Magee Rd, La Canada Dr to Oracle Rd (SR77)

Select Development & Construction

Requested Subcontractor: Desert Barricades, LLC

Reason for additional Subcontractor:

- To Increase minority Participation
- To delegate risk and responsibility
- Due to extended workloads on other projects, Select's traffic control equipment is not currently available, so we are looking for Desert Barricades to supplement our inventory
- Coordination with ADOT along Oracle Rd (SR77) requires specialized attention that Desert Barricades is better prepared to deal with.

Why not originally listed at bid time:

- Due to late bid submissions, these subs were still under review
- With projects scheduled to wind down, it was believed that Select's signage would be available for use on this project.
