To whom it may concern:

My name is Bethany Munson and I am an attorney at the Pima County Office of Children's Counsel. I had the pleasure of working with David Miller for almost three years at this office.

David is an excellent attorney. He is thorough and detailed-oriented. David also has extensive knowledge of juvenile rules and case law- my colleagues and I could always rely on David for a quick answer if we forgot a rule or case name. David handled many appeals for us and is a great writer. His advocacy is also creative and adaptable. I often staffed issues with him, and he pushed my own advocacy by helping me brainstorm legal arguments to support my clients' positions.

My office represents children from diverse backgrounds- many of their families struggle with poverty, homelessness, substance abuse. This job requires child's attorneys to remain trauma informed, thoughtful, and patient while working with children to develop their legal positions. While working here, David interacted well with his minor clients and expertly advocated for their positions in court. I am confident in David's ability to respectfully and thoughtfully collaborate with people of all backgrounds.

Lastly, David is just a great colleague and friend. He is a good listener and supportive, and David brings an excellent sense of humor to the table.

The Justice Court would be lucky to have David as Justice of the Peace for Precinct 6. Please reach out if you would like to discuss David further. Thank you for your time.

Sincerely,

**Bethany R. Munson (she/they)**

To whom it may concern,

I am an attorney who has worked as professional colleagues and opposing counsel over the past five years with David Miller. I am writing to recommend him for the Justice of the Peace position in precinct 6. Over the past 5 years, I have had numerous cases with David. He is a consummate professional, extremely well prepared, and very knowledgeable. Having had numerous conversations with David outside of court about cases and happenings at Juvenile Court, he has shown himself to be consistently fair and reasonable. I have no question that he would be an excellent justice of the peace, and he would be fair to everyone while being consistently prepared and respectful to all litigants. Thank you for your consideration.

Brian
