# Changes in Educational Landscape

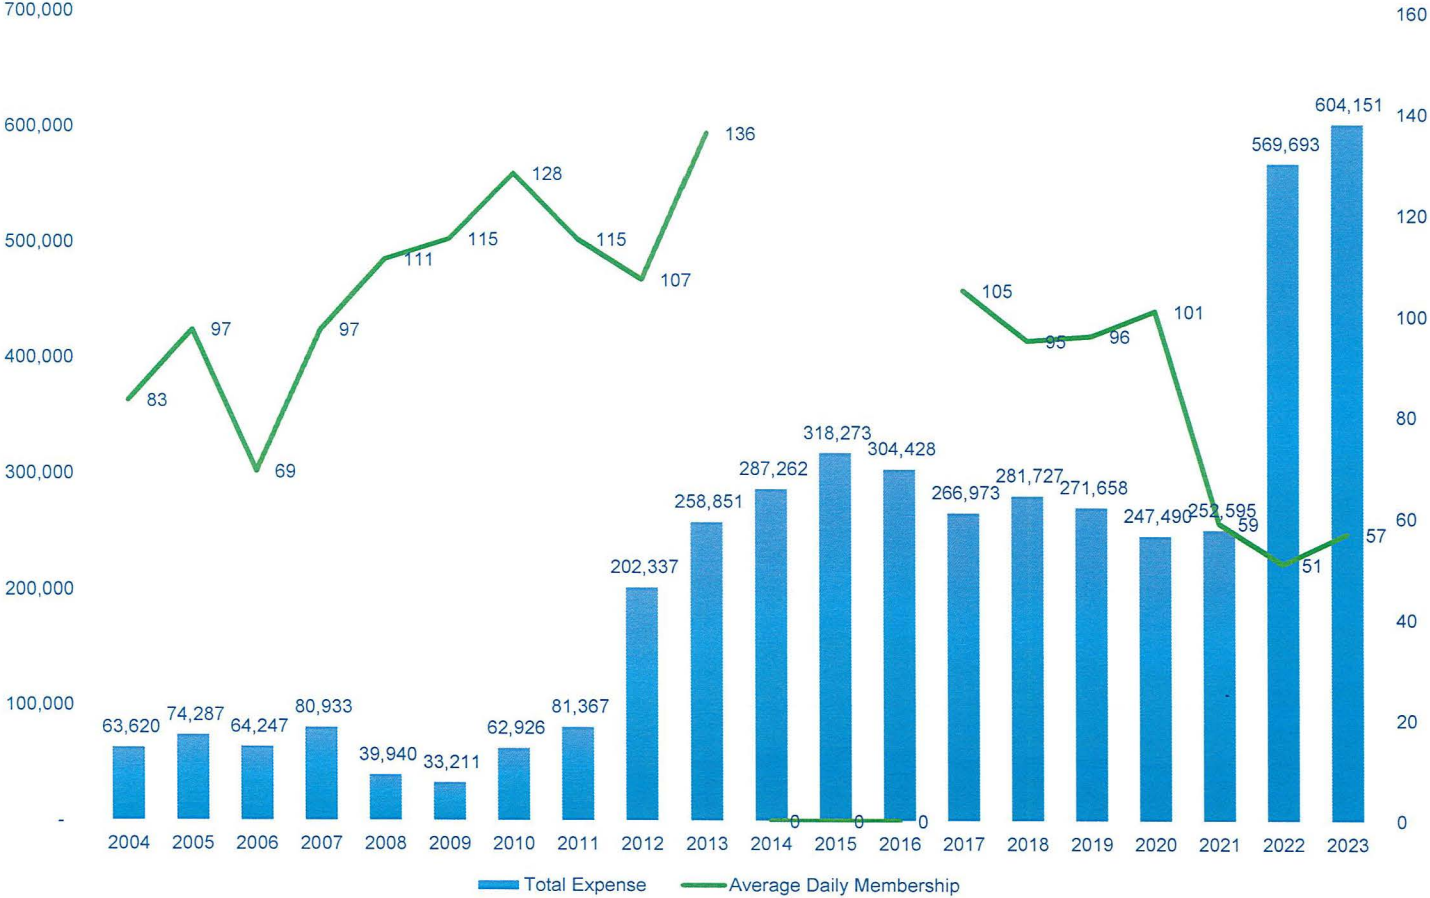

- Joint Technical Education District -- 2007
  - Students, under 22 years old, enrolled in schools or seeking GED
  - Located throughout Pima County
  - Career and Technical Education (CTE) programming toward industry certification and diversified career opportunities
- Alternative charter schools
- District alternative schools
- Diminished relevancy of original Pima Vocational High School mission

# Potential Alternative School Options

- Alta Vista High School
- Compass High School
- Envision High School
- Mountain Rose Academy
- Ombudsman Arizona High School
- Pima Rose Academy
- Project MORE – TUSD
- Sonoran Science Academy
- Southgate Academy
- STAR Academic High School – Sunnyside
- Toltecali High School
- Tucson International Academy

## Pima Vocational High School General Fund Support and Average Daily Membership - FY2004 - FY2023

# PVHS Today

- Decreased average daily enrollment trend that preceded COVID and continues to the present
- Student assessment scores substantially below County average
- Increased General Fund support with very high per-pupil spending
- Leadership and staffing challenges
- **Staff recommendation:**
  - *Surrender charter and plan for the orderly transition*
  - *Continue to finalize individual transition plans for remaining students*
