MEMORANDUM

DATE: April 15, 2020
TO: Julie Castañeda, Clerk of the Board
FROM: Betty Villegas, District Five Supervisor 
REGARDING: Item for the April 21, 2020 agenda addendum

Please add the following to the April 21, 2020 agenda addendum:

Board of Supervisors

The Small Business Commission meets on Thursday, April 16, and will discuss issues associated with federal assistance to help small businesses deal with the COVID-19 pandemic. The county administrator on Monday, April 13, directed his economic development staff members to research publically alleged disparities in how this federal small-business assistance is being administered via large banking institutions. He asked for a report from these staff members on Friday, April 17. The Board of Supervisors needs to hear from the commission and from the economic development staff members on April 21. The board should consider recommended actions or other actions that the board believes can address issues associated with this critical federal funding. Discussion/action.

Thank you
