Following are my comments for the 04-19-22 Board of Supervisors Meeting on Addendum 1

## Item #4 Employment Contract Chuck Huckleberry

Extensive examination of this past activity by employee, C.Huckleberry and all those who decided to keep a secret about his changed status is necessary to understand the so-called transparency in government for Pima County. Don't rush to figure out all the intricacies of this charade, it's a disgrace.

I request the following comment becomes part of the Addendum to the Agenda for the Board of Supervisors Meeting of Tuesday, April 19, 2022.

Addendum items 3-6 pertaining to County Supervisor position  
Item 3 Employment Contract for County Administrator, Item 4 Employment Contract of Former County Administrator, Item 5 Board of Supervisor Policy Regarding Senior Leadership Notification and Consent of Retirement and Return-to-Work, Item 6 Personnel Policy - Change in Employment Status

Shame on you Supervisors. You've failed your fiduciary responsibility.

Can we citizens trust you to find an equitable solution to the Huckleberry fiasco?

Can we trust you to correct this costly snafu for the future?

Although too late the statement suggested by Dr. Heinz is a beginning: "Under no circumstances shall the county administrator or any person in a county leadership role be able to retire and return to work without the full knowledge of the Board of Supervisors and the public."
