or Procurement Director Award:

***Contractor/Vendor Name/Grantor (DBA):**

John D. and Catherine T. MacArthur Foundation

***Project Title/Description:**

Safety and Justice Challenge (SJC)

***Purpose:**

The Department of Justice Services requests approval for a no-cost extension (NCE) to continue utilizing round three SJC grant funding (\$500,000), as the total amount has not been fully expended. Upon approval, round three will conclude on 12/31/2023.

***Procurement Method:**

Not Applicable.

***Program Goals/Predicted Outcomes:**

In 2016, Pima County was one of the first implementation sites for the MacArthur Foundation's Safety and Justice Challenge (SJC) grant, which primarily focuses on safely reducing the jail population and reducing racial and ethnic disparities and disproportionalities in our justice system. The County has been awarded a total of three rounds of funding under this grant. This third and final round of SJC funding will focus on the sustainability of existing programs and initiatives, such as supporting deflection and diversion programs, funding a Research Analyst and Data Analyst position with partner agencies, providing transitional housing and "release bags" for the Jail Population Review (JPR) program participants, providing incentives to reduce Failure to Appear (FTAs) and Petitions to Revoke (PTR), among other programs and projects.

***Public Benefit:**

Funding will meet grantor expectations and County's obligation to build on efforts to reduce the jail population and reduce racial and ethnic disparities in the local justice system.

***Metrics Available to Measure Performance:**

The MacArthur Foundation continues to:

- a) Monitor operations under this grant via submission of financial and programmatic reports.
- b) Discuss strategies and progress with Pima County staff.
- c) Review financial and other materials and data connected with grant activities.

***Retroactive:**

Yes, round three funding concluded on 12/31/2022. County requested NCE in 02/2023. SJC formal approval for the requested NCE was granted to the County on 03/14/2023. If not approved, the County will not be able to access round three funding, which would cease all grant strategies and sustainability efforts planned for the remainder of the year.
