Requested Board Meeting Date: August 19, 2013

---

### ITEM SUMMARY, JUSTIFICATION and/or SPECIAL CONSIDERATIONS:

The purpose of the Resolution and Order is to add a segment of Camino Verde Road from Valencia Road to one half mile south of Valencia Road (Brightwater Way) to the list of impact fee eligible projects within the Southwest Benefit Area. Constructing this segment of roadway will allow for a secondary access from the Star Valley neighborhood onto Valencia Road. Currently the residents of Star Valley only have a single access into their neighborhood via Wade Road. The secondary connection provided by Camino Verde is needed due to the increasing traffic volumes in the area.
