To: Clerk Of The Board For Pima County

I request the following comment becomes part of the Agenda comments for the Board of Supervisors Meeting of Tuesday, February 1, 2022.

Item 9 UNFINISHED BUSINESS (12/21/21,1/4/22 and 1/18/22) Discussion/Action: Propose that the Board of Supervisors have a brief "Land Acknowledgement" statement at the beginning of each meeting. This is a repeat of an earlier statement but my feelings remain,

Instead of dividing Americans into separate (and unequal) groups, if you have to have a "statement", how about a statement that we need to quit chipping away at the moral foundation of society and come together, live peacefully, learn self-restraint, and be respectful of others.

And the Board should be leading the way in this regard.

Vote NO on further dividing Pima County residents and Americans.

The following is my comment for the BOS Meeting 02-01-22

**AGENDA ITEM #9**

Land Acknowledgement of Indian Territories.

Again you bring this up for discussion. I think it's because you are hoping we get tired of telling you NO. The BOARD OF SUPERVISORS need to review their Loyalty Oath of Office expressed to support the entire Pima County population. You are supposed to pursue the best for ALL of us. Do not cause divisiveness in our community. Forget an Acknowledgement that focuses on one part of our community. Acknowledge all of us, set a role model so we all work together. VOTE NO.

Agenda Item #9 - Instead of focusing on just one part of our population here in Pima County, I suggesting that you consider all Pima County's residents. Seems like we have here before, and this seems to concentrate on area of our population. And seems racists also. Please VOTE NO
