**Agenda Items #9 and 19.**

No! Stop accepting federal funding for asylum seekers. Stop contracting with Catholic Community Services of SO Az.

**Agenda Item #25.**

Yes! I support the work of the officers in the Sheriff's Department and the use of Search & Rescue Aircraft to reduce crime.

**Agenda Items #26 and 27.**

Is this innocent collection of data? When is data collection too much? This surveillance ties in with Smart and 15 minute cities.

We oppose data collection and surveillance. How will you use this data?

**Agenda Item #41**

We want nothing to do with Agenda 2030 or the WHO, and nothing to do with being in a constant mindset of fear of the "next pandemic"

**Addendum item #4: Catholic Community Services (CCS) Contract - Procurement Concern**

What kind of oversight has Pima County in place for CCS? What checks and balances are in place for taking millions of federal funding? It is time to get out of the asylum seeker business.
