identifies potential risks to the cost or schedule, or other items which the Owner may need to be informed of that will impact a successful outcome;
9. If any Shop Drawings, Product Data and/or Samples are required for the Job Order, the date for delivery of each required item;
10. A statement of which, if any, of the following are required: Preconstruction Conference, Weekly Progress Meetings, Field Office, Storage Enclosure, Materials and Equipment Handling Facility, Submittals, Shop Drawings, Product Data, Equipment List, Samples, Project Manual, Schedule of Values, Construction Progress Schedule, Narrative Reports, Progress Report, Progress Charts, Progress Photographs, Materials Status Report, Construction Diagram, Construction Status Report, Operation and Maintenance Data, Operating Maintenance Instructions and Parts List, and As-Built Drawings.

Each Job Order will be interpreted to include all items reasonably necessary to complete the Project as described in the Scope of the Work of the Job Order. All Work shall be performed in a professional manner and all materials used shall be new, of the highest quality and of the type best adapted to their purpose, unless otherwise specified.

### **ARTICLE 4 – JOB ORDER NEGOTIATION**

- A. Job Order Pricing – The Contract Price shall include all costs, including overhead, pre-construction, mobilization, indirect costs, etc., incidental to performing the work and completing the job order and with the exception of any changes in the scope of work as directed by the Owner as defined by ARTICLE 6, no additional payments will be made.
- B. Pre-Construction Services (if any) – If CONTRACTOR is providing Pre-Construction Services, the proposal must be supported by documentation to establish that adequate involvement by CONTRACTOR in the planning, engineering and design work will be performed to satisfy the requirements of the project. Required services may include (but are not limited to) constructability reviews, materials

recommendations, alternatives analysis, development of cost and schedule estimates and tradeoffs, and similar services.

## **ARTICLE 5 – JOB ORDER MANAGEMENT**

A. Planning, Scheduling, Monitoring – Planning, scheduling and progress monitoring are essential functions of CONTRACTOR. If required by the Job Order, after the issuance of the Job Order CONTRACTOR shall prepare and submit to COUNTY a Schedule of Values allocating the Contract Price among the various portions of the Work for purposes of progress payments. The format of the Schedule of Values shall be as specified by COUNTY. In addition, if required by the Job Order, CONTRACTOR shall submit a CPM-based Construction Schedule that shall be maintained and updated for the duration of the project.

1. Project Management

CONTRACTOR shall employ and supply a sufficient force of workers, material and equipment, and shall prosecute the Work under each Job Order with such diligence as to maintain a steady rate of progress or, if there is a Construction Progress Schedule, the rate of progress indicated on the Construction Progress Schedule, to prevent work stoppage, and to ensure completion of the Project under each Job Order within the Contract Time.

2. Daily Log

CONTRACTOR shall maintain a Daily Log of construction activities using a form approved by COUNTY. CONTRACTOR shall include in the log all significant issues or problems affecting progress and completion of any Job Order.

If required in a Job Order, CONTRACTOR shall provide copies of the entries in the Daily Log to COUNTY no later than the morning of the next business day. The Daily Log does not constitute written notice to the COUNTY when such notice is required by the Contract.

3. Progress Schedule and Float

If CONTRACTOR submits an original or updated schedule which shows the Work under a Job Order and/or individual milestone(s) completing earlier than required by the adjusted Final Completion Date in the Job Order, the differences between the forecasted early completion and the required Final Completion Date shall be considered Project-owned float available for use by both COUNTY and CONTRACTOR.

B. Reporting

1. Monthly Reporting

If required by the Job Order, on the last business day of each calendar month, CONTRACTOR will deliver to the COUNTY a Monthly Narrative Report. The Report shall include a description of all current, issued, and in process Job Orders, the status of each and anticipated problem areas, delaying factors and their impact, and an explanation of corrective action(s) taken or proposed.

The Report shall include for each job order the Start Date, the Final Completion Date, and, for Job Orders with more than sixty (60) days between such dates, either (A) the current Progress Schedule for the Project, or (B) the date by which CONTRACTOR is to submit a proposed Progress Schedule for approval by COUNTY.

If the Project under any Job Order is behind schedule in any month, CONTRACTOR'S Narrative Report shall indicate precisely what measures it will take in the next thirty days to put the Work back on schedule.

If requested by COUNTY, CONTRACTOR shall meet with COUNTY to review the monthly Update Report and to discuss any issues.

2. Contractor Responsibility

To the extent required in the Job Order for the Project, CONTRACTOR shall be responsible to prepare, submit and maintain the daily log, CPM schedules and Narrative Reports indicated above; failure to do so may be considered a material breach of this Contract. Any additional or unanticipated cost or expense required to maintain logs, schedules reports shall be solely CONTRACTOR'S responsibility and shall not be charged to COUNTY.

**ARTICLE 6 – CHANGES AND CHANGED CONDITIONS**

- A. Owner Directed Changes in the Scope of Work – By written directive at any time, COUNTY may make any changes within the general scope of the Work under a Job Order or issue additional instructions, require additional or modified Work or direct deletion of Work. CONTRACTOR shall not proceed with any change involving an increase or decrease in cost or time without prior written authorization from the COUNTY in the form of a completed and executed Change Order. If CONTRACTOR proceeds with any change involving an increase or decrease in cost or time without written authorization as required by this article, CONTRACTOR waives all rights or claims CONTRACTOR may have as a result of the change. The COUNTY'S right to make changes shall not invalidate the Agreement or Job Order Contract Documents or relieve CONTRACTOR of any liability. Any requirement of notice of change to the Surety shall be the responsibility of CONTRACTOR.

**ARTICLE 7 – DELAYS AND TIME EXTENSIONS**

- A. Demonstration of Delay – It is agreed that no time extensions shall be granted nor delay damages paid by COUNTY unless the delay can be clearly demonstrated by CONTRACTOR on the basis of the updated Critical Path Schedule, cannot be mitigated, offset, or eliminated through such actions as revising the intended sequence of the Work or other reasonable means.
- B. Application of Float – Since float time within the schedule is jointly owned, no time extensions will be granted nor delay damages paid until a delay occurs which extends the work beyond the adjusted Final Completion Date. Since float time within the construction schedule is jointly owned, it is acknowledged that COUNTY-caused delays on the Project may be offset by COUNTY-caused time savings (i.e., critical path submittals returned in less time than allowed by the Contract, approval of substitution requests which result in a savings of time to the Contractor, etc.). In such an event, CONTRACTOR shall not be entitled to receive a time extension or delay damages until all COUNTY-caused time savings are exceeded and the Final Completion Date or milestone date is also exceeded

**ARTICLE 8 – PERFORMANCE MEASUREMENT**

- A. Performance Assessment – Promptly after final completion of the Work under each Job Order, COUNTY will complete a written evaluation of CONTRACTOR'S performance of the Work. The evaluation shall consist of completion by COUNTY of the Performance Quality Evaluation Form attached as **Attachment "1"** to these **SPECIAL CONDITIONS**.
- B. Feedback – The completed Performance Evaluation will be shared with CONTRACTOR as a means of providing feedback regarding CONTRACTOR'S cost, schedule and quality performance. CONTRACTOR may submit additional information, comment, recommendations or rebuttal for association with the Performance Evaluation.
- C. Comparative Assessment – CONTRACTOR's cost, schedule and quality performance of Job Orders under this Contract will be compared periodically to the performance of other like-situated Contractors. The results of these comparisons will be provided to CONTRACTOR.

CONTRACTOR understands that these assessments will necessarily involve significant subjectivity. CONTRACTOR agrees to this process and agrees further that the application of subjectivity in these assessments shall not form the basis for any claim or cause of action of any form whatsoever.

- D. Consideration of Renewal – CONTRACTOR’S record of cost, schedule and quality performance and comparative assessments shall be significant considerations in the COUNTY’S determination whether to renew CONTRACTOR’S participation in the Agreement. CONTRACTOR agrees that any determination by COUNTY not to renew its participation based on performance will be at the sole discretion of COUNTY.

#### **ARTICLE 9 – SUBCONTRACTORS**

- A. Subcontractor Selection – CONTRACTOR will select Subcontractors in accordance with the Subcontractor Selection Plan incorporated into this Contract by reference.
- B. Subcontracts
1. CONTRACTOR agrees to deliver to each Subcontractor and to cause each Subcontractor to deliver to each sub-subcontractor a copy of this Agreement and the Job Order Contract Documents relating to the Work of the Subcontractor or sub-subcontractor. CONTRACTOR agrees to include in its contract with each Subcontractor all provisions of the Agreement and Job Order documents required to be included in those contracts and to cause its Subcontractors to include the same provisions in their contracts with their sub-subcontractors at all tiers.
  2. Each Subcontract, or other Agreement, with any subcontractor for any job order shall include the address or location of the work.
- C. Assignment Upon Termination – CONTRACTOR hereby assigns to COUNTY (and its assigns) all its interest in any subcontracts and purchase orders now existing or hereinafter entered into by CONTRACTOR for performance of any part of the Work under each Job Order, which assignment will be effective upon termination of the Contract by the COUNTY and only as to those subcontracts and purchase orders which the COUNTY assumes in writing. All subcontracts and purchase orders shall provide that they are freely assignable by CONTRACTOR to the COUNTY and its assigns. Such assignment is part of the consideration to COUNTY for entering into the Contract with CONTRACTOR and may not be withdrawn prior to final completion of the Work under each Job Order.

#### **ARTICLE 10 – TERMINATION FOR CAUSE**

Anything in the Contract Documents to the contrary notwithstanding, any termination of this Agreement shall automatically terminate all Job Orders as to which the Work is not complete, except that upon any termination of this Contract, COUNTY may elect by written notification to CONTRACTOR to continue in effect any or all then uncompleted Job Orders in which event this Agreement shall continue in effect as to each continued Job Order and shall terminate upon completion of the last such Job Order.

Anything in the Agreement to the contrary notwithstanding, (i) all indemnification provisions, reimbursement provisions and payment provisions shall survive termination of this Agreement under this Article and shall continue in effect indefinitely without termination, and (ii) all guarantee and warranty provisions and all provisions in the Agreement Documents requiring CONTRACTOR to correct any Work not in accordance with the relevant Job Order Documents shall not terminate upon termination of this Agreement and shall continue in effect thereafter in accordance with the terms of each such provision.

- A. Cause for Termination – In addition to the termination rights of the COUNTY in **ARTICLE 17 – TERMINATION OF CONTRACT FOR DEFAULT** of the Agreement between COUNTY and CONTRACTOR, the COUNTY may terminate any or all Job Orders and/or the overall Job Order Agreement at the election of COUNTY, upon the occurrence of any one or more of the following events:

1. If CONTRACTOR refuses or fails to prosecute the Work under any Job Order with such diligence as will ensure its completion within the Contract Time for that Job Order; or if the Contractor fails to complete the Work under any Job Order within the Contract Time for that Job Order;
  2. If CONTRACTOR or any of its key Subcontractors under any Job Order is adjudged a bankrupt or insolvent or makes a general assignment for the benefit of creditors, or if CONTRACTOR or any of its key Subcontractors under any Job Order or a third party files a petition to take advantage of any debtor's act or to reorganize under the bankruptcy or similar laws concerning CONTRACTOR or any of its key Subcontractors under any Job Order, or if a trustee or receiver is appointed for CONTRACTOR or any of its key Subcontractors under any Job Order or for any of CONTRACTOR'S property on account of CONTRACTOR or a key Subcontractor under any Job Order, and, in each case, CONTRACTOR or its successor in interest or its respective key Subcontractor under any Job Order does not provide reasonably adequate assurance of future performance in accordance with the Contract Documents within 10 days after receipt of a request for assurance from the COUNTY;
  3. If CONTRACTOR persistently fails to supply sufficient skilled workmen or suitable materials or equipment for the Work under any Job Order;
  4. If, as to any Job Order, CONTRACTOR fails to make prompt payments to Subcontractors or Suppliers at any tier, or for labor, materials or equipment;
  5. If CONTRACTOR fails to comply with laws, ordinances, rules, codes, regulations, orders or similar requirements of any public entity having jurisdiction;
  6. If, as to any Job Order, CONTRACTOR fails to follow any reasonable instructions by the COUNTY, which are consistent with the Construction Documents;
  7. If, as to any Job Order, CONTRACTOR performs Work which deviates from the Job Order Documents and neglects or refuses to correct rejected Work; or
  8. If, as to any Job Order, Contractor otherwise violates in any material way any provisions or requirements of this Agreement or any Job Order Contract Documents.
- B. Notice and Cure Period – If COUNTY determines that one or more events of default described in **Article 10(A)** has occurred, the COUNTY may elect to terminate any or all Job Orders and/or terminate CONTRACTOR'S participation in the overall Agreement. To do this, the COUNTY must first give CONTRACTOR and its Surety written notice of the events of default ("**Notice of Default**") and allow CONTRACTOR and its Surety ten (10) calendar days to cure the events of default. If the events of default are not cured within the ten (10) calendar days, COUNTY may terminate any or all Job Orders and/or terminate CONTRACTOR'S participation in the overall Agreement by written notice to Contractor and its Surety.
- C. Completion of Terminated Work
1. If any Job Order or participation in the Agreement is terminated, COUNTY may take over the Work under terminated Job Orders and prosecute them to completion, by contract or otherwise, and may exclude CONTRACTOR from the sites. The COUNTY may take possession of the Work under the terminated Job Orders and of all of CONTRACTOR's tools, appliances, construction equipment, machinery, supplies and plant which may be on the site of the Work for each terminated Job Order, and use the same to the full extent they could be used by CONTRACTOR, all without liability to CONTRACTOR. In exercising the COUNTY'S right to prosecute the completion of the Work, the COUNTY may also take possession of all materials and equipment stored at the site or for which the COUNTY has paid CONTRACTOR but which are stored elsewhere. The COUNTY may use the foregoing items to finish the Work as the COUNTY deems expedient. In such case, the CONTRACTOR shall not be entitled to receive any further payment until the Work is finished.

2. If any Job Order is terminated, the COUNTY may demand that CONTRACTOR's surety take over and complete the Work under the Job Order. The COUNTY may require that in so doing, the CONTRACTOR's surety not utilize CONTRACTOR in performing the Work. Upon the failure or refusal of CONTRACTOR's surety to take over and begin completion of the Work within 20 days after the demand, the COUNTY may take over the Work and prosecute it to completion as provided above.
3. As to any terminated Job Order, COUNTY shall have the option of requiring any, all or none of the Subcontractors and Sub-subcontractors to perform according to their subcontracts and may assign any or all of the subcontracts to a general contractor selected to complete the Work.
4. If COUNTY takes over the Work under any terminated Job Order, unexecuted orders entered into by CONTRACTOR for performance of any part of the Work will be effective upon acceptance by COUNTY in writing and only as to those subcontracts and purchase orders which the COUNTY designates in writing.

D. Payment for Terminated Work

1. If, as to any terminated Job Order, the unpaid balance of the Contract Price exceeds the direct and indirect costs and expenses of completing the Work and all COUNTY damages including, without limitation, liquidated damages and compensation for additional professional and CONTRACTOR services ("**COUNTY'S Termination Costs**"), such excess shall be used to pay CONTRACTOR for the Work it performed and for which CONTRACTOR has not been paid previously and the amount shall be determined using the Tasks, Unit Prices, Coefficients, and Other Tasks and Other Prices included in the Job Order. If, as to any terminated Job Order, the COUNTY'S Termination Costs exceed the unpaid balance of the Contract Price, CONTRACTOR shall immediately upon demand pay the difference to the COUNTY or the COUNTY may set off the amount against any other amounts owing to CONTRACTOR for any cause whatsoever, whether current or future. In exercising the COUNTY'S right to prosecute the completion of the Work under any terminated Job Order, the COUNTY shall have the right to exercise its sole discretion as to the manner, methods, and reasonableness of the costs to be incurred in completing the Work, and the COUNTY shall not be required to obtain the lowest figure for Work performed in completing the Project. If the COUNTY holds a competitive procurement for remedial Work or completion of the Work under a terminated Job Order, CONTRACTOR shall not be eligible for the award of such contracts.
2. CONTRACTOR shall be liable for any damage to the COUNTY resulting from the termination or from CONTRACTOR'S refusal or failure to complete the Work under any terminated Job Order and for all costs necessary for repair and completion of the Project under each terminated Job Order over and beyond the Contract Price. CONTRACTOR shall be liable for all legal fees and costs required to enforce the provisions of the Agreement and/or Job Order Documents.

E. Nonexclusive Remedies – In the event any Job Order or CONTRACTOR'S participation in the Agreement is terminated, the termination shall not affect any other rights of the COUNTY against CONTRACTOR. The rights and remedies of COUNTY under this **Article 10** are in addition to any other rights and remedies provided by law or under the Agreement or Job Order Contract Documents. Any retention or payment of monies to CONTRACTOR by COUNTY will not release CONTRACTOR from liability.

F. Erroneous Termination for Cause – If any Job Order or participation in the overall Agreement is terminated under this **Article 11**, and it is determined for any reason that there was no default under **Article 11**, the termination shall be deemed a Termination for Convenience of the COUNTY.

**ARTICLE 11 – TERMINATION FOR CONVENIENCE OF THE COUNTY**

The COUNTY, by written notice to CONTRACTOR, may terminate any Job Order or the overall Agreement in whole or in part if sufficient appropriated or other funds are not available or the COUNTY determines, in the sole discretion of the COUNTY, that such termination is in the COUNTY'S best interest. In such case, CONTRACTOR shall be paid for all Work under each Job Order for which CONTRACTOR has not been paid previously.

CONTRACTOR shall also be paid reasonable termination expenses. In no event shall such payments as to any Job Order, exclusive of termination expenses, exceed the total Contract Price for the Job Order as reduced by payments previously made to CONTRACTOR and as further reduced by the value of the Work as yet not completed. Since profit and overhead are built into the Contract Price for each Job Order, CONTRACTOR shall not be entitled any additional profit or overhead on Work performed and in addition, CONTRACTOR shall not be entitled to any profit or overhead on Work not performed.

Valuable papers insurance shall be included in the policy for a minimum of \$25,000 or in a higher amount sufficient to assure the restoration of any document, memoranda, plans, specifications, drawings, media, computer files, data or other information related to the work of CONTRACTOR in the completion of this Contract.

**B. ADDITIONAL INSURANCE REQUIREMENTS:** The policies shall include, or be endorsed to include, the following provisions:

- 1. CONTRACTOR'S policies shall stipulate that the insurance afforded CONTRACTOR shall be primary insurance and that any insurance carried by the Department, its agents, officials, employees or the State of Arizona shall be excess and not contributory insurance, as provided by A.R.S. § 41-621 (E).
- 2. Coverage provided by CONTRACTOR shall not be limited to the liability assumed under the indemnification provisions of this Contract.

- C. **NOTICE OF CANCELLATION:** With the exception of the 10-day notice of cancellation for non-payment of premium, any changes material to compliance with this Contract in the insurance policies above shall require a 30-day written notice to the Agency. Such notice shall be sent directly to the Agency and shall be sent by certified mail, return receipt requested.
- D. **ACCEPTABILITY OF INSURERS:** CONTRACTOR'S insurance shall be placed with companies duly licensed in the State of Arizona or hold approved non-admitted status on the Arizona Department of Insurance List of Qualified Unauthorized Insurers. Insurers shall have an "A.M. Best" rating of not less than A- VII or duly authorized to transact Workers' Compensation insurance in the State of Arizona. The State of Arizona in no way warrants that the above-required minimum insurer rating is sufficient to protect CONTRACTOR from potential insurer insolvency.
- E. **VERIFICATION OF COVERAGE:** CONTRACTOR shall furnish the Agency with certificates of insurance (ACORD form or equivalent approved by the State of Arizona) as required by the Contract. The certificates for each insurance policy are to be signed by an authorized representative.
- All certificates and endorsements shall be received and approved by the Agency before work commences. Each insurance policy required by this Contract shall be in effect at or prior to commencement of work under this Contract and remain in effect for the duration of this Contract. Failure to maintain the insurance policies as required by this Contract, or to provide evidence of renewal, is a material breach of this Contract
- All certificates required by this Contract shall be sent directly to the Agency. The Pima County Contract number and project description shall be noted on the certificate of insurance. The Agency reserves the right to require complete, certified copies of all insurance policies required by this Contract at any time.
- F. **SUBCONTRACTORS:** CONTRACTOR is responsible for ensuring and/or verifying that all SUBCONTRACTORS have current, valid, and collectable certificates of insurance that are consistent with the minimum requirements within CONTRACTOR Contract. This is applicable to all lines of insurance within the Contract. The Agency reserves the right to request that CONTRACTOR provide proof that its SUBCONTRACTORS have the required insurance coverage at any time.
- G. **EXCEPTIONS:** Requests for exceptions to insurance requirements for SUBCONTRACTOR(s) shall be provided in writing to the Agency and the Agency's Risk Manager prior to the start of work and will be reviewed for any risks to the Agency. No work by the involved SUBCONTRACTOR(s) shall proceed until the Agency makes a decision regarding the request.

**NOTE: The following ARTICLE 4 – INSURANCE clause applies to projects NOT in or adjacent to the ADOT right of way:**

**ARTICLE 4 – INSURANCE**

In order for COUNTY to enter into a Contract with a CONTRACTOR for services, CONTRACTOR shall meet the insurance requirements prior to the execution of the Contract as evidenced by a Certificate of Insurance with the required endorsements.

1. CONTRACTOR shall have the capability and experience to perform and be responsible for negligent acts which may occur in the course and scope of the CONTRACTOR'S performance under the Contract.
2. CONTRACTOR is responsible for certifying that any Subcontractor, included as part of their Contract, meet the insurance requirements outlined in the Contract. Any variations to current insurance requirements shall be submitted to COUNTY and the State of Arizona, for review and approval.
3. An "indemnification" clause will be included in the Contract which will be signed by CONTRACTOR, to protect COUNTY, State of Arizona, ADOT, FHWA and their employees (see Article 5).

CONTRACTOR'S insurance will be placed with companies licensed in the State of Arizona or hold approved non-admitted status on the Arizona Department of Insurance List of Qualified Unauthorized Insurers. Insurers will have

an—A.M. Best rating of not less than A-VII. COUNTY in no way warrants that the above-required minimum insurer rating is sufficient to protect CONTRACTOR from potential insurer insolvency.

CONTRACTOR and all SUBCONTRACTORS shall procure and maintain, until all of their obligations have been discharged, including any warranty periods under this Contract, are satisfied, insurance against claims for injury to persons or damage to property which may arise from or in connection with the performance of the work hereunder by CONTRACTOR, its agents, representatives, employees or Subcontractors.

The insurance requirements herein are minimum requirements for this Contract and in no way limit the indemnity covenants contained in this Contract. The State of Arizona in no way warrants that the minimum limits contained herein are sufficient to protect CONTRACTOR from liabilities that might arise out of the performance of the work under this Contract by CONTRACTOR, its agents, representatives, employees or Subcontractors, and the CONTRACTOR is free to purchase additional insurance.

CONTRACTOR may purchase an excess or umbrella policy to secure these limits. If CONTRACTOR or Subcontractor uses any excess or umbrella insurance to meet the required limits then this excess or umbrella insurance must be "follow form" equal to or broader in coverage than the underlying insurance requirements, including but not limited to, additional insured endorsements and waiver of subrogation endorsements.

**A. Minimum Scope and Limits of Insurance:**

CONTRACTOR will procure and maintain, until all of their obligations have been discharged, coverage with limits of liability not less than those stated below.

1. Commercial General Liability (CGL) – Occurrence Form with limits of \$1,000,000 Each Occurrence and \$2,000,000 General Aggregate. Policy will include bodily injury, property damage, and broad form contractual liability coverage.
2. Business Automobile Liability – Bodily Injury and Property Damage for any owned, hired, and/or non-owned automobiles used in the performance of this Contract with a Combined Single Limit (CSL) of \$1,000,000.
3. Workers' Compensation and Employers' Liability - Statutory requirements and benefits. Coverage is compulsory for employers of one or more employees. Employer's Liability - \$1,000,000. Note: The Workers' Compensation requirement will not apply to a CONTRACTOR that is exempt under A.R.S. § 23-901, and when such CONTRACTOR executes the appropriate County Sole Proprietor or Independent CONTRACTOR waiver form.
4. Professional Liability (Errors and Omissions) Insurance – Professional Liability to include professional misconduct and negligent acts of anyone performing professional services under this Contract with policy limits not less than \$2,000,000 Each Claim and \$2,000,000 Annual Aggregate. A Claims-Made policy is acceptable.

In the event that the Professional Liability insurance required by this Contract is written on a claims-made basis, CONTRACTOR warrants that any retroactive date under the policy will precede the effective date of this Contract and, either continuous coverage will be maintained, or an extended discovery period will be exercised, for a period of two (2) years beginning at the time work under this Contract is completed.

**B. Additional Insurance Requirements:**

The policies will include, or be endorsed to include, as required by this written agreement, the following provisions:

1. Additional Insured Endorsement: The General Liability and Business Automobile Liability Policies will each be endorsed to include Pima County, State of Arizona, Arizona Department of Transportation, FHWA, their departments, districts, boards, commissions, officers, officials, agents, and employees as additional insureds with respect to liability arising out of the activities performed by or on behalf of CONTRACTOR.
2. Subrogation Endorsement: The General Liability, Business Automobile Liability and Workers' Compensation Policies will each contain a waiver of subrogation endorsement in favor of COUNTY, and its departments, districts, boards, commissions, officers, officials, agents, and employees for losses arising from work performed by or on behalf of CONTRACTOR.
  - a. Primary Insurance Endorsement: CONTRACTOR'S policies will stipulate that the insurance afforded CONTRACTOR will be primary and that any insurance carried by the Department, its agents, officials, employees or COUNTY, or FHWA will be excess and not contributory insurance, as provided by A.R.S. § 41-621 (E).
  - b. Insurance provided by CONTRACTOR will not limit CONTRACTOR'S liability assumed under the indemnification provisions of this Contract.

**C. Notice of Cancellation:**

CONTRACTOR'S insurance policies and endorsements shall not be permitted to expire, be cancelled, suspended or materially changed from the agreed upon Insurance Requirements for any reason without thirty (30) days advance written notice to COUNTY of the policy cancellation, suspension or material change. CONTRACTOR must provide written notice to COUNTY within 2 business days of receipt of notice. For cancellation of non-payment, Insurer is to provide COUNTY with written notice 10 days prior to cancellation of policy. Such notice will be mailed, emailed, hand-delivered or sent by facsimile transmission to Pima County Procurement, Design and Construction Division, 130 W. Congress, 3<sup>rd</sup> Floor, Tucson, AZ 85701.

**D. Verification of Coverage:**

CONTRACTOR will furnish COUNTY with certificates of insurance (valid ACORD form or equivalent approved by COUNTY) as required by this Contract. An insurance certificate submitted to COUNTY representing insurance coverage must include an original signature from an authorized representative.

1. All certificates and endorsements, as required by this written agreement, are to be received and approved by COUNTY before work commences. Each insurance policy required by this Contract must be in effect at, or prior to, commencement of work under this Contract. Failure to maintain the insurance coverages or policies as required by this Contract, or to provide evidence of renewal, is a material breach of contract.
2. All certificates required by this Contract will be sent directly to COUNTY. County project or Contract number and project description will be noted on the certificate of insurance. COUNTY reserves the right to require complete copies of all insurance policies required by this Contract at any time.

**E. Approval and Modifications:**

Pima County Risk Management reserves the right to review or make modifications to the insurance limits, required coverages, or endorsements throughout the life of this Contract, as deemed necessary. Such action will not require a formal Contract amendment but may be made by administrative action.

**ARTICLE 5 – INDEMNIFICATION**

To the fullest extent permitted by law, CONTRACTOR will indemnify and hold harmless COUNTY, the State of Arizona, ADOT, and FHWA their officers, employees and agents from and against any and all suits,

actions, legal administrative proceedings, claims or demands and costs attendant thereto, including reasonable attorney's fees and court costs, to the extent caused by any negligent, reckless or intentionally wrongful act or omission of CONTRACTOR, its agents, employees or anyone acting under its direction or control or on its behalf in connection with performance of this Contract. The obligations under this Article shall not extend to the negligence of COUNTY, the State of Arizona, ADOT, and FHWA their agents, employees or indemnitees.

All warranty and indemnification obligations under this contract shall survive expiration or termination of the contract, unless expressly provided otherwise. The Parties agree that any indemnification provision inconsistent with State statute will be interpreted and applied as if it were consistent with State statute.

Upon request, CONTRACTOR may fully indemnify and hold harmless any private property owner granting a right of entry to CONTRACTOR for the purpose of completing the project. The obligations under this Article do not extend to the negligence of COUNTY, the State of Arizona, ADOT, and FHWA their agents, employees or indemnitees.

#### **ARTICLE 6 – OWNERSHIP OF DOCUMENTS**

In addition to the requirements set forth in Article 23 of the Master Agreement, The Granting Agency reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use, for Federal Government purposes: (a) the copyright in any work developed under this Agreement or any subcontract; and (b) Any rights of copyright to which CONTRACTOR or COUNTY acquires ownership under this Agreement.

#### **ARTICLE 7 – BOOKS AND RECORDS**

In addition to the requirements set forth in Article 24 of the Master Agreement, CONTRACTOR shall also keep and maintain proper and complete books, records and accounts, which shall be open at all reasonable times for inspection and audit by the Granting Agency and the Comptroller General of the United States.

#### **ARTICLE 8 – CHANGED CONDITIONS**

(1) Differing site conditions.

- (i) During the progress of the work, if subsurface or latent physical conditions are encountered at the site differing materially from those indicated in the contract or if unknown physical conditions of an unusual nature, differing materially from those ordinarily encountered and generally recognized as inherent in the work provided for in the contract, are encountered at the site, the party discovering such conditions shall promptly notify the other party in writing of the specific differing conditions before the site is disturbed and before the affected work is performed.
- (ii) Upon written notification, COUNTY will investigate the conditions, and if it is determined that the conditions materially differ and cause an increase or decrease in the cost or time required for the performance of any work under the Contract, an adjustment, excluding anticipated profits, will be made and the contract modified in writing accordingly. COUNTY will notify CONTRACTOR of the determination whether or not an adjustment of the contract is warranted.
- (iii) No contract adjustment which results in a benefit to CONTRACTOR will be allowed unless CONTRACTOR has provided the required written notice.
- (iv) No contract adjustment will be allowed under this clause for any effects caused on unchanged work.

(2) Suspensions of work ordered by COUNTY.

- (i) If the performance of all or any portion of the work is suspended or delayed by COUNTY in writing for an unreasonable period of time (not originally anticipated, customary, or inherent to the construction industry) and CONTRACTOR believes that additional compensation and/or contract time is due as a result of such suspension or delay, CONTRACTOR shall submit to COUNTY in writing a request for adjustment within 7 calendar days of receipt of the notice to resume work. The request shall set forth the reasons and support for such adjustment.
- (ii) Upon receipt, COUNTY will evaluate CONTRACTOR'S request. If COUNTY agrees that the cost and/or time required for the performance of the Contract has increased as a result of such suspension and the suspension was caused by conditions beyond the control of and not the fault of CONTRACTOR, its suppliers, or subcontractors at any approved tier, and not caused by weather, COUNTY will make an adjustment (excluding profit) and modify the contract in writing accordingly. CONTRACTOR will be notified of COUNTY'S determination whether or not an adjustment of the Contract is warranted.
- (iii) No contract adjustment will be allowed unless CONTRACTOR has submitted the request for adjustment within the time prescribed.
- (iv) No contract adjustment will be allowed under this clause to the extent that performance would have been suspended or delayed by any other cause, or for which an adjustment is provided or excluded under any other term or condition of this Contract.

(3) Significant changes in the character of work.

- (i) COUNTY reserves the right to make, in writing, at any time during the work, such changes in quantities and such alterations in the work as are necessary to satisfactorily complete the project. Such changes in quantities and alterations shall not invalidate the Contract nor release the surety, and CONTRACTOR agrees to perform the work as altered.
- (ii) If the alterations or changes in quantities significantly change the character of the work under the Contract, whether such alterations or changes are in themselves significant changes to the character of the work or by affecting other work cause such other work to become significantly different in character, an adjustment, excluding anticipated profit, will be made to the Contract. The basis for the adjustment shall be agreed upon prior to the performance of the work. If a basis cannot be agreed upon, then an adjustment will be made either for or against CONTRACTOR in such amount as COUNTY may determine to be fair and equitable.
- (iii) If the alterations or changes in quantities do not significantly change the character of the work to be performed under the Contract, the altered work will be paid for as provided elsewhere in the Contract.
- (iv) The term "significant change" shall be construed to apply only to the following circumstances:
  - (A) When the character of the work as altered differs materially in kind or nature from that involved or included in the original proposed construction; or
  - (B) When a major item of work, as defined elsewhere in the Contract, is increased in excess of 125 percent or decreased below 75 percent of the original Contract quantity. Any allowance for an increase in quantity shall apply only to that portion in excess of 125 percent of original Contract item quantity, or in case of a decrease below 75 percent, to the actual amount of work performed.

**ATTACHMENTS**

A. Employment and Materials Preference for Appalachian Development Highway System or Appalachian Local Access Road Contracts (included in Appalachian contracts only)

**I. GENERAL**

1. Form FHWA-1273 must be physically incorporated in each construction contract funded under Title 23 (excluding emergency contracts solely intended for debris removal). The contractor (or subcontractor) must insert this form in each subcontract and further require its inclusion in all lower tier subcontracts (excluding purchase orders, rental agreements and other agreements for supplies or services).

The applicable requirements of Form FHWA-1273 are incorporated by reference for work done under any purchase order, rental agreement or agreement for other services. The prime contractor shall be responsible for compliance by any subcontractor, lower-tier subcontractor or service provider.

Form FHWA-1273 must be included in all Federal-aid design-build contracts, in all subcontracts and in lower tier subcontracts (excluding subcontracts for design services, purchase orders, rental agreements and other agreements for supplies or services). The design-builder shall be responsible for compliance by any subcontractor, lower-tier subcontractor or service provider.

Contracting agencies may reference Form FHWA-1273 in bid proposal or request for proposal documents, however, the Form FHWA-1273 must be physically incorporated (not referenced) in all contracts, subcontracts and lower-tier subcontracts (excluding purchase orders, rental agreements and other agreements for supplies or services related to a construction contract).

2. Subject to the applicability criteria noted in the following sections, these contract provisions shall apply to all work performed on the contract by the contractor's own organization and with the assistance of workers under the contractor's immediate superintendence and to all work performed on the contract by piecework, station work, or by subcontract.

3. A breach of any of the stipulations contained in these Required Contract Provisions may be sufficient grounds for withholding of progress payments, withholding of final payment, termination of the contract, suspension / debarment or any other action determined to be appropriate by the contracting agency and FHWA.

4. Selection of Labor: During the performance of this contract, the contractor shall not use convict labor for any purpose within the limits of a construction project on a Federal-aid highway unless it is labor performed by convicts who are on parole, supervised release, or probation. The term Federal-aid highway does not include roadways functionally classified as local roads or rural minor collectors.

**II. NONDISCRIMINATION**

The provisions of this section related to 23 CFR Part 230 are applicable to all Federal-aid construction contracts and to all related construction subcontracts of \$10,000 or more. The provisions of 23 CFR Part 230 are not applicable to material supply, engineering, or architectural service contracts.

In addition, the contractor and all subcontractors must comply with the following policies: Executive Order 11246, 41 CFR 60, 29 CFR 1625-1627, Title 23 USC Section 140, the Rehabilitation Act of 1973, as amended (29 USC 794), Title VI of the Civil Rights Act of 1964, as amended, and related regulations including 49 CFR Parts 21, 26 and 27; and 23 CFR Parts 200, 230, and 633.

The contractor and all subcontractors must comply with: the requirements of the Equal Opportunity Clause in 41 CFR 60-1.4(b) and, for all construction contracts exceeding \$10,000, the Standard Federal Equal Employment Opportunity Construction Contract Specifications in 41 CFR 60-4.3.

Note: The U.S. Department of Labor has exclusive authority to determine compliance with Executive Order 11246 and the policies of the Secretary of Labor including 41 CFR 60, and 29 CFR 1625-1627. The contracting agency and the FHWA have the authority and the responsibility to ensure compliance with Title 23 USC Section 140, the Rehabilitation Act of 1973, as amended (29 USC 794), and Title VI of the Civil Rights Act of 1964, as amended, and related regulations including 49 CFR Parts 21, 26 and 27; and 23 CFR Parts 200, 230, and 633.

The following provision is adopted from 23 CFR 230, Appendix A, with appropriate revisions to conform to the U.S. Department of Labor (US DOL) and FHWA requirements.

**1. Equal Employment Opportunity:** Equal employment opportunity (EEO) requirements not to discriminate and to take affirmative action to assure equal opportunity as set forth under laws, executive orders, rules, regulations (28 CFR 35, 29 CFR 1630, 29 CFR 1625-1627, 41 CFR 60 and 49 CFR 27) and orders of the Secretary of Labor as modified by the provisions prescribed herein, and imposed pursuant to 23 U.S.C. 140 shall constitute the EEO and specific affirmative action standards for the contractor's project activities under

this contract. The provisions of the Americans with Disabilities Act of 1990 (42 U.S.C. 12101 et seq.) set forth under 28 CFR 35 and 29 CFR 1630 are incorporated by reference in this contract. In the execution of this contract, the contractor agrees to comply with the following minimum specific requirement activities of EEO:

a. The contractor will work with the contracting agency and the Federal Government to ensure that it has made every good faith effort to provide equal opportunity with respect to all of its terms and conditions of employment and in their review of activities under the contract.

b. The contractor will accept as its operating policy the following statement:

"It is the policy of this Company to assure that applicants are employed, and that employees are treated during employment, without regard to their race, religion, sex, color, national origin, age or disability. Such action shall include: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship, pre-apprenticeship, and/or on-the-job training."

**2. EEO Officer:** The contractor will designate and make known to the contracting officers an EEO Officer who will have the responsibility for and must be capable of effectively administering and promoting an active EEO program and who must be assigned adequate authority and responsibility to do so.

**3. Dissemination of Policy:** All members of the contractor's staff who are authorized to hire, supervise, promote, and discharge employees, or who recommend such action, or who are substantially involved in such action, will be made fully cognizant of, and will implement, the contractor's EEO policy and contractual responsibilities to provide EEO in each grade and classification of employment. To ensure that the above agreement will be met, the following actions will be taken as a minimum:

a. Periodic meetings of supervisory and personnel office employees will be conducted before the start of work and then not less often than once every six months, at which time the contractor's EEO policy and its implementation will be reviewed and explained. The meetings will be conducted by the EEO Officer.

b. All new supervisory or personnel office employees will be given a thorough indoctrination by the EEO Officer, covering all major aspects of the contractor's EEO obligations within thirty days following their reporting for duty with the contractor.

c. All personnel who are engaged in direct recruitment for the project will be instructed by the EEO Officer in the contractor's procedures for locating and hiring minorities and women.

d. Notices and posters setting forth the contractor's EEO policy will be placed in areas readily accessible to employees, applicants for employment and potential employees.

e. The contractor's EEO policy and the procedures to implement such policy will be brought to the attention of employees by means of meetings, employee handbooks, or other appropriate means.

**4. Recruitment:** When advertising for employees, the contractor will include in all advertisements for employees the notation: "An Equal Opportunity Employer." All such advertisements will be placed in publications having a large circulation among minorities and women in the area from which the project work force would normally be derived.

a. The contractor will, unless precluded by a valid bargaining agreement, conduct systematic and direct recruitment through public and private employee referral sources likely to yield qualified minorities and women. To meet this requirement, the contractor will identify sources of potential minority group employees, and establish with such identified sources procedures whereby minority and women applicants may be referred to the contractor for employment consideration.

b. In the event the contractor has a valid bargaining agreement providing for exclusive hiring hall referrals, the contractor is expected to observe the provisions of that agreement to the extent that the system meets the contractor's compliance with EEO contract provisions. Where implementation of such an agreement has the effect of discriminating against minorities or women, or obligates the contractor to do the same, such implementation violates Federal nondiscrimination provisions.

c. The contractor will encourage its present employees to refer minorities and women as applicants for employment. Information and procedures with regard to referring such applicants will be discussed with employees.

**5. Personnel Actions:** Wages, working conditions, and employee benefits shall be established and administered, and personnel actions of every type, including hiring, upgrading, promotion, transfer, demotion, layoff, and termination, shall be taken without regard to race, color, religion, sex, national origin, age or disability. The following procedures shall be followed:

a. The contractor will conduct periodic inspections of project sites to insure that working conditions and employee facilities do not indicate discriminatory treatment of project site personnel.

b. The contractor will periodically evaluate the spread of wages paid within each classification to determine any evidence of discriminatory wage practices.

c. The contractor will periodically review selected personnel actions in depth to determine whether there is evidence of discrimination. Where evidence is found, the contractor will promptly take corrective action. If the review indicates that the discrimination may extend beyond the actions reviewed, such corrective action shall include all affected persons.

d. The contractor will promptly investigate all complaints of alleged discrimination made to the contractor in connection with its obligations under this contract, will attempt to resolve such complaints, and will take appropriate corrective action within a reasonable time. If the investigation indicates that the discrimination may affect persons other than the complainant, such corrective action shall include such other persons. Upon completion of each investigation, the contractor will inform every complainant of all of their avenues of appeal.

**6. Training and Promotion:**

a. The contractor will assist in locating, qualifying, and increasing the skills of minorities and women who are

applicants for employment or current employees. Such efforts should be aimed at developing full journey level status employees in the type of trade or job classification involved.

b. Consistent with the contractor's work force requirements and as permissible under Federal and State regulations, the contractor shall make full use of training programs, i.e., apprenticeship, and on-the-job training programs for the geographical area of contract performance. In the event a special provision for training is provided under this contract, this subparagraph will be superseded as indicated in the special provision. The contracting agency may reserve training positions for persons who receive welfare assistance in accordance with 23 U.S.C. 140(a).

c. The contractor will advise employees and applicants for employment of available training programs and entrance requirements for each.

d. The contractor will periodically review the training and promotion potential of employees who are minorities and women and will encourage eligible employees to apply for such training and promotion.

**7. Unions:** If the contractor relies in whole or in part upon unions as a source of employees, the contractor will use good faith efforts to obtain the cooperation of such unions to increase opportunities for minorities and women. Actions by the contractor, either directly or through a contractor's association acting as agent, will include the procedures set forth below:

a. The contractor will use good faith efforts to develop, in cooperation with the unions, joint training programs aimed toward qualifying more minorities and women for membership in the unions and increasing the skills of minorities and women so that they may qualify for higher paying employment.

b. The contractor will use good faith efforts to incorporate an EEO clause into each union agreement to the end that such union will be contractually bound to refer applicants without regard to their race, color, religion, sex, national origin, age or disability.

c. The contractor is to obtain information as to the referral practices and policies of the labor union except that to the extent such information is within the exclusive possession of the labor union and such labor union refuses to furnish such information to the contractor, the contractor shall so certify to the contracting agency and shall set forth what efforts have been made to obtain such information.

d. In the event the union is unable to provide the contractor with a reasonable flow of referrals within the time limit set forth in the collective bargaining agreement, the contractor will, through independent recruitment efforts, fill the employment vacancies without regard to race, color, religion, sex, national origin, age or disability; making full efforts to obtain qualified and/or qualifiable minorities and women. The failure of a union to provide sufficient referrals (even though it is obligated to provide exclusive referrals under the terms of a collective bargaining agreement) does not relieve the contractor from the requirements of this paragraph. In the event the union referral practice prevents the contractor from meeting the obligations pursuant to Executive Order 11246, as amended, and these special provisions, such contractor shall immediately notify the contracting agency.

**8. Reasonable Accommodation for Applicants / Employees with Disabilities:** The contractor must be familiar

with the requirements for and comply with the Americans with Disabilities Act and all rules and regulations established there under. Employers must provide reasonable accommodation in all employment activities unless to do so would cause an undue hardship.

**9. Selection of Subcontractors, Procurement of Materials and Leasing of Equipment:** The contractor shall not discriminate on the grounds of race, color, religion, sex, national origin, age or disability in the selection and retention of subcontractors, including procurement of materials and leases of equipment. The contractor shall take all necessary and reasonable steps to ensure nondiscrimination in the administration of this contract.

a. The contractor shall notify all potential subcontractors and suppliers and lessors of their EEO obligations under this contract.

b. The contractor will use good faith efforts to ensure subcontractor compliance with their EEO obligations.

**10. Assurance Required by 49 CFR 26.13(b):**

a. The requirements of 49 CFR Part 26 and the State DOT's U.S. DOT-approved DBE program are incorporated by reference.

b. The contractor or subcontractor shall not discriminate on the basis of race, color, national origin, or sex in the performance of this contract. The contractor shall carry out applicable requirements of 49 CFR Part 26 in the award and administration of DOT-assisted contracts. Failure by the contractor to carry out these requirements is a material breach of this contract, which may result in the termination of this contract or such other remedy as the contracting agency deems appropriate.

**11. Records and Reports:** The contractor shall keep such records as necessary to document compliance with the EEO requirements. Such records shall be retained for a period of three years following the date of the final payment to the contractor for all contract work and shall be available at reasonable times and places for inspection by authorized representatives of the contracting agency and the FHWA.

a. The records kept by the contractor shall document the following:

(1) The number and work hours of minority and non-minority group members and women employed in each work classification on the project;

(2) The progress and efforts being made in cooperation with unions, when applicable, to increase employment opportunities for minorities and women; and

(3) The progress and efforts being made in locating, hiring, training, qualifying, and upgrading minorities and women;

b. The contractors and subcontractors will submit an annual report to the contracting agency each July for the duration of the project, indicating the number of minority, women, and non-minority group employees currently engaged in each work classification required by the contract work. This information is to be reported on Form FHWA-1391. The staffing data should represent the project work force on board in all or any part of the last payroll period preceding the end of July. If on-the-job training is being required by special provision, the contractor

will be required to collect and report training data. The employment data should reflect the work force on board during all or any part of the last payroll period preceding the end of July.

### III. NONSEGREGATED FACILITIES

This provision is applicable to all Federal-aid construction contracts and to all related construction subcontracts of \$10,000 or more.

The contractor must ensure that facilities provided for employees are provided in such a manner that segregation on the basis of race, color, religion, sex, or national origin cannot result. The contractor may neither require such segregated use by written or oral policies nor tolerate such use by employee custom. The contractor's obligation extends further to ensure that its employees are not assigned to perform their services at any location, under the contractor's control, where the facilities are segregated. The term "facilities" includes waiting rooms, work areas, restaurants and other eating areas, time clocks, restrooms, washrooms, locker rooms, and other storage or dressing areas, parking lots, drinking fountains, recreation or entertainment areas, transportation, and housing provided for employees. The contractor shall provide separate or single-user restrooms and necessary dressing or sleeping areas to assure privacy between sexes.

### IV. DAVIS-BACON AND RELATED ACT PROVISIONS

This section is applicable to all Federal-aid construction projects exceeding \$2,000 and to all related subcontracts and lower-tier subcontracts (regardless of subcontract size). The requirements apply to all projects located within the right-of-way of a roadway that is functionally classified as Federal-aid highway. This excludes roadways functionally classified as local roads or rural minor collectors, which are exempt. Contracting agencies may elect to apply these requirements to other projects.

The following provisions are from the U.S. Department of Labor regulations in 29 CFR 5.5 "Contract provisions and related matters" with minor revisions to conform to the FHWA-1273 format and FHWA program requirements.

#### 1. Minimum wages

a. All laborers and mechanics employed or working upon the site of the work, will be paid unconditionally and not less often than once a week, and without subsequent deduction or rebate on any account (except such payroll deductions as are permitted by regulations issued by the Secretary of Labor under the Copeland Act (29 CFR part 3)), the full amount of wages and bona fide fringe benefits (or cash equivalents thereof) due at time of payment computed at rates not less than those contained in the wage determination of the Secretary of Labor which is attached hereto and made a part hereof, regardless of any contractual relationship which may be alleged to exist between the contractor and such laborers and mechanics.

Contributions made or costs reasonably anticipated for bona fide fringe benefits under section 1(b)(2) of the Davis-Bacon Act on behalf of laborers or mechanics are considered wages paid to such laborers or mechanics, subject to the provisions

of paragraph 1.d. of this section; also, regular contributions made or costs incurred for more than a weekly period (but not less often than quarterly) under plans, funds, or programs which cover the particular weekly period, are deemed to be constructively made or incurred during such weekly period. Such laborers and mechanics shall be paid the appropriate wage rate and fringe benefits on the wage determination for the classification of work actually performed, without regard to skill, except as provided in 29 CFR 5.5(a)(4). Laborers or mechanics performing work in more than one classification may be compensated at the rate specified for each classification for the time actually worked therein: Provided, That the employer's payroll records accurately set forth the time spent in each classification in which work is performed. The wage determination (including any additional classification and wage rates conformed under paragraph 1.b. of this section) and the Davis-Bacon poster (WH-1321) shall be posted at all times by the contractor and its subcontractors at the site of the work in a prominent and accessible place where it can be easily seen by the workers.

b. (1) The contracting officer shall require that any class of laborers or mechanics, including helpers, which is not listed in the wage determination and which is to be employed under the contract shall be classified in conformance with the wage determination. The contracting officer shall approve an additional classification and wage rate and fringe benefits therefore only when the following criteria have been met:

(i) The work to be performed by the classification requested is not performed by a classification in the wage determination; and

(ii) The classification is utilized in the area by the construction industry; and

(iii) The proposed wage rate, including any bona fide fringe benefits, bears a reasonable relationship to the wage rates contained in the wage determination.

(2) If the contractor and the laborers and mechanics to be employed in the classification (if known), or their representatives, and the contracting officer agree on the classification and wage rate (including the amount designated for fringe benefits where appropriate), a report of the action taken shall be sent by the contracting officer to the Administrator of the Wage and Hour Division, Employment Standards Administration, U.S. Department of Labor, Washington, DC 20210. The Administrator, or an authorized representative, will approve, modify, or disapprove every additional classification action within 30 days of receipt and so advise the contracting officer or will notify the contracting officer within the 30-day period that additional time is necessary.

(3) In the event the contractor, the laborers or mechanics to be employed in the classification or their representatives, and the contracting officer do not agree on the proposed classification and wage rate (including the amount designated for fringe benefits, where appropriate), the contracting officer shall refer the questions, including the views of all interested parties and the recommendation of the contracting officer, to the Wage and Hour Administrator for determination. The Wage and Hour Administrator, or an authorized representative, will issue a determination within 30 days of receipt and so advise the contracting officer or

will notify the contracting officer within the 30-day period that additional time is necessary.

(4) The wage rate (including fringe benefits where appropriate) determined pursuant to paragraphs 1.b.(2) or 1.b.(3) of this section, shall be paid to all workers performing work in the classification under this contract from the first day on which work is performed in the classification.

c. Whenever the minimum wage rate prescribed in the contract for a class of laborers or mechanics includes a fringe benefit which is not expressed as an hourly rate, the contractor shall either pay the benefit as stated in the wage determination or shall pay another bona fide fringe benefit or an hourly cash equivalent thereof.

d. If the contractor does not make payments to a trustee or other third person, the contractor may consider as part of the wages of any laborer or mechanic the amount of any costs reasonably anticipated in providing bona fide fringe benefits under a plan or program, Provided, That the Secretary of Labor has found, upon the written request of the contractor, that the applicable standards of the Davis-Bacon Act have been met. The Secretary of Labor may require the contractor to set aside in a separate account assets for the meeting of obligations under the plan or program.

## 2. Withholding

The contracting agency shall upon its own action or upon written request of an authorized representative of the Department of Labor, withhold or cause to be withheld from the contractor under this contract, or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to Davis-Bacon prevailing wage requirements, which is held by the same prime contractor, so much of the accrued payments or advances as may be considered necessary to pay laborers and mechanics, including apprentices, trainees, and helpers, employed by the contractor or any subcontractor the full amount of wages required by the contract. In the event of failure to pay any laborer or mechanic, including any apprentice, trainee, or helper, employed or working on the site of the work, all or part of the wages required by the contract, the contracting agency may, after written notice to the contractor, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds until such violations have ceased.

## 3. Payrolls and basic records

a. Payrolls and basic records relating thereto shall be maintained by the contractor during the course of the work and preserved for a period of three years thereafter for all laborers and mechanics working at the site of the work. Such records shall contain the name, address, and social security number of each such worker, his or her correct classification, hourly rates of wages paid (including rates of contributions or costs anticipated for bona fide fringe benefits or cash equivalents thereof of the types described in section 1(b)(2)(B) of the Davis-Bacon Act), daily and weekly number of hours worked, deductions made and actual wages paid. Whenever the Secretary of Labor has found under 29 CFR 5.5(a)(1)(iv) that the wages of any laborer or mechanic include the amount of any costs reasonably anticipated in providing benefits under a plan or program described in section 1(b)(2)(B) of the Davis-

Bacon Act, the contractor shall maintain records which show that the commitment to provide such benefits is enforceable, that the plan or program is financially responsible, and that the plan or program has been communicated in writing to the laborers or mechanics affected, and records which show the costs anticipated or the actual cost incurred in providing such benefits. Contractors employing apprentices or trainees under approved programs shall maintain written evidence of the registration of apprenticeship programs and certification of trainee programs, the registration of the apprentices and trainees, and the ratios and wage rates prescribed in the applicable programs.

b.(1) The contractor shall submit weekly for each week in which any contract work is performed a copy of all payrolls to the contracting agency. The payrolls submitted shall set out accurately and completely all of the information required to be maintained under 29 CFR 5.5(a)(3)(i), except that full social security numbers and home addresses shall not be included on weekly transmittals. Instead the payrolls shall only need to include an individually identifying number for each employee (e.g., the last four digits of the employee's social security number). The required weekly payroll information may be submitted in any form desired. Optional Form WH-347 is available for this purpose from the Wage and Hour Division Web site at <http://www.dol.gov/esa/whd/forms/wh347instr.htm> or its successor site. The prime contractor is responsible for the submission of copies of payrolls by all subcontractors. Contractors and subcontractors shall maintain the full social security number and current address of each covered worker, and shall provide them upon request to the contracting agency for transmission to the State DOT, the FHWA or the Wage and Hour Division of the Department of Labor for purposes of an investigation or audit of compliance with prevailing wage requirements. It is not a violation of this section for a prime contractor to require a subcontractor to provide addresses and social security numbers to the prime contractor for its own records, without weekly submission to the contracting agency..

(2) Each payroll submitted shall be accompanied by a "Statement of Compliance," signed by the contractor or subcontractor or his or her agent who pays or supervises the payment of the persons employed under the contract and shall certify the following:

(i) That the payroll for the payroll period contains the information required to be provided under §5.5 (a)(3)(ii) of Regulations, 29 CFR part 5, the appropriate information is being maintained under §5.5 (a)(3)(i) of Regulations, 29 CFR part 5, and that such information is correct and complete;

(ii) That each laborer or mechanic (including each helper, apprentice, and trainee) employed on the contract during the payroll period has been paid the full weekly wages earned, without rebate, either directly or indirectly, and that no deductions have been made either directly or indirectly from the full wages earned, other than permissible deductions as set forth in Regulations, 29 CFR part 3;

(iii) That each laborer or mechanic has been paid not less than the applicable wage rates and fringe benefits or cash equivalents for the classification of work performed, as specified in the applicable wage determination incorporated into the contract.

(3) The weekly submission of a properly executed certification set forth on the reverse side of Optional Form WH-347 shall satisfy the requirement for submission of the "Statement of Compliance" required by paragraph 3.b.(2) of this section.

(4) The falsification of any of the above certifications may subject the contractor or subcontractor to civil or criminal prosecution under section 1001 of title 18 and section 231 of title 31 of the United States Code.

c. The contractor or subcontractor shall make the records required under paragraph 3.a. of this section available for inspection, copying, or transcription by authorized representatives of the contracting agency, the State DOT, the FHWA, or the Department of Labor, and shall permit such representatives to interview employees during working hours on the job. If the contractor or subcontractor fails to submit the required records or to make them available, the FHWA may, after written notice to the contractor, the contracting agency or the State DOT, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds. Furthermore, failure to submit the required records upon request or to make such records available may be grounds for debarment action pursuant to 29 CFR 5.12.

#### 4. Apprentices and trainees

##### a. Apprentices (programs of the USDOL).

Apprentices will be permitted to work at less than the predetermined rate for the work they performed when they are employed pursuant to and individually registered in a bona fide apprenticeship program registered with the U.S. Department of Labor, Employment and Training Administration, Office of Apprenticeship Training, Employer and Labor Services, or with a State Apprenticeship Agency recognized by the Office, or if a person is employed in his or her first 90 days of probationary employment as an apprentice in such an apprenticeship program, who is not individually registered in the program, but who has been certified by the Office of Apprenticeship Training, Employer and Labor Services or a State Apprenticeship Agency (where appropriate) to be eligible for probationary employment as an apprentice.

The allowable ratio of apprentices to journeymen on the job site in any craft classification shall not be greater than the ratio permitted to the contractor as to the entire work force under the registered program. Any worker listed on a payroll at an apprentice wage rate, who is not registered or otherwise employed as stated above, shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any apprentice performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. Where a contractor is performing construction on a project in a locality other than that in which its program is registered, the ratios and wage rates (expressed in percentages of the journeyman's hourly rate) specified in the contractor's or subcontractor's registered program shall be observed.

Every apprentice must be paid at not less than the rate specified in the registered program for the apprentice's level of progress, expressed as a percentage of the journeymen hourly

rate specified in the applicable wage determination. Apprentices shall be paid fringe benefits in accordance with the provisions of the apprenticeship program. If the apprenticeship program does not specify fringe benefits, apprentices must be paid the full amount of fringe benefits listed on the wage determination for the applicable classification. If the Administrator determines that a different practice prevails for the applicable apprentice classification, fringes shall be paid in accordance with that determination.

In the event the Office of Apprenticeship Training, Employer and Labor Services, or a State Apprenticeship Agency recognized by the Office, withdraws approval of an apprenticeship program, the contractor will no longer be permitted to utilize apprentices at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

##### b. Trainees (programs of the USDOL).

Except as provided in 29 CFR 5.16, trainees will not be permitted to work at less than the predetermined rate for the work performed unless they are employed pursuant to and individually registered in a program which has received prior approval, evidenced by formal certification by the U.S. Department of Labor, Employment and Training Administration.

The ratio of trainees to journeymen on the job site shall not be greater than permitted under the plan approved by the Employment and Training Administration.

Every trainee must be paid at not less than the rate specified in the approved program for the trainee's level of progress, expressed as a percentage of the journeyman hourly rate specified in the applicable wage determination. Trainees shall be paid fringe benefits in accordance with the provisions of the trainee program. If the trainee program does not mention fringe benefits, trainees shall be paid the full amount of fringe benefits listed on the wage determination unless the Administrator of the Wage and Hour Division determines that there is an apprenticeship program associated with the corresponding journeyman wage rate on the wage determination which provides for less than full fringe benefits for apprentices. Any employee listed on the payroll at a trainee rate who is not registered and participating in a training plan approved by the Employment and Training Administration shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any trainee performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed.

In the event the Employment and Training Administration withdraws approval of a training program, the contractor will no longer be permitted to utilize trainees at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

c. Equal employment opportunity. The utilization of apprentices, trainees and journeymen under this part shall be in conformity with the equal employment opportunity requirements of Executive Order 11246, as amended, and 29 CFR part 30.

d. Apprentices and Trainees (programs of the U.S. DOT).

Apprentices and trainees working under apprenticeship and skill training programs which have been certified by the Secretary of Transportation as promoting EEO in connection with Federal-aid highway construction programs are not subject to the requirements of paragraph 4 of this Section IV. The straight time hourly wage rates for apprentices and trainees under such programs will be established by the particular programs. The ratio of apprentices and trainees to journeymen shall not be greater than permitted by the terms of the particular program.

**5. Compliance with Copeland Act requirements.** The contractor shall comply with the requirements of 29 CFR part 3, which are incorporated by reference in this contract.

**6. Subcontracts.** The contractor or subcontractor shall insert Form FHWA-1273 in any subcontracts and also require the subcontractors to include Form FHWA-1273 in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all the contract clauses in 29 CFR 5.5.

**7. Contract termination; debarment.** A breach of the contract clauses in 29 CFR 5.5 may be grounds for termination of the contract, and for debarment as a contractor and a subcontractor as provided in 29 CFR 5.12.

**8. Compliance with Davis-Bacon and Related Act requirements.** All rulings and interpretations of the Davis-Bacon and Related Acts contained in 29 CFR parts 1, 3, and 5 are herein incorporated by reference in this contract.

**9. Disputes concerning labor standards.** Disputes arising out of the labor standards provisions of this contract shall not be subject to the general disputes clause of this contract. Such disputes shall be resolved in accordance with the procedures of the Department of Labor set forth in 29 CFR parts 5, 6, and 7. Disputes within the meaning of this clause include disputes between the contractor (or any of its subcontractors) and the contracting agency, the U.S. Department of Labor, or the employees or their representatives.

**10. Certification of eligibility.**

a. By entering into this contract, the contractor certifies that neither it (nor he or she) nor any person or firm who has an interest in the contractor's firm is a person or firm ineligible to be awarded Government contracts by virtue of section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1).

b. No part of this contract shall be subcontracted to any person or firm ineligible for award of a Government contract by virtue of section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1).

c. The penalty for making false statements is prescribed in the U.S. Criminal Code, 18 U.S.C. 1001.

**V. CONTRACT WORK HOURS AND SAFETY STANDARDS ACT**

The following clauses apply to any Federal-aid construction contract in an amount in excess of \$100,000 and subject to the overtime provisions of the Contract Work Hours and Safety Standards Act. These clauses shall be inserted in addition to the clauses required by 29 CFR 5.5(a) or 29 CFR 4.6. As used in this paragraph, the terms laborers and mechanics include watchmen and guards.

**1. Overtime requirements.** No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.

**2. Violation; liability for unpaid wages; liquidated damages.** In the event of any violation of the clause set forth in paragraph (1.) of this section, the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (1.) of this section, in the sum of \$10 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (1.) of this section.

**3. Withholding for unpaid wages and liquidated damages.** The FHWA or the contracting agency shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (2.) of this section.

**4. Subcontracts.** The contractor or subcontractor shall insert in any subcontracts the clauses set forth in paragraph (1.) through (4.) of this section and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in paragraphs (1.) through (4.) of this section.

## VI. SUBLETTING OR ASSIGNING THE CONTRACT

This provision is applicable to all Federal-aid construction contracts on the National Highway System.

1. The contractor shall perform with its own organization contract work amounting to not less than 30 percent (or a greater percentage if specified elsewhere in the contract) of the total original contract price, excluding any specialty items designated by the contracting agency. Specialty items may be performed by subcontract and the amount of any such specialty items performed may be deducted from the total original contract price before computing the amount of work required to be performed by the contractor's own organization (23 CFR 635.116).

a. The term "perform work with its own organization" refers to workers employed or leased by the prime contractor, and equipment owned or rented by the prime contractor, with or without operators. Such term does not include employees or equipment of a subcontractor or lower tier subcontractor, agents of the prime contractor, or any other assignees. The term may include payments for the costs of hiring leased employees from an employee leasing firm meeting all relevant Federal and State regulatory requirements. Leased employees may only be included in this term if the prime contractor meets all of the following conditions:

- (1) the prime contractor maintains control over the supervision of the day-to-day activities of the leased employees;
- (2) the prime contractor remains responsible for the quality of the work of the leased employees;
- (3) the prime contractor retains all power to accept or exclude individual employees from work on the project; and
- (4) the prime contractor remains ultimately responsible for the payment of predetermined minimum wages, the submission of payrolls, statements of compliance and all other Federal regulatory requirements.

b. "Specialty Items" shall be construed to be limited to work that requires highly specialized knowledge, abilities, or equipment not ordinarily available in the type of contracting organizations qualified and expected to bid or propose on the contract as a whole and in general are to be limited to minor components of the overall contract.

2. The contract amount upon which the requirements set forth in paragraph (1) of Section VI is computed includes the cost of material and manufactured products which are to be purchased or produced by the contractor under the contract provisions.

3. The contractor shall furnish (a) a competent superintendent or supervisor who is employed by the firm, has full authority to direct performance of the work in accordance with the contract requirements, and is in charge of all construction operations (regardless of who performs the work) and (b) such other of its own organizational resources (supervision, management, and engineering services) as the contracting officer determines is necessary to assure the performance of the contract.

4. No portion of the contract shall be sublet, assigned or otherwise disposed of except with the written consent of the contracting officer, or authorized representative, and such consent when given shall not be construed to relieve the contractor of any responsibility for the fulfillment of the contract. Written consent will be given only after the contracting agency has assured that each subcontract is

evidenced in writing and that it contains all pertinent provisions and requirements of the prime contract.

5. The 30% self-performance requirement of paragraph (1) is not applicable to design-build contracts; however, contracting agencies may establish their own self-performance requirements.

## VII. SAFETY: ACCIDENT PREVENTION

This provision is applicable to all Federal-aid construction contracts and to all related subcontracts.

1. In the performance of this contract the contractor shall comply with all applicable Federal, State, and local laws governing safety, health, and sanitation (23 CFR 635). The contractor shall provide all safeguards, safety devices and protective equipment and take any other needed actions as it determines, or as the contracting officer may determine, to be reasonably necessary to protect the life and health of employees on the job and the safety of the public and to protect property in connection with the performance of the work covered by the contract.

2. It is a condition of this contract, and shall be made a condition of each subcontract, which the contractor enters into pursuant to this contract, that the contractor and any subcontractor shall not permit any employee, in performance of the contract, to work in surroundings or under conditions which are unsanitary, hazardous or dangerous to his/her health or safety, as determined under construction safety and health standards (29 CFR 1926) promulgated by the Secretary of Labor, in accordance with Section 107 of the Contract Work Hours and Safety Standards Act (40 U.S.C. 3704).

3. Pursuant to 29 CFR 1926.3, it is a condition of this contract that the Secretary of Labor or authorized representative thereof, shall have right of entry to any site of contract performance to inspect or investigate the matter of compliance with the construction safety and health standards and to carry out the duties of the Secretary under Section 107 of the Contract Work Hours and Safety Standards Act (40 U.S.C.3704).

## VIII. FALSE STATEMENTS CONCERNING HIGHWAY PROJECTS

This provision is applicable to all Federal-aid construction contracts and to all related subcontracts.

In order to assure high quality and durable construction in conformity with approved plans and specifications and a high degree of reliability on statements and representations made by engineers, contractors, suppliers, and workers on Federal-aid highway projects, it is essential that all persons concerned with the project perform their functions as carefully, thoroughly, and honestly as possible. Willful falsification, distortion, or misrepresentation with respect to any facts related to the project is a violation of Federal law. To prevent any misunderstanding regarding the seriousness of these and similar acts, Form FHWA-1022 shall be posted on each Federal-aid highway project (23 CFR 635) in one or more places where it is readily available to all persons concerned with the project:

18 U.S.C. 1020 reads as follows:

"Whoever, being an officer, agent, or employee of the United States, or of any State or Territory, or whoever, whether a person, association, firm, or corporation, knowingly makes any false statement, false representation, or false report as to the character, quality, quantity, or cost of the material used or to be used, or the quantity or quality of the work performed or to be performed, or the cost thereof in connection with the submission of plans, maps, specifications, contracts, or costs of construction on any highway or related project submitted for approval to the Secretary of Transportation; or

Whoever knowingly makes any false statement, false representation, false report or false claim with respect to the character, quality, quantity, or cost of any work performed or to be performed, or materials furnished or to be furnished, in connection with the construction of any highway or related project approved by the Secretary of Transportation; or

Whoever knowingly makes any false statement or false representation as to material fact in any statement, certificate, or report submitted pursuant to provisions of the Federal-aid Roads Act approved July 1, 1916, (39 Stat. 355), as amended and supplemented;

Shall be fined under this title or imprisoned not more than 5 years or both."

#### **IX. IMPLEMENTATION OF CLEAN AIR ACT AND FEDERAL WATER POLLUTION CONTROL ACT**

This provision is applicable to all Federal-aid construction contracts and to all related subcontracts.

By submission of this bid/proposal or the execution of this contract, or subcontract, as appropriate, the bidder, proposer, Federal-aid construction contractor, or subcontractor, as appropriate, will be deemed to have stipulated as follows:

1. That any person who is or will be utilized in the performance of this contract is not prohibited from receiving an award due to a violation of Section 508 of the Clean Water Act or Section 306 of the Clean Air Act.

2. That the contractor agrees to include or cause to be included the requirements of paragraph (1) of this Section X in every subcontract, and further agrees to take such action as the contracting agency may direct as a means of enforcing such requirements.

#### **X. CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY AND VOLUNTARY EXCLUSION**

This provision is applicable to all Federal-aid construction contracts, design-build contracts, subcontracts, lower-tier subcontracts, purchase orders, lease agreements, consultant contracts or any other covered transaction requiring FHWA approval or that is estimated to cost \$25,000 or more – as defined in 2 CFR Parts 180 and 1200.

##### **1. Instructions for Certification – First Tier Participants:**

a. By signing and submitting this proposal, the prospective first tier participant is providing the certification set out below.

b. The inability of a person to provide the certification set out below will not necessarily result in denial of participation in this

covered transaction. The prospective first tier participant shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the department or agency's determination whether to enter into this transaction. However, failure of the prospective first tier participant to furnish a certification or an explanation shall disqualify such a person from participation in this transaction.

c. The certification in this clause is a material representation of fact upon which reliance was placed when the contracting agency determined to enter into this transaction. If it is later determined that the prospective participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the contracting agency may terminate this transaction for cause of default.

d. The prospective first tier participant shall provide immediate written notice to the contracting agency to whom this proposal is submitted if any time the prospective first tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

e. The terms "covered transaction," "debarred," "suspended," "ineligible," "participant," "person," "principal," and "voluntarily excluded," as used in this clause, are defined in 2 CFR Parts 180 and 1200. "First Tier Covered Transactions" refers to any covered transaction between a grantee or subgrantee of Federal funds and a participant (such as the prime or general contract). "Lower Tier Covered Transactions" refers to any covered transaction under a First Tier Covered Transaction (such as subcontracts). "First Tier Participant" refers to the participant who has entered into a covered transaction with a grantee or subgrantee of Federal funds (such as the prime or general contractor). "Lower Tier Participant" refers any participant who has entered into a covered transaction with a First Tier Participant or other Lower Tier Participants (such as subcontractors and suppliers).

f. The prospective first tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency entering into this transaction.

g. The prospective first tier participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion-Lower Tier Covered Transactions," provided by the department or contracting agency, entering into this covered transaction, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions exceeding the \$25,000 threshold.

h. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant is responsible for ensuring that its principals are not suspended, debarred, or otherwise ineligible to participate in covered transactions. To verify the eligibility of its principals, as well as the eligibility of any lower tier prospective participants, each participant may, but is not required to, check the Excluded Parties List System website (<https://www.epls.gov/>), which is compiled by the General Services Administration.

i. Nothing contained in the foregoing shall be construed to require the establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of the prospective participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

j. Except for transactions authorized under paragraph (f) of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.

\*\*\*\*\*

## **2. Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion – First Tier Participants:**

a. The prospective first tier participant certifies to the best of its knowledge and belief, that it and its principals:

(1) Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participating in covered transactions by any Federal department or agency;

(2) Have not within a three-year period preceding this proposal been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;

(3) Are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (a)(2) of this certification; and

(4) Have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.

b. Where the prospective participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.

### **2. Instructions for Certification - Lower Tier Participants:**

(Applicable to all subcontracts, purchase orders and other lower tier transactions requiring prior FHWA approval or estimated to cost \$25,000 or more - 2 CFR Parts 180 and 1200)

a. By signing and submitting this proposal, the prospective lower tier is providing the certification set out below.

b. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department, or agency with which

this transaction originated may pursue available remedies, including suspension and/or debarment.

c. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous by reason of changed circumstances.

d. The terms "covered transaction," "debarred," "suspended," "ineligible," "participant," "person," "principal," and "voluntarily excluded," as used in this clause, are defined in 2 CFR Parts 180 and 1200. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations. "First Tier Covered Transactions" refers to any covered transaction between a grantee or subgrantee of Federal funds and a participant (such as the prime or general contract). "Lower Tier Covered Transactions" refers to any covered transaction under a First Tier Covered Transaction (such as subcontracts). "First Tier Participant" refers to the participant who has entered into a covered transaction with a grantee or subgrantee of Federal funds (such as the prime or general contractor). "Lower Tier Participant" refers any participant who has entered into a covered transaction with a First Tier Participant or other Lower Tier Participants (such as subcontractors and suppliers).

e. The prospective lower tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.

f. The prospective lower tier participant further agrees by submitting this proposal that it will include this clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion-Lower Tier Covered Transaction," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions exceeding the \$25,000 threshold.

g. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant is responsible for ensuring that its principals are not suspended, debarred, or otherwise ineligible to participate in covered transactions. To verify the eligibility of its principals, as well as the eligibility of any lower tier prospective participants, each participant may, but is not required to, check the Excluded Parties List System website (<https://www.epls.gov/>), which is compiled by the General Services Administration.

h. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

i. Except for transactions authorized under paragraph e of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the

department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

\*\*\*\*\*

**Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion--Lower Tier Participants:**

1. The prospective lower tier participant certifies, by submission of this proposal, that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participating in covered transactions by any Federal department or agency.

2. Where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.

**XI. CERTIFICATION REGARDING USE OF CONTRACT FUNDS FOR LOBBYING**

This provision is applicable to all Federal-aid construction contracts and to all related subcontracts which exceed \$100,000 (49 CFR 20).

1. The prospective participant certifies, by signing and submitting this bid or proposal, to the best of his or her knowledge and belief, that:

a. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any Federal agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

b. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any Federal agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-L.L.L., "Disclosure Form to Report Lobbying," in accordance with its instructions.

2. This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by 31 U.S.C. 1352. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

3. The prospective participant also agrees by submitting its bid or proposal that the participant shall require that the language of this certification be included in all lower tier subcontracts, which exceed \$100,000 and that all such recipients shall certify and disclose accordingly.

**ATTACHMENT A - EMPLOYMENT AND MATERIALS  
PREFERENCE FOR APPALACHIAN DEVELOPMENT  
HIGHWAY SYSTEM OR APPALACHIAN LOCAL ACCESS  
ROAD CONTRACTS**

This provision is applicable to all Federal-aid projects funded under the Appalachian Regional Development Act of 1965.

1. During the performance of this contract, the contractor undertaking to do work which is, or reasonably may be, done as on-site work, shall give preference to qualified persons who regularly reside in the labor area as designated by the DOL wherein the contract work is situated, or the subregion, or the Appalachian counties of the State wherein the contract work is situated, except:

a. To the extent that qualified persons regularly residing in the area are not available.

b. For the reasonable needs of the contractor to employ supervisory or specially experienced personnel necessary to assure an efficient execution of the contract work.

c. For the obligation of the contractor to offer employment to present or former employees as the result of a lawful collective bargaining contract, provided that the number of nonresident persons employed under this subparagraph (1c) shall not exceed 20 percent of the total number of employees employed by the contractor on the contract work, except as provided in subparagraph (4) below.

2. The contractor shall place a job order with the State Employment Service indicating (a) the classifications of the laborers, mechanics and other employees required to perform the contract work, (b) the number of employees required in each classification, (c) the date on which the participant estimates such employees will be required, and (d) any other pertinent information required by the State Employment Service to complete the job order form. The job order may be placed with the State Employment Service in writing or by telephone. If during the course of the contract work, the information submitted by the contractor in the original job order is substantially modified, the participant shall promptly notify the State Employment Service.

3. The contractor shall give full consideration to all qualified job applicants referred to him by the State Employment Service. The contractor is not required to grant employment to any job applicants who, in his opinion, are not qualified to perform the classification of work required.

4. If, within one week following the placing of a job order by the contractor with the State Employment Service, the State Employment Service is unable to refer any qualified job applicants to the contractor, or less than the number requested, the State Employment Service will forward a certificate to the contractor indicating the unavailability of applicants. Such certificate shall be made a part of the contractor's permanent project records. Upon receipt of this certificate, the contractor may employ persons who do not normally reside in the labor area to fill positions covered by the certificate, notwithstanding the provisions of subparagraph (1c) above.

5. The provisions of 23 CFR 633.207(e) allow the contracting agency to provide a contractual preference for the use of mineral resource materials native to the Appalachian region.

6. The contractor shall include the provisions of Sections 1 through 4 of this Attachment A in every subcontract for work which is, or reasonably may be, done as on-site work.

**THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.**

**Named Insured:** KE&G Construction Inc

**Address (including ZIP Code):**

This endorsement modifies insurance provided under the:

**Commercial General Liability Coverage Part**

**A. Section II – Who Is An Insured** is amended to include as an additional insured any person or organization whom you are required to add as an additional insured on this policy under a written contract or written agreement. Such person or organization is an additional insured only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by:

1. Your acts or omissions; or
2. The acts or omissions of those acting on your behalf,

in the performance of your ongoing operations or "your work" as included in the "products-completed operations hazard", which is the subject of the written contract or written agreement.

However, the insurance afforded to such additional insured:

1. Only applies to the extent permitted by law; and
2. Will not be broader than that which you are required by the written contract or written agreement to provide for such additional insured.

**B. With respect to the insurance afforded to these additional insureds, the following additional exclusion applies:**

This insurance does not apply to:

"Bodily injury", "property damage" or "personal and advertising injury" arising out of the rendering of, or failure to render, any professional architectural, engineering or surveying services including:

- a. The preparing, approving or failing to prepare or approve maps, shop drawings, opinions, reports, surveys, field orders, change orders or drawings and specifications; or
- b. Supervisory, inspection, architectural or engineering activities.

This exclusion applies even if the claims against any insured allege negligence or other wrongdoing in the supervision, hiring, employment, training or monitoring of others by that insured, if the "occurrence" which caused the "bodily injury" or "property damage", or the offense which caused the "personal and advertising injury", involved the rendering of or the failure to render any professional architectural, engineering or surveying services.

C. The following is added to Paragraph 2. Duties In The Event Of Occurrence, Offense, Claim Or Suit of Section IV – **Commercial General Liability Conditions:**

The additional insured must see to it that:

1. We are notified as soon as practicable of an "occurrence" or offense that may result in a claim;
2. We receive written notice of a claim or "suit" as soon as practicable; and
3. A request for defense and indemnity of the claim or "suit" will promptly be brought against any policy issued by another insurer under which the additional insured may be an insured in any capacity. This provision does not apply to insurance on which the additional insured is a Named Insured if the written contract or written agreement requires that this coverage be primary and non-contributory.

D. For the purposes of the coverage provided by this endorsement:

1. The following is added to the Other Insurance Condition of Section IV – **Commercial General Liability Conditions:**

**Primary and Noncontributory insurance**

This insurance is primary to and will not seek contribution from any other insurance available to an additional insured provided that:

- a. The additional insured is a Named Insured under such other insurance; and
- b. You are required by written contract or written agreement that this insurance be primary and not seek contribution from any other insurance available to the additional insured.

2. The following paragraph is added to Paragraph 4.b. of the Other Insurance Condition of Section IV – **Commercial General Liability Conditions:**

This insurance is excess over:

Any of the other insurance, whether primary, excess, contingent or on any other basis, available to an additional insured, in which the additional insured on our policy is also covered as an additional insured on another policy providing coverage for the same "occurrence", offense, claim or "suit". This provision does not apply to any policy in which the additional insured is a Named Insured on such other policy and where our policy is required by a written contract or written agreement to provide coverage to the additional insured on a primary and non-contributory basis.

E. This endorsement does not apply to an additional insured which has been added to this policy by an endorsement showing the additional insured in a Schedule of additional insureds, and which endorsement applies specifically to that identified additional insured.

F. With respect to the insurance afforded to the additional insureds under this endorsement, the following is added to Section III – **Limits Of Insurance:**

The most we will pay on behalf of the additional insured is the amount of insurance:

1. Required by the written contract or written agreement referenced in Paragraph A. of this endorsement; or
  2. Available under the applicable Limits of Insurance shown in the Declarations,
- whichever is less.

This endorsement shall not increase the applicable Limits of Insurance shown in the Declarations.

**THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.**

**Named** Markham Contracting Co., Inc.

**Address (including ZIP Code):** 22820 N. 19th Avenue, Phoenix, AZ 85027

This endorsement modifies insurance provided under the:

**Commercial General Liability Coverage Part**

**A. Section II – Who Is An Insured** is amended to include as an additional insured any person or organization whom you are required to add as an additional insured on this policy under a written contract or written agreement. Such person or organization is an additional insured only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by:

1. Your acts or omissions; or
2. The acts or omissions of those acting on your behalf, in the performance of your ongoing operations or "your work" as included in the "products-completed operations hazard", which is the subject of the written contract or written agreement.

However, the insurance afforded to such additional insured:

1. Only applies to the extent permitted by law; and
2. Will not be broader than that which you are required by the written contract or written agreement to provide for such additional insured.

**B. With respect to the insurance afforded to these additional insureds, the following additional exclusion applies:**

This insurance does not apply to:

"Bodily injury", "property damage" or "personal and advertising injury" arising out of the rendering of, or failure to render, any professional architectural, engineering or surveying services including:

- a. The preparing, approving or failing to prepare or approve maps, shop drawings, opinions, reports, surveys, field orders, change orders or drawings and specifications; or
- b. Supervisory, inspection, architectural or engineering activities.

This exclusion applies even if the claims against any insured allege negligence or other wrongdoing in the supervision, hiring, employment, training or monitoring of others by that insured, if the "occurrence" which caused the "bodily injury" or "property damage", or the offense which caused the "personal and advertising injury", involved the rendering of or the failure to render any professional architectural, engineering or surveying services.

C. The following is added to Paragraph 2. Duties In The Event Of Occurrence, Offense, Claim Or Suit of Section IV – **Commercial General Liability Conditions:**

The additional insured must see to it that:

1. We are notified as soon as practicable of an "occurrence" or offense that may result in a claim;
2. We receive written notice of a claim or "suit" as soon as practicable; and
3. A request for defense and indemnity of the claim or "suit" will promptly be brought against any policy issued by another insurer under which the additional insured may be an insured in any capacity. This provision does not apply to insurance on which the additional insured is a Named Insured if the written contract or written agreement requires that this coverage be primary and non-contributory.

D. For the purposes of the coverage provided by this endorsement:

1. The following is added to the Other Insurance Condition of Section IV – **Commercial General Liability Conditions:**

**Primary and Noncontributory Insurance**

This insurance is primary to and will not seek contribution from any other insurance available to an additional insured provided that:

- a. The additional insured is a Named Insured under such other insurance; and
  - b. You are required by written contract or written agreement that this insurance be primary and not seek contribution from any other insurance available to the additional insured.
2. The following paragraph is added to Paragraph 4.b. of the Other Insurance Condition of Section IV – **Commercial General Liability Conditions:**

This insurance is excess over:

Any of the other insurance, whether primary, excess, contingent or on any other basis, available to an additional insured, in which the additional insured on our policy is also covered as an additional insured on another policy providing coverage for the same "occurrence", offense, claim or "suit". This provision does not apply to any policy in which the additional insured is a Named Insured on such other policy and where our policy is required by a written contract or written agreement to provide coverage to the additional insured on a primary and non-contributory basis.

E. This endorsement does not apply to an additional insured which has been added to this policy by an endorsement showing the additional insured in a Schedule of additional insureds, and which endorsement applies specifically to that identified additional insured.

F. With respect to the insurance afforded to the additional insureds under this endorsement, the following is added to Section III – **Limits Of Insurance:**

The most we will pay on behalf of the additional insured is the amount of insurance:

1. Required by the written contract or written agreement referenced in Paragraph A. of this endorsement; or
  2. Available under the applicable Limits of Insurance shown in the Declarations,
- whichever is less.

This endorsement shall not increase the applicable Limits of Insurance shown in the Declarations.

All other terms and conditions of this policy remain unchanged.

# WAIVER OF TRANSFER OF RIGHTS OF RECOVERY AGAINST OTHERS TO US

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART  
PRODUCTS/COMPLETED OPERATIONS LIABILITY COVERAGE PART

## SCHEDULE

**Name Of Person Or Organization:**

ANY PERSON OR ORGANIZATION THAT REQUIRES YOU TO WAIVE YOUR RIGHTS OF RECOVERY, IN A WRITTEN CONTRACT OR AGREEMENT WITH THE NAMED INSURED THAT IS EXECUTED PRIOR TO THE ACCIDENT OR LOSS.

Information required to complete this Schedule, if not shown above, will be shown in the Declarations.

The following is added to Paragraph 8. **Transfer Of Rights Of Recovery Against Others To Us** of Section IV – **Conditions**:

We waive any right of recovery we may have against the person or organization shown in the Schedule above because of payments we make for injury or damage arising out of your ongoing operations or "your work" done under a contract with that person or organization and included in the "products-completed operations hazard". This waiver applies only to the person or organization shown in the Schedule above.

**THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.**

## **DESIGNATED CONSTRUCTION PROJECT(S) GENERAL AGGREGATE LIMIT**

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

### **SCHEDULE**

**Designated Construction Project(s):**

A GENERAL AGGREGATE LIMIT APPLIES TO EACH CONSTRUCTION PROJECT WHERE THE NAMED INSURED IS PERFORMING OPERATIONS, HOWEVER, A GENERAL AGGREGATE LIMIT DOES NOT APPLY TO ANY CONSTRUCTION PROJECT WHERE THE NAMED INSURED IS PERFORMING OPERATIONS THAT ARE INSURED UNDER A WRAP UP OR ANY OTHER CONSOLIDATED OR SIMILAR INSURANCE PROGRAM.

Information required to complete this Schedule, if not shown above, will be shown in the Declarations.

- A. For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under Section I – Coverage A, and for all medical expenses caused by accidents under Section I – Coverage C, which can be attributed only to ongoing operations at a single designated construction project shown in the Schedule above:
  - 1. A separate Designated Construction Project General Aggregate Limit applies to each designated construction project, and that limit is equal to the amount of the General Aggregate Limit shown in the Declarations.
  - 2. The Designated Construction Project General Aggregate Limit is the most we will pay for the sum of all damages under Coverage A, except damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard", and for medical expenses under Coverage C regardless of the number of:
    - a. Insureds;
    - b. Claims made or "suits" brought; or
    - c. Persons or organizations making claims or bringing "suits".
  - 3. Any payments made under Coverage A for damages or under Coverage C for medical expenses shall reduce the Designated Construction Project General Aggregate Limit for that designated construction project. Such payments shall not reduce the General Aggregate Limit shown in the Declarations nor shall they reduce any other Designated Construction Project General Aggregate Limit for any other designated construction project shown in the Schedule above.
  - 4. The limits shown in the Declarations for Each Occurrence, Damage To Premises Rented To You and Medical Expense continue to apply. However, instead of being subject to the General Aggregate Limit shown in the Declarations, such limits will be subject to the applicable Designated Construction Project General Aggregate Limit.

- B.** For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under Section I – Coverage **A**, and for all medical expenses caused by accidents under Section I – Coverage **C**, which cannot be attributed only to ongoing operations at a single designated construction project shown in the Schedule above:
1. Any payments made under Coverage **A** for damages or under Coverage **C** for medical expenses shall reduce the amount available under the General Aggregate Limit or the Products-completed Operations Aggregate Limit, whichever is applicable; and
  2. Such payments shall not reduce any Designated Construction Project General Aggregate Limit.
- C.** When coverage for liability arising out of the "products-completed operations hazard" is provided, any payments for damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard" will reduce the Products-completed Operations Aggregate Limit, and not reduce the General Aggregate Limit nor the Designated Construction Project General Aggregate Limit.
- D.** If the applicable designated construction project has been abandoned, delayed, or abandoned and then restarted, or if the authorized contracting parties deviate from plans, blueprints, designs, specifications or timetables, the project will still be deemed to be the same construction project.
- E.** The provisions of Section **III** – Limits Of Insurance not otherwise modified by this endorsement shall continue to apply as stipulated.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

## **BLANKET ADDITIONAL INSURED (CONTRACTORS)**

This endorsement modifies insurance provided under the following:

### COMMERCIAL GENERAL LIABILITY COVERAGE PART

1. WHO IS AN INSURED – (Section II) is amended to include any person or organization that you agree in a "written contract requiring insurance" to include as an additional insured on this Coverage Part, but:
  - a) Only with respect to liability for "bodily injury", "property damage" or "personal injury"; and
  - b) If, and only to the extent that, the injury or damage is caused by acts or omissions of you or your subcontractor in the performance of "your work" to which the "written contract requiring insurance" applies. The person or organization does not qualify as an additional insured with respect to the independent acts or omissions of such person or organization.
2. The insurance provided to the additional insured by this endorsement is limited as follows:
  - a) In the event that the Limits of Insurance of this Coverage Part shown in the Declarations exceed the limits of liability required by the "written contract requiring insurance", the insurance provided to the additional insured shall be limited to the limits of liability required by that "written contract requiring insurance". This endorsement shall not increase the limits of insurance described in Section III – Limits Of Insurance.
  - b) The insurance provided to the additional insured does not apply to "bodily injury", "property damage" or "personal injury" arising out of the rendering of, or failure to render, any professional architectural, engineering or surveying services, including:
    - i. The preparing, approving, or failing to prepare or approve, maps, shop drawings, opinions, reports, surveys, field orders or change orders, or the preparing, approving, or failing to prepare or approve, drawings and specifications; and
    - ii. Supervisory, inspection, architectural or engineering activities.
3. The insurance provided to the additional insured by this endorsement is excess over any valid and collectible "other insurance", whether primary, excess, contingent or on any other basis, that is available to the additional insured for a loss we cover under this endorsement. However, if the "written contract requiring insurance" specifically requires that this insurance apply on a primary basis or a primary and non-contributory basis, this insurance is primary to "other insurance" available to the additional insured which covers that person or organization as a named insured for such loss, and we will not share with that "other insurance". But the insurance provided to the additional insured by this endorsement still is excess over any valid and collectible "other insurance", whether primary, excess, contingent or on any other basis, that is available to the additional insured when that person or organization is an additional insured under such "other insurance".
4. As a condition of coverage provided to the additional insured by this endorsement:
  - a) The additional insured must give us written notice as soon as practicable of an "occurrence" or an offense which may result in a claim. To the extent possible, such notice should include:
    - c) The insurance provided to the additional insured does not apply to "bodily injury" or "property damage" caused by "your work" and included in the "products-completed operations hazard" unless the "written contract requiring insurance" specifically requires you to provide such coverage for that additional insured, and then the insurance provided to the additional insured applies only to such "bodily injury" or "property damage" that occurs before the end of the period of time for which the "written contract requiring insurance" requires you to provide such coverage or the end of the policy period, whichever is earlier.

## COMMERCIAL GENERAL LIABILITY

- i. How, when and where the "occurrence" or offense took place;
  - ii. The names and addresses of any injured persons and witnesses; and
  - iii. The nature and location of any injury or damage arising out of the "occurrence" or offense.
- b) If a claim is made or "suit" is brought against the additional insured, the additional insured must:
- i. Immediately record the specifics of the claim or "suit" and the date received; and
  - ii. Notify us as soon as practicable.
- The additional insured must see to it that we receive written notice of the claim or "suit" as soon as practicable.
- c) The additional insured must immediately send us copies of all legal papers received in connection with the claim or "suit", cooperate with us in the investigation or settlement of the claim or defense against the "suit", and otherwise comply with all policy conditions.
- d) The additional insured must tender the defense and indemnity of any claim or "suit" to

any provider of "other insurance" which would cover the additional insured for a loss we cover under this endorsement. However, this condition does not affect whether the insurance provided to the additional insured by this endorsement is primary to "other insurance" available to the additional insured which covers that person or organization as a named insured as described in paragraph 3. above.

### 5. The following definition is added to SECTION V. – DEFINITIONS:

"Written contract requiring insurance" means that part of any written contract or agreement under which you are required to include a person or organization as an additional insured on this Coverage Part, provided that the "bodily injury" and "property damage" occurs and the "personal injury" is caused by an offense committed:

- a. After the signing and execution of the contract or agreement by you;
- b. While that part of the contract or agreement is in effect; and
- c. Before the end of the policy period.
