Evening,

I write this in an effort to urge you to vote against the pay increase for Huckleberry. As a tax paying citizen of Pima County I am requesting instead that you put Chucks potential 5% raise back into our community via ACTUALLY fixing our roads, investing in community programs, getting our schools back on track, support the Pima council on aging and the drastic hit our elderly of Pima county are taking due to covid! Or better yet, stop taxing your people into poverty!
