Following are my comments for Board of Supervisors Meeting 02-07-23

**Agenda/Procurement Item #27: Dalberg Designs LLC Amendment #1 \$75,000 (MA-PO-22-144)**

The Health Department wants to continue data analysis of medical services for individuals (vulnerable populations).

Participation in health services from Pima County to enhance COVID-109 Vaccination and other mitigation practices that are unnecessary and a waste of funding. Now that T. Cullen has moved to another position, we can excuse and move past mis-information and the awful direction of vaccination, boosters and lockdowns.

**VOTE NO** against any future Amendments, extensions and funding.. **VOTE NO**

**God Bless America**
