To whom it may concern,
I echo all of these sentiments in regards to Chuck Huckleberry's new contract. You are the enemy of the citizens of Tucson and should be ashamed. The despair felt by all who suffer under these Covid mandates and policies is on your heads forever.

Tyrant, hypocrite, corrupt autocrat...all of these describe the man who has made your life hell this past year. He is responsible for your lost jobs, your closed businesses, children missing out on education, the suicides in our community by people bereft of hope. His failed policies have not only done nothing to stop the virus, they have greatly INCREASED suffering, death, and destruction in our community.

And (gasp!) he's been caught violating the ridiculous mask mandate just weeks ago! He threatened the permanent closure of our business for the same.

Chuck Huckleberry shouldn't be given a raise, he should be in jail.

His policies aren't about health; they're about POWER, elitist privilege, and controlling your lives. Like so many power-bloated, fat-cat corrupt politicians around the country, the "little kings" at the top live by "one rule for thee, another for me." They bully and destroy those they can't control.

Good Afternoon Supervisors,
I am shocked that Mr. Huckleberry is requesting a raise and a contract extension during a pandemic that is causing small businesses to close, County employees to be laid off and/or have been told to take mandatory time off without pay or be furloughed.

In what world does giving him a raise seem like a good idea???? We need new leadership in Pima County!

YOU as the Board need to stop the madness! Stand up for what's right! PLEASE! Do not fail your constituents!

Thank You,

Gena Cox-Dorman

Supervisors,

I keep hearing this same quote, if you will " we are all in this together", " everyone is in the same boat" .

At this point I feel that we are being forced into a recession - Pima County is trying to stay afloat with the current forced Economic situation , during a pandemic that is causing small businesses to close.

County employees to be laid off and/or have been told to take mandatory time off without pay or be furloughed.

Outraged - It was just brought to my attention that Mr. Huckleberry is requesting a raise and a contract extension. What ??????

Well that just seems crazy - What "boat" is Mr. Huckleberry on, I know it's not the same as mine nor the same as the small family business that is thriving to make ends meet, laying off staff.

Mr. Huckleberry is NOT "in this all together" otherwise he would Not be asking for a raise.

Please do what is right and do not approve this!!!

Thank You

Dee Patterson

Good Afternoon Supervisors,
I am disgusted that Mr. Huckleberry is requesting a raise and a contract extension! Pima County busniess are being closed, schools shut down, tax revenue down, County emplyoees layed off or forced to take madatory time off. Why would givng Mr. Huckleberry seem like a good idea. He has been over paid for years.

We need new leadership in Pima County!

YOU as the Board need to stop the madness! Stand up for what's right! PLEASE!
Do not fail your constituents!
Thank You,
Corey Dorman

Mr Huckleberry would like a raise to \$315,000? Who is this person? What do they ACTUALLY do that warrants that level of pay? I am adamantly opposed to this. I'm a Paramedic in both the busiest ER in town, that is being ravaged by COVID right now and on an ambulance. Yes, I have TWO jobs just to make ends meet. In the ER, I make \$23.40/hr and that includes the night shift differential I receive. On the ambulance, I make \$15.25/hr. If this gentleman takes issue with his salary, I will GLADLY accept his position and his salary at the \$288,000/yr rate, saving both him the burden of the stress related to his position AND the taxpayers the burden of financing his raise. In return, I offer him both of my positions on the front lines of COVID. Believe me, I could use that money to pay off my newly acquired \$50,000 in student loan debt to earn my Bachelors of Science in Nursing.

Dear whom ever..

You are out of your mind if you give him a raise. People are struggling. Broke. He's an ass for requesting one.

Good riddens.

Best,
THE PEOPLE
