**Subject:** Support of Knott Development Project

Hello

I am in full support to the proposed Knott Delelopment

I am coach for a couple of local lacrosse teams as well as a father of a son who plays for traveling lacrosse programs that travel to CA, NV, CO, UT, and some east coast areas. I attend these tournaments and always wonder why we are not hosting tournaments. Especially in the fall winter and early spring. When Covid hit the Phoenix area was the center of the lacrosse tournament world. Many teams traveled long distances to play. Comments from visitors were; why don't we host more tournaments. There are plenty of promoters tha would love to run tournaments here.

The development would be a great first step.

Thank you  
Jim Snavely

**Subject:** Kino ice rink

[REDACTED]

This rink would be a great idea. We need a rink in tucson. Just 2 winters ago we had the rink outside and it brought in so many people. Even ones with no experience. People came and had a great time. Think about the money that you could pull in with free skates as well as hockey and learn to play. Tucson needs a rink and soon.

**Subject:** Kino Sports Complex

[REDACTED]

I am writing to you to voice my support for the Kino Sports Complex project by Knott Development. Tucson needs good sports facilities, ESPECIALLY an ice rink. The jobs that will be created not just for the construction period, but long-term, as well as the out of town dollars this complex will bring in will only help elevate our community. The safe, convenient, quality facilities will be a boon to our youth development programs, as well as recreational users.

I am not a Tucson native. I am a transplant who came here for my job at Raytheon. It was a difficult decision to move to this city due to the lack of facilities -- especially an ice rink. Other people have faced the same tough decision as me, and have chosen differently. I'd much prefer to be able to say proudly that I live in a community with top-notch recreation and sports development facilities. I do not have that option right now. PLEASE approve this development project!

Guy Kokes  
Engineering Manager, Raytheon

To whom it may concern

I would like to express my support for the upcoming kino project. Our city and local economy needs this type of project to advance the city as a whole My family, friends and I support the entirety of the project and hope that the Board of Supervisors continues to move forward in completing the development. Thanks you.

Dear Clerk,

Thank you so much to all members of the board for passing the initial phase of development of the ice rink and project at the Kino center. This is fantastic news for our children and the city of Tucson as well as all of Pima County.

I hope that the vote on Tuesday supports the completion of the project. This project will give our youth and community the opportunity to participate and grow in many areas, keeping them in a positive environment and learning skills. I am excited to see all of the development for our entire family to enjoy.

Thank you again for continuing to do what is best for our community.

Gayle Morrison

**Subject:** Kino Sports and Entertainment Complex

To the board of supervisors;

I wanted to extend my full support to the development and construction of the Kino Sports and Entertainment Complex. As a parent this will bring a bounty of opportunity to my child to get out and experience the joy of sport. I look forward to not only enjoying events there but also the prosperity it will bring to our region. Please vote to move forward with this development.

Sincerely,  
Pima County resident Sara Hudoba

**Subject:** Rink

Hello,

I wish to express my excitement for an ice rink to be built in Tucson. It will be much used and loved. I think it will draw more business for the city from traveling teams and benefit our economy in the long run.

Michelle
