***Title:**

Pima County Workforce Investment Board

***Introduction/Background:**

The Pima County Workforce Investment Board (WIB) serves as the local workforce development board as outlined within the Workforce Innovation and Opportunity Act that supports workforce development activities within Pima County.

The WIB provides recommendations on local workforce policy and provides oversight of the local workforce development system that connects eligible adults, dislocated workers, veterans and youth to local in-demand industries. WIB members are appointed by the Pima County Board of Supervisors and represent local business, workforce, community- based organizations, economic development, and other mandated partners under the act.

***Discussion:**

Karen Molina, Raytheon’s Workforce Learning Manager seeks re-appointment to the WIB. Ms. Molina is active and engaged in conversations surrounding workforce development strategies and as a large employer in Pima County regularly hires Pima County One Stop customers. Ms. Molina represents the business category.

***Conclusion:**

Appointment by the Board of Supervisoors ensures compositional requirements of the local workforce development board.

***Recommendation:**

Staff recommend the re-appointment of Ms. Molina.

***Fiscal Impact:**

None.

To whom it may concern:

I would like to recommend the recertification of Karen Molina to the Pima County WIB Board. As a member of the Private Sector, Karen represents one of the largest employers in Pima County. Her position at Raytheon as a decision maker and member of the management staff makes her membership to the Pima County WIB vital to its integrity.
