Greetings,

Please add my comments into official records.

Why are you still planning on spending Federal dollars for COVID?  
See grant GR\_GTAM 23-15, aka Federal grant award # NU90TP922004?  
Grant period: 7/1/2019 - 6/30/2024

Joe Biden has publicly stated that COVID is over.  
More importantly, why did this grant start in July 1, 2019?  
Where you aware of COVID prior to January /February 2020?  
How so? Was this pandemic planned?

Also, you have circumvented Arizona State Legislation to collude with Federal Government?  
You are still doing this? We are done with COVID and the like.

Furthermore, the grant end date is 6/30/2024. Does this mean you are planning the next pandemic?  
Maybe for the next Presidential Election, like the Marburg Virus, a hemorrhaging fever?  
People talk and things like this cannot be contained. We know!

I copied AG Brnovich to investigate this collusion.  
Have a nice day!
