Pima County Board of Supervisors
130 West Congress, 11th Floor
Tucson, Arizona 85701

December 16th, 2015

Chairwoman Bronson and Honorable Members of the Board,

I am submitting my letter of resignation for the office of Constable, JP03 (Ajo) effective December 31st 2015. I have had the honor and pleasure to serve as Constable since 2006. It has been a rewarding and challenging career but family circumstances require me to dedicate more time at home and I am unable to fulfill the duties as Constable. I have the utmost respect for the citizens of Pima County and want to thank them for the opportunity to serve on their behalf.

I would like to offer my support to Jose Gonzalez, a retired Pima County Corrections Officer and a native of Ajo, Arizona, who has expressed the desire to perform the duties of Constable. Jose has years of experience dealing with adverse situations and will continue to bring professionalism and integrity to the office of Constable. I would ask the members of the Board of Supervisors to consider him to fill the vacancy I am leaving behind.

I want to thank each of you for everything you due to support the citizens of Pima County.

Respectfully,

George Gradillas
Constable, Ajo Arizona
