JOB ORDER MASTER AGREEMENT

This Agreement is entered into between Pima County, a body politic and corporate of the State of Arizona, hereinafter called DISTRICT, and The Ashton Company, Inc. Contractors and Engineers, Borderland Construction Company, Inc., Hunter Contracting Co., K E & G Construction, Inc., Rummel Construction, Inc., hereinafter called CONTRACTOR in the singular, CONTRACTORS in the plural, collectively referred to as the Parties.

WITNESSETH

WHEREAS, DISTRICT has a need to establish an Agreement with up to Five (5) Job Order Contractors for FLOOD CONTROL AND DRAINAGE IMPROVEMENT Contracting Services; and

WHEREAS, DISTRICT conducted a competitive qualifications-based procurement for Job Order Contractors under Solicitation # 265942; and

WHEREAS, based on an evaluation of the respondents' representations of their qualifications and necessary due diligence, DISTRICT selected the Five (5) highest qualified CONTRACTORS as Job Order Contractors; and

WHEREAS, the Job Order Contractors have agreed to be bound by and adhere to the requirements of this Agreement.

NOW, THEREFORE, in consideration of the foregoing recitals and other valuable and good consideration the Parties hereto agree as follows:

ARTICLE 1 - BASIC TERMS

This Master Agreement (Agreement), as approved by the Board of Directors commences on October 17, 2017 and terminates on October 16, 2018, unless sooner terminated or further extended pursuant to the provisions of this Agreement. This Agreement establishes the terms under which the Job Order Contractors will be assigned and perform tasks and projects under this Agreement. DISTRICT, at its sole discretion, may extend up to four (4) additional one-year terms or add funding to this Agreement at any time with the acknowledgement of the CONTRACTORS and the Board of Directors or the Procurement Director approval pursuant to Board of Supervisor Policy D29.4.

Individual job orders will be implemented by issuing a Delivery Order (DO) to the selected Job Order Contractor to perform the work. Each DO will be an independent contract that will incorporate and be subject to the terms of this Agreement. The terms "DO", "Job Order", and "Contract" are used interchangeably in this Agreement.

For projects less than \$200,000.00, and during emergency situations, the DISTRICT may select a CONTRACTOR based on availability, specialty, or such other basis as the DISTRICT may determine in its sole discretion. During emergency situations requiring immediate attention by DISTRICT (ie. Flooding or other disaster prevention) the DISTRICT reserves the right to select a Job Order Contractor on a non-competitive basis for the work. In addition, the requirement that a Job Order Contract be in place prior to the initiation of work is waived during such an event. During such an emergency, a CONTRACTOR may be contacted and given instructions by a DISTRICT Project Manager to perform the work immediately without an approved Job Order. It is understood that the DISTRICT will prepare a Job Order as soon as practicable following said instructions.

For projects of \$200,000.00 or more, the CONTRACTORS will compete on the basis of price or price and schedule through a simplified quoting procedure. Price may be either fixed price or a guaranteed maximum price.

No individual Job Order may exceed \$1,000,000.00, including change orders.

Regardless of dollar value, all federally funded Job Orders will be competitively bid among all CONTRACTORS.

CONTRACTOR(S) must provide a cost estimate (quote) within five (5) working days of the request for a quote in order to be considered eligible for award of the Job Order and must begin the work within five (5) working days of the beginning date on the Job Order (Notice to Proceed), unless otherwise specified in the DISTRICT'S request.

In the event a CONTRACTOR performs poorly on one or more projects (ie. Change orders are commonplace, poor quality construction, work not performed according to applicable Standards, design plans, specifications, etc.; or by whatever means the DISTRICT defines and documents "poorly" to be), the DISTRICT reserves the right to automatically select an alternative CONTRACTOR under this Agreement for subsequent work irrespective of the price.

The DISTRICT will attempt to assign projects equitably for prices less than \$200,000, withstanding the above conditions, unless a CONTRACTOR is more suited ("more suited" as defined by the DISTRICT) to a particular type of work which happens to be occurring more frequently than other types of work. Under these circumstances, the DISTRICT has no obligation under this Agreement to equitably distribute the work. (ie. CONTRACTOR A has a particular niche for cost effectively cleaning out culverts and culvert cleaning is needed at a number of locations within the same time frame, the DISTRICT reserves the right to select CONTRACTOR A for all the work)

These services are subject to the Pima County Code, Title 20, and Chapter 20.04, pertaining to participation of subcontractors. The Pima County SBE Program is a race and gender neutral program established to encourage contracting with all small businesses. A minimum goal of **five percent** (5%) for participation by Small Business Enterprises (SBEs) of the total amount of the annual agreement applies to each Job Order Contractor individually. Only firms listed on the *City of Tucson Small Business Enterprise Certified Business Directory* are eligible to meet the SBE goal. The current list of certified SBE firms can be located on the City of Tucson's Procurement Website, http://www.tucsonprocurement.com/assets/SBEDirectory.pdf

The CONTRACTOR shall supply a year-to-date subcontractor and SBE utilization report covering the entire master agreement to date to the Pima County Procurement Department, Business Enterprise Division on a quarterly basis. If the CONTRACTOR has experienced difficulties in achieving the SBE goal, they may present a Certificate of Good Faith Effort/Request for Waiver at that time.

For projects that are federally-funded, a Disadvantaged Business Enterprise (DBE) goal pursuant to Pima County Code Title 20, must be established for the individual Job Order and does not apply toward the five percent (5%) SBE goal.

Construction completion time for work to be performed under this Agreement will be as stated in individual Job Orders issued under this Agreement. DISTRICT will assess Liquidated damages against CONTRACTOR based upon the construction completion time, if so specified in a Job Order.

Each CONTRACTOR will select subcontractors in accordance with CONTRACTOR'S Subcontractor Selection Plan, incorporated herein by reference.

All warranty and indemnification obligations under this Agreement survive expiration or termination of the Agreement, unless expressly provided otherwise. Any indemnification provision inconsistent with A.R.S. § 34-226, is, in all cases, not void, but will be interpreted and applied as if it were consistent with A.R.S. § 34-226.

ARTICLE 2 - SCOPE OF SERVICES

CONTRACTOR will provide for DISTRICT all labor, materials and equipment necessary to complete the work identified in individual Job Orders awarded to CONTRACTOR under this Agreement. The scope of work under this Agreement is more fully set forth in Exhibit "A" Scope of Work (2 pages), attached and incorporated herein. All work will be done per specifications called for in Job Orders, Exhibit "B" General Conditions (12 Pages), Exhibit "C" Special Conditions — Multiple Award Job Order Contract (10 Pages), and other documents incorporated into this Agreement, all made a part hereof.

ARTICLE 3 - COMPENSATION AND PAYMENT

CONTRACTOR will provide detailed documentation in support of each requested payment. Any payments under this Article do not prevent DISTRICT from objecting to charges after payment therefor in appropriate cases, or from seeking reimbursement for any such charges. Payments will be made in accordance with A.R.S. §§ 34-607 and 34-221.

CONTRACTOR must cite the Delivery Order number on all invoices.

For the period of record retention required under **Article 24**, DISTRICT reserves the right to question any payment made under this Article and to require reimbursement therefor by setoff or otherwise for payments determined to be improper or contrary to the Agreement or law

CONTRACTOR will not perform work in excess of the Delivery Order Amount without prior authorization by an amendment executed by DISTRICT. Work performed in excess of the Agreement Amount without prior authorization by amendment is at CONTRACTOR'S own risk.

ARTICLE 4 - FEDERAL FUNDING

DISTRICT and CONTRACTOR understand that the Job Orders under this Agreement may be funded partially or entirely through a federal grant or other source of federal funding. For those Job Orders that are identified as being federally funded, Federal Labor Standards will be applicable to that Job Order, and the additional requirements (federal forms) will be attached to and be a part of the Job Order. See **Exhibit "D" Supplemental Provisions for Federal-Aid Construction Contracts (3 pages)**. CONTRACTOR agrees to be bound by all such requirements and to comply therewith, including the payment of prevailing wages under the Davis Bacon Act (AZ. Wage Decision) Minimum wage

rate, withholding, payroll, apprentice, subcontracting, and termination provisions and the Work Hour and Safety Standards Act related to overtime pay and safety.

CONTRACTOR will not subcontract on any federally-funded Job Order with any firm or person listed in the Federal Government's System for Award Management (SAM) system (https://www.sam.gov/portal/public/SAM) with an active exclusion.

Pima County shall be named as a "Loss Payee". CONTRACTOR is responsible for equipment, materials, and supplies until completion of the project and acceptance by COUNTY.
- 5.1.5 Claim-Made Insurance Coverage If any part of the Required Insurance is written on a claims-made basis, any policy retroactive date must precede the effective date of this Contract, and CONTRACTOR must maintain such coverage for a period of not less than three (3) years following Master Agreement expiration, termination or cancellation.

- Additional Insured: The General Liability and Business Automobile Liability Policies shall each be endorsed to include **Pima County**, its departments, districts, boards, commissions, officers, officials, agents, and employees as additional insureds with respect to liability arising out of the activities performed by or on behalf of CONTRACTOR.

Neither the COUNTY'S failure to obtain a required insurance certificate or endorsement, the COUNTY'S failure to object to a non-complying insurance certificate or endorsement, or the COUNTY'S receipt of any other information from the CONTRACTOR, its insurance broker(s) and/or insurer(s), constitutes a waiver of any of the Insurance Requirements.

ARTICLE 6 - INDEMNIFICATION

To the fullest extent permitted by law, CONTRACTOR indemnifies and holds harmless DISTRICT, its officers, employees and agents from and against any and all suits, actions, legal administrative proceedings, claims or demands and costs attendant thereto, including reasonable attorney's fees and court costs, to the extent caused by any negligent, reckless or intentionally wrongful act or omission of CONTRACTOR, its agents, employees or anyone acting under its direction or control or on its behalf in connection with performance of this Agreement. At no time will the cumulative value of the bonds be less than the total value of the construction performed by CONTRACTOR under this Agreement, including Job Orders awarded to CONTRACTOR but not yet completed.

If bonds are secured on a Job-Order by Job-Order basis, the Contracting Department will obtain the appropriate bonds from CONTRACTOR upon issuance of a Job Order and release of the Delivery Order.

CONTRACTOR will be responsible for program development and operation without supervision by DISTRICT.

ARTICLE 10 - CONTRACTOR/SUBCONTRACTOR PERFORMANCE

CONTRACTOR will perform the work in accordance with the terms of the Agreement and with the degree of care and skill which a licensed contractor in Arizona would exercise under similar conditions. CONTRACTOR will employ suitably trained and skilled personnel to perform all required services under this Agreement. Prior to changing any key personnel, especially those key personnel DISTRICT relied upon in making this Agreement, CONTRACTOR will obtain the approval of DISTRICT.

CONTRACTOR is responsible for the professional quality, technical accuracy, timely completion, and the coordination of all its effort and other services furnished by CONTRACTOR under this Agreement. Without additional compensation, CONTRACTOR will correct or revise any errors, omissions, or other deficiencies in all products of its efforts and other services provided. This includes resolving any deficiencies arising out of the acts or omissions of CONTRACTOR found during or after the course of the services performed by or for CONTRACTOR under this Agreement, regardless of DISTRICT having knowledge of or condoning or accepting the products or the services. Correction of such deficiencies will be at no cost to DISTRICT.

CONTRACTOR will ensure that all SUBCONTRACTORS have the appropriate and current license issued by the Arizona Registrar of Contractors for work they perform under this Agreement. CONTRACTOR will not permit any SUBCONTRACTOR to perform work that does not fall within the scope of the SUBCONTRACTOR'S license, except as may be permitted under the rules of the Registrar of Contractors.

CONTRACTOR will be fully responsible for all acts and omissions of its SUBCONTRACTOR(S) and of persons directly or indirectly employed by a SUBCONTRACTOR and of persons for whose acts any of them may be liable to the same extent that CONTRACTOR is responsible for the acts and omissions of persons directly employed by it. Nothing in

this Agreement creates any obligation on the part of DISTRICT to pay or see to the payment of any money due any SUBCONTRACTOR, except as may be required by law.

ARTICLE 13 - AMERICANS WITH DISABILITIES ACT

CONTRACTOR will comply with all applicable provisions of the Americans with Disabilities Act (Public Law 101-336, 42 U.S.C. 12101-12213) and all applicable federal regulations under the Act, including 28 CFR Parts 35 and 36. If CONTRACTOR is carrying out government programs or services on behalf of DISTRICT, then CONTRACTOR will maintain accessibility to the program to the same extent and degree that would be required of DISTRICT under 28 CFR Sections 35.130, 35.133, 35.149 through 35.151, 35.160, 35.161 and 35.163. Failure to do so could result in the termination of this Agreement.

ARTICLE 14 - AUTHORITY TO CONTRACT

CONTRACTOR warrants its right and power to enter into this Agreement. If any court or administrative agency determines that DISTRICT does not have authority to enter into this Agreement, DISTRICT will not be liable to CONTRACTOR or any third party by reason of such determination or by reason of this Agreement.

ARTICLE 15 - NON-WAIVER

The failure of DISTRICT to insist in any one or more instances upon full and complete compliance with any of the terms and provisions of this Agreement or to take any action permitted as a result thereof is not a waiver or relinquishment of the right to insist upon full and complete performance of the same or any other covenant or condition either in the past or in the future. The acceptance by either party of sums less than may be due and owing it at any time is not an accord and satisfaction.

ARTICLE 16 - CANCELLATION FOR CONFLICT OF INTEREST

This Agreement is subject to the provisions of A.R.S. §38-511 which provides in pertinent part:

"The state, its political subdivisions or any department of either may, within three years after its execution, cancel any contract, without penalty or further obligation, made by the state, its political subdivisions, or any of the departments or agencies of either if any person significantly involved in initiating, negotiating, securing, drafting or creating the contract on behalf of the state, its political subdivisions or any of the departments or agencies of either is, at any time, while the contract or any extension of the contract is in effect, an employee or agent of any other party to the contract in any capacity or a CONTRACTOR to any other party to the contract with respect to the subject matter of the contract."

ARTICLE 17 - TERMINATION OF CONTRACT FOR DEFAULT

- A. Upon a failure by CONTRACTOR to cure a default under this Agreement within ten (10) days of receipt of notice from DISTRICT of the default, DISTRICT may, in its sole discretion, terminate this Agreement for default by written notice to CONTRACTOR. In this event, DISTRICT may take over the work and complete it by Agreement or otherwise. CONTRACTOR and its sureties, if any, will be liable for any damage to DISTRICT resulting from CONTRACTOR'S default, including any increased costs incurred by DISTRICT in completing the work.
- B. The occurrence of any of the following constitutes an event of default:
 - 1. Abandonment of or refusal or failure to prosecute the work or any separable part thereof with the diligence that will insure completion within the time specified in this Agreement, including any extension, or a failure to complete the work (or the separable part of the work) within the specified time;
 - 2. Persistent or repeated refusal or failure to supply enough properly skilled workers or materials to perform the work on schedule;
 - Failure to provide competent supervision at the site;
 - 4. Failure to take down, rebuild, repair, alter or amend any defective or deficient work, or to remove any defective or deficient Material;
 - 5. Failure to make prompt payment to SUBCONTRACTORS or suppliers for material or labor;
 - Loss of CONTRACTOR'S business or other required license or authority, or any curtailment or cessation for any reason of business or business operations that would substantially impair or preclude CONTRACTOR'S performance of this Agreement;
 - 7. Disregard of laws, ordinances, or the instructions of DISTRICT or its representatives, or any otherwise substantial violation of any provision of the Agreement; or
 - 8. If a voluntary or involuntary action for bankruptcy is commenced with respect to CONTRACTOR, or CONTRACTOR becomes insolvent, makes a general assignment for the benefit of creditors, or has a receiver or liquidator appointed in respect of its assets.
- C. In the event of a termination for default:
 - All finished and unfinished as-builts, shop drawings, documents, data, studies, surveys, drawings, photographs, reports and other information in whatever form, including electronic, acquired or prepared by CONTRACTOR for this project become DISTRICT'S property and will be delivered to DISTRICT not later than five (5) business days after the effective date of the termination;
 - DISTRICT may withhold payments to CONTRACTOR arising under this or any other Agreement for the purpose of set-off until such time as the exact amount of damage due DISTRICT from CONTRACTOR is determined; and
 - 3. Subject to the immediately preceding subparagraph (2), DISTRICT'S liability to CONTRACTOR will not exceed the reasonable value of work satisfactorily performed prior to the date of termination for which payment has not been previously made.
- D. Neither this Agreement nor any job order issued under this Agreement will be terminated for default or the CONTRACTOR responsible for damages under this Article, if—
 - 1. Excepting item (8) in paragraph B above, the event of default or delay in completing the work arises from unforeseeable causes beyond the control and without the fault or negligence of CONTRACTOR. Examples of such causes include—
 - (i) Acts of God or of the public enemy,
 - (ii) Acts of DISTRICT in either its sovereign or contractual capacity,
 - (iii) Acts of another contractor in the performance of a Contract with DISTRICT,
 - (iv) Fires,
 - (v) Floods,
 - (vi) Epidemics,
 - (vii) Quarantine restrictions.
 - (viii) Strikes,
 - (ix) Freight embargoes,
 - (x) Unusually severe weather, or

- (xi) Delays of SUBCONTRACTORS or suppliers at any tier arising from unforeseeable causes beyond the control and without the fault or negligence of both CONTRACTOR and the SUBCONTRACTORS or suppliers; and
- 2. CONTRACTOR, within three (3) days from the beginning of any event of default or delay (unless extended by DISTRICT), notifies DISTRICT in writing of the cause(s) therefor. In this circumstance, DISTRICT will ascertain the facts and the extent of the resulting delay. If, in the judgment of DISTRICT, the findings warrant such action, the time for completing the work may be extended.
- E. For the purposes of paragraph A above, "receipt of notice" includes receipt by hand by CONTRACTOR'S onsite project manager, facsimile transmission, or under the Notices clause of this Agreement.

ARTICLE 5 ~ RESERVED

ARTICLE 6 - DELAY

If the number of calendar days in CONTRACTOR'S schedule plus the grace period specified in the above paragraph equals or exceeds the number of calendar days for completion stated in the solicitation, then the completion period will be as stated in the solicitation and there will be no grace period.

DISTRICT and CONTRACTOR have agreed upon the Project scope, total price, and schedule for the performance of the work. The agreed schedule represents a firm commitment by CONTRACTOR and DISTRICT to complete the work within the schedule identified in this Contract, as it may be adjusted from time to time.

DISTRICT and CONTRACTOR understand that events may occur that delay or disrupt the schedule or require a change in the level of resources or effort. Therefore, the Contract may be adjusted as follows for Delays:

- 1. A delay in the work attributable to DISTRICT is an excusable delay for which an adjustment may be made to the schedule. In any such case the schedule of the affected task or activity may be extended one day for each day of DISTRICT-caused delay; provided, however, that if the DISTRICT-caused delay overlaps a period of delay attributable to any other cause, the extension for DISTRICT-caused delay is limited to the number of non-overlapped days of DISTRICT-caused delay.
- 2. There is no adjustment for any CONTRACTOR-caused delay in the work, including time to repair or replace defective work. In the event of a significant CONTRACTOR-caused delay exceeding three (3) workdays, CONTRACTOR will provide a recovery plan to DISTRICT within five (5) days of DISTRICT's request.
- 3. A delay in the work attributable to any other cause, including strikes, lockouts, fire, unusual delay in transportation, unavoidable casualties or any causes beyond the control of DISTRICT or CONTRACTOR and that arises without the fault or negligence of either, is an excusable delay for which DISTRICT and CONTRACTOR agree to negotiate an appropriate schedule adjustment. If the period of delay attributable to any cause under this paragraph overlaps a period of delay attributable to any other cause, the adjustment under this paragraph will be made first and the delay attributed to such other cause will be limited to that occurring outside of the overlap.
- 4. If any of the causes of delay in Paragraphs 1 or 3 above affects a task or activity on the critical path, then the schedule adjustment may include adjustment to the completion date. If the cause does not affect a task or activity on the critical path, then the adjustment will be made from Float and the completion date shall not be changed.

- 5. If any of the causes of delay in Paragraphs 1 or 3 above results in material provable additional costs to the affected task or tasks as a result of disruption of the schedule, then the parties will negotiate an equitable adjustment therefor.
- 6. DISTRICT and CONTRACTOR will negotiate an equitable adjustment of cost for any task or tasks for which there is any significant change in the level of effort arising from additional or changed work requested or directed in writing by DISTRICT that materially deviates from or adds to the work.

CONTRACTOR must submit claims for extension of time in writing to DISTRICT for review and approval no later than seven (7) days after the initiation of that delay. In the case of a continuing cause of delay, only one claim is necessary.

DISTRICT will grant approval of time extension for delays only based on the verification of a daily log maintained by the superintendent at the job site. The daily log must segregate and document each individual delay occurrence, and then separately track the job costs attributable to changes in the work noted in Article 21. CONTRACTOR'S failure to maintain the daily logs in the manner described above will result in DISTRICT'S denial of the claim for time extension.

If CONTRACTOR has requested detail drawings and instructions as noted in Article 9, DISTRICT will not approve a request for delay on account of DISTRICT'S failure to furnish drawings until two (2) weeks after demand for such drawings.

ARTICLE 7 - EXECUTION, CORRELATION AND INTENT OF DOCUMENTS

The Contract documents are complementary, and what is called for by any one will be as binding as if called for by all, and the most stringent requirement will apply. The intention of the documents is to include all labor and materials, equipment and transportation necessary for the proper execution of the work. It is not intended, however, that materials or work not covered by or properly inferable from any heading, branch, class or trade of the specifications will be supplied unless distinctly so noted on the drawings. Materials or work described in words that so applied have a well-known technical or trade meaning will be held to refer to such recognized standards.

ARTICLE 8 - DETAIL DRAWINGS AND INSTRUCTIONS

DISTRICT will furnish with reasonable promptness, additional instructions, by means of drawings or otherwise, necessary for the proper execution of the work. All such drawings and instructions will be consistent with the Bid documents, true developments thereof, and reasonably inferable therefrom.

ARTICLE 9 - COPIES OF DRAWINGS FURNISHED

DISTRICT will provide, at no cost to CONTRACTOR, two complete sets of code approved construction documents in non-reproducible form.

DISTRICT will provide, at no cost to CONTRACTOR, five (5) non-reproducible sets of construction documents used during the course of bidding the work (Bid Sets) for execution on the work. It will be CONTRACTOR'S responsibility to ensure that any modifications called for as a result of the permit process are transferred to the bid sets.

CONTRACTOR may purchase additional sets of code-approved sets or bid sets construction documents, at its expense.

ARTICLE 10 - ORDER OF COMPLETION

CONTRACTOR will submit at such times as may be requested by DISTRICT, schedules which will show the order in which CONTRACTOR proposes to carry on the work with dates at which CONTRACTOR will start the several parts of the work and estimated dates of completion of the several parts.

ARTICLE 11 - CONSTRUCTION DOCUMENTS ON THE JOB SITE

CONTRACTOR will keep one copy of code approved construction documents on the job site, in good order, available to DISTRICT and to DISTRICT'S representatives. This set of documents will be kept current as to pending and approved changes in the work.

ARTICLE 12 - OWNERSHIP OF DRAWINGS

All drawings, specifications, and copies thereof furnished by DISTRICT are the property of Pima District. They are not to be used on other work and with the exception of the signed Contract set, and are to be returned to DISTRICT on request, at the completion of the work. All models are the property of DISTRICT.

ARTICLE 13 - CONTRACTOR'S UNDERSTANDING

CONTRACTOR has, by careful examination, satisfied itself as to the nature and location of the work, the conformation of the ground, the character of equipment and facilities needed preliminary to and during the prosecution of the work, the general and local conditions, and all other matters which can in any way affect the work under this Contract. No verbal agreement or conversations with any officer, agent or employee of DISTRICT, either before or after the execution of this Contract, will affect or modify any of the terms or obligations herein contained.

ARTICLE 14 - MATERIALS, APPLIANCES, EMPLOYEES

Unless otherwise agreed, CONTRACTOR will provide and pay for all materials, labor, water, tools, equipment, light, power, transportation, and other facilities necessary for the execution and completion of the work.

Unless otherwise agreed, all materials will be new, and both workmanship and materials will be of good quality. CONTRACTOR will, if required, furnish satisfactory evidence as to the kind and quality of materials.

CONTRACTOR will at all times enforce strict discipline and good order among its employees, and will not employ on the work any unfit person or anyone not skilled in the work that CONTRACTOR assigns to that person.

ARTICLE 15 - ROYALTIES AND PATENTS

CONTRACTOR will pay all royalties and license fees. CONTRACTOR will defend all suits or claims for infringement of any patent rights and will hold DISTRICT harmless from loss on account thereof, except that DISTRICT will be responsible for all such loss when a particular process or the product of a particular manufacturer or manufacturers is specified, but if CONTRACTOR has information that the process or article specified is an infringement of a patent it will be responsible for such loss unless it promptly gives such information to DISTRICT.

ARTICLE 16 - SURVEYS, PERMITS, AND REGULATIONS

DISTRICT will furnish all property surveys unless otherwise specified. CONTRACTOR will secure and pay for permits and licenses of a temporary nature necessary for the prosecution of the work except as noted in Article 3.b. DISTRICT will secure and pay for easements for permanent structures or permanent changes in existing facilities unless otherwise agreed.

CONTRACTOR will give all notices and comply with all laws, ordinances, rules, and regulations bearing on the conduct of the work as drawn and specified. If CONTRACTOR observes that the drawings and specifications are at variance therewith, it will promptly notify DISTRICT in writing, and any necessary changes will be adjusted as provided in the Contract for changes in the work. If CONTRACTOR performs any work knowing it to be contrary to such laws, ordinances, rules, and regulations, and without such notice to DISTRICT, it will bear all costs arising therefrom.

ARTICLE 17 - PROTECTION OF WORK AND PROPERTY

CONTRACTOR will continuously maintain adequate protection of all its work from damage and will protect DISTRICT'S property from injury or loss arising in connection with this Contract. It will make good any such damage, injury, or loss, except such as may be directly due to errors in the bid documents or caused by agents or employees of DISTRICT. It will adequately protect adjacent property as provided by law and the bid documents. It will provide and maintain all passageways, guard fences, lights, and other facilities for protection required by public authority or local conditions.

If an emergency should occur affecting the safety of life or the work or of adjoining property, CONTRACTOR, without special instruction or authorization from DISTRICT, is hereby permitted to act at his discretion, to prevent such threatened loss or injury, and CONTRACTOR will so act, without appeal, if so instructed or authorized. Any compensation claimed by CONTRACTOR on account of emergency work will be determined by DISTRICT.

CONTRACTOR is responsible for equipment, materials, and supplies until completion of the project and acceptance by DISTRICT.

ARTICLE 18 - INSPECTION OF WORK

DISTRICT representatives will at all times have access to the work wherever it is in preparation or progress and CONTRACTOR will provide proper facilities for such access and for inspection.

If the specifications, DISTRICT'S instructions, laws, ordinances, or any public authority, require any work to be specially tested or approved, CONTRACTOR will give DISTRICT timely notice of its readiness for inspection and if the inspection is by an authority other than DISTRICT, of the date fixed for such inspection. Inspections by DISTRICT will be promptly made, and where practicable at the source of supply. If any work should be covered up without approval or consent of DISTRICT, it must, if required by DISTRICT, be uncovered for examination at CONTRACTOR'S expense.

Re-examination of questioned work may be ordered by DISTRICT and if so ordered the work must be uncovered by CONTRACTOR. If such work is found to be in accordance with the bid documents, DISTRICT will pay the cost of re-examination and replacement. If such work is found not to be in accordance with the bid documents, CONTRACTOR will pay such cost.

ARTICLE 19 - SUPERINTENDENCE - SUPERVISION

CONTRACTOR will keep on its work site during its progress a competent Superintendent and any necessary assistants, all satisfactory to DISTRICT. The Superintendent will not be changed except with the consent of DISTRICT, unless the Superintendent proves to be unsatisfactory to CONTRACTOR and ceases to be in its employ. The Superintendent will represent CONTRACTOR in its absence and all directions given to it will be as binding as if given to CONTRACTOR. CONTRACTOR will give efficient supervision to the work using its best skill and attention.

If CONTRACTOR, in the course of the work, finds any discrepancy between the construction documents and the physical conditions of the locality, or any errors or omissions in the construction documents or in the layout as given by points and instructions, it will be its duty to immediately inform DISTRICT, in writing, and DISTRICT will promptly verify the same. Any work done after such discovery, until authorized, will be done at CONTRACTOR'S risk.

Neither DISTRICT nor CONTRACTOR, will employ an employee of the other without consent.

ARTICLE 20 - CHANGES IN THE WORK

In giving instructions, DISTRICT will have authority to make minor changes in the work, not involving extra cost, and not inconsistent with the purposes of the work, but otherwise, except in an emergency endangering life or property, no extra work or change will be made unless in pursuance of a written order by DISTRICT and no claim for an addition to the Contract sum will be valid unless so ordered.

The value of any such extra work or change will be determined in one or more of the following ways:

- 1. By mutual acceptance of a lump sum, itemized and detailed with sufficient substantiating data, as requested by DISTRICT, to permit evaluation.
- 2. By unit prices named in the Contract or subsequently agreed upon.
- 3. By cost and fixed fee.

If none of the above methods is agreed upon, CONTRACTOR, provided it receives an order as above, will proceed with the work. In such case and also under case (c), it will keep and present in such form as DISTRICT may direct, a correct account of the net cost of labor and materials, together with vouchers. In any case, DISTRICT will certify to the amount, including allowance for overhead and profit, due to CONTRACTOR. Pending final determination of cost, payments on account of changes will be made on DISTRICT'S estimate.

The amount of CONTRACTOR'S overhead and profit allowed for any change order, whether increase or decrease, will not exceed the following limits for work by CONTRACTOR:

Overhead Limit: ten percent (10%) of direct cost;

Profit Limit: five percent (5%) of the sum of direct cost and overhead cost.

For any portion of the work for a change order that is performed by a Subcontractor or a Sub Subcontractor, CONTRACTOR'S combined overhead and profit limits allowed will not exceed five percent (5%) of the actual direct cost of the work.

CONTRACTOR'S cost for additional work or changes requested by DISTRICT which result in an approved extension of time to the contract will be limited to the cost of the extra work determined in one or more of the three ways described previously in this Article, and the actual wage or salary paid for the on-site job superintendent in direct employ of CONTRACTOR in performance of the work. This amount will be prorated to the actual amount of extra time approved and will only include the direct amount paid to the superintendent plus actual cost of all overhead items applicable to payroll for that position, such as insurance, taxes, FICA, worker's compensation, and unemployment taxes and benefits.

ARTICLE 21 - CLAIMS FOR EXTRA COST FOR ADDITIONAL WORK

If CONTRACTOR claims that any additional instructions by drawings or otherwise involve extra cost under this Contract, it will give DISTRICT written notice thereof within a reasonable time after the receipt of such instructions, and in any event before proceeding to execute the work, except in an emergency endangering life or property. The procedure will then be as provided for in Article 20 "Changes in the Work". No such claim will be valid unless so made.

ARTICLE 22 - DEDUCTIONS FOR UNCORRECTED WORK

If DISTRICT deems it not expedient to correct work injured or done not in accordance with the Contract, an equitable deduction from the Contract price will be made therefor.

CONTRACTOR will promptly remove from the premises all materials condemned by DISTRICT as failing to conform to the Contract, whether incorporated in the work or not, and CONTRACTOR will promptly replace and re-execute its own work in accordance with the Contract and without expense to DISTRICT and will bear the expense of making good all work of other CONTRACTORS destroyed or damaged by such removal or replacement.

If CONTRACTOR does not remove such condemned work and materials within a reasonable time, fixed by written notice, DISTRICT may remove them and may store the material at the expense of CONTRACTOR. If CONTRACTOR does not pay the expense of such removal within ten days' time thereafter, DISTRICT may, upon ten day's written notice, sell such materials at auction or at private sale and will account for the net proceeds thereof, after deducting all the costs and expenses that should have been borne by CONTRACTOR.

ARTICLE 23 - SUSPENSION OF WORK

DISTRICT may at any time suspend the work, or any part thereof by giving three (3) days' notice to CONTRACTOR in writing. When the reason for such suspension involves safety, health or welfare issues, the three (3) day written notice requirement may be waived at the decision of the DISTRICT Management. CONTRACTOR will resume the work within ten (10) days after the date fixed in the written notice from DISTRICT to CONTRACTOR to do so.

ARTICLE 24 - DISTRICT'S RIGHT TO DO WORK

If CONTRACTOR neglects to prosecute the work properly or fails to perform any provision of this Contract, DISTRICT may, after three (3) days written notice to the CONTRACTOR, without prejudice to any other remedy it may have, make good such deficiencies and may deduct the cost thereof from the payment then or thereafter due CONTRACTOR.

ARTICLE 25 - DISTRICT'S RIGHT TO TERMINATE CONTRACT

If CONTRACTOR persistently or repeatedly refuses or fails, except in cases for which extension of time is provided, to supply enough properly skilled workers or proper materials, or if it fails to make prompt payment to subcontractors for material or labor, or persistently disregards laws, ordinances, or the instructions of DISTRICT, or otherwise is guilty of a substantial violation of any provision of the contract, then DISTRICT may, without prejudice to any other right or remedy and after giving CONTRACTOR ten (10) days written notice, terminate the employment of CONTRACTOR and take possession of the premises and of all materials, tools, and appliances thereon and finish the work by whatever method DISTRICT may deem expedient. In such case CONTRACTOR will not be entitled to receive any further payment until the work is finished. If the unpaid balance of the Contract price will exceed the expense of finishing the work, including compensation for additional managerial and administrative service, such excess will be paid to CONTRACTOR. If such expense will exceed such unpaid balance, CONTRACTOR will pay the difference to DISTRICT. DISTRICT will certify the expense incurred by DISTRICT as herein provided, and the damage incurred through the CONTRACTOR's default.

ARTICLE 26 - REMOVAL OF EQUIPMENT

In any case of annulment or termination of this Contract before completion from any cause whatever, CONTRACTOR, if notified to do so by DISTRICT, will promptly remove any part or all of its equipment and supplies from the property of DISTRICT, failing which DISTRICT will have the right to remove such equipment and supplies at the expense of CONTRACTOR.

ARTICLE 27 - USE OF COMPLETED PORTIONS

DISTRICT has the right to take possession of and use any completed or partially completed portions of the work, notwithstanding the time for completing the entire work or such portions may not have expired, but such taking possession and use is not an acceptance of any work not completed in accordance with the Bid documents. If such prior use increases the cost of or delays the work, CONTRACTOR will be entitled to such extra compensation, or extension of time, or both, as DISTRICT may determine.

ARTICLE 28 - PAYMENTS WITHHELD

DISTRICT may decline to certify payment or, because of discovered evidence or observations, may nullify the whole or any part of any certificate for payment previously issued, to such extent as may be necessary in its opinion to protect DISTRICT from loss because of:

- 1. Defective work not remedied.
- 2. Third party claims filed or reasonable evidence indicating probable filing of such claims.
- Failure of CONTRACTOR to make payments properly to Subcontractors or for labor, materials, or equipment.
- 4. Reasonable evidence that the work cannot be completed for the unpaid balance of the Contract sum.
- Damage to another CONTRACTOR.

When the above grounds are removed, payment will be made for amounts withheld because of them.

ARTICLE 29 - WARRANTY

CONTRACTOR will provide a written guarantee covering all costs for repair or replacement of defective work for a period of two (2) years (or longer if noted elsewhere in the construction documents) from substantial completion. CONTRACTOR will complete repair, or respond to DISTRICT in writing with repair solution, within seventy-two (72) hours of notification by DISTRICT. DISTRICT may make emergency repairs to ensure life safety or to prevent property loss, without invalidating the warranty.

ARTICLE 30 - LIENS

Neither the final payment nor any part of the retained percentage will become due until CONTRACTOR delivers to DISTRICT a complete release of all liens arising out of this Contract, or receipts in full or in lieu thereof, and if required in either case, an affidavit that so far as it has knowledge or information, the release and receipts include all the labor for which a lien could be filed; but CONTRACTOR may, if any subcontractor refuses to furnish a release or receipt in full, furnish a bond satisfactory to DISTRICT, to indemnify DISTRICT against any lien. If any lien remains unsatisfied after all payments are made, CONTRACTOR will pay to DISTRICT all monies that DISTRICT may be compelled to pay in discharging such a lien, including all costs and a reasonable attorney's fee.

ARTICLE 31 - RIGHTS OF VARIOUS INTERESTS

Wherever work being done by DISTRICT'S forces or other contractors is contiguous to work covered by this Contract the respective rights of the various interests involved will be established by the DISTRICT to secure the completion of the various portions of the work in general harmony.

ARTICLE 32 - SEPARATE CONTRACTS

DISTRICT reserves the right to let other contracts in connection with this work. CONTRACTOR will afford other contractors reasonable opportunity for the introduction and storage of their materials and the execution of their work, and will properly connect and coordinate its work with theirs.

If any part of CONTRACTOR'S work depends upon proper execution or results of the work of any other CONTRACTOR, CONTRACTOR will inspect and its report will constitute an acceptance of the other contractor's work after the execution of its work.

To insure the proper execution of its subsequent work, CONTRACTOR will measure work already in place and will at once report to DISTRICT any discrepancy between the executed work and the drawings.

ARTICLE 33 - DISTRICT'S STATUS

The DISTRICT has general review of the work and has the authority to reject all work and materials that do not conform to the Contract.

ARTICLE 34 - CLAIMS AND DISPUTES

All claims, demands, disputes, controversies, and differences that arise between the parties hereto as result of or in connection with this Contract will be referred to County in writing with a request for review and response in accordance with this paragraph, which County will render in writing within a reasonable time.

Contractor will deliver written notice of each such claim, demand, dispute, controversy or difference to County within fifteen (15) days of the occurrence of the event giving rise thereto and written supporting data will be submitted to DISTRICT within forty-five (45) days of such occurrence unless DISTRICT specifies a different period of time in writing to Contractor. The submission to DISTRICT with respect to any such claim, demand, dispute, controversy or

difference will be a condition precedent to any exercise by Contractor of such rights or remedies as Contractor may otherwise have under the Bid documents or at law in respect of any such claim, demand, dispute, controversy or difference.

If either DISTRICT or Contractor is dissatisfied with any decision of DISTRICT and both parties agree in writing, then the dispute may be settled by arbitration in accordance with the Construction Industry Arbitration Rules of the American Arbitration Association, and judgment upon the award rendered by the arbitrator(s) will be entered in any court having jurisdiction thereof. All arbitration hearings must be held in Tucson, Arizona.

ARTICLE 35 - CLEANING UP

CONTRACTOR will, as directed by DISTRICT, remove from DISTRICT'S property and from all public and private property, at its own expense, all temporary structures, rubbish, and waste materials resulting from its operation.

ARTICLE 36 - RESERVED

<u>ARTICLE 37 – ARCHAEOLOGICAL FEATURES</u>

Construction for this project may occur in an archaeological sensitive area. The COUNTY Office of Conservation and Sustainability Cultural Resources Division will determine prior to construction (other than emergencies) any special site monitoring requirements. Human burials, including human skeletal remains, cremations, and funerary objects are protected under A.R.S. section 41-844 on state, DISTRICT, and municipal lands, and under A.R.S. section 41-865 on private lands. Should archaeological features and/or artifacts or human remains, including human skeletal or cremation remains be discovered, work at that location will cease immediately, and the area will be taped off and avoided until archaeological investigations are completed. Construction is subject to delay in that location pursuant to applicable State law, while consultation with the Arizona State Museum and appropriate documentation and data recovery takes place. To the extent permitted by law, all archaeological artifacts and other materials will belong to Pima County. No monetary compensation will be made to CONTRACTOR for any claims due to delays in the work schedule. Only the Contract construction time will be extended to permit the original scheduled number of days for completion of the project.

ARTICLE 39 - RESERVED

ARTICLE 40 -- HAZARDOUS MATERIALS/ HAZARDOUS WASTES / HAZARDOUS SUBSTANCES ABATEMENT

Should CONTRACTOR uncover, or otherwise become aware of the presence of any Hazardous Materials, Hazardous Wastes or Hazardous Substances during the construction of this project, notice will be served immediately to the DISTRICT Project Manager, and all work surrounding said materials or substances will be ceased until directed to proceed. Construction delays due to Hazardous Materials, Hazardous Wastes or Hazardous Substances abatement may occur.

If this contract does not otherwise require the services of a Hazardous Materials CONTRACTOR, abatement of such materials will be provided by Pima County, at its expense and independent of this contract.

If this Contract already employs the services of a Hazardous Materials CONTRACTOR, the cost to abate any such additional materials will be added to the contract as Additional Services, in accordance with the provisions of Article 21 "Claims for Cost of Additional Work", and time extensions granted in accordance with the provisions of Article 6 "Delays"

ARTICLE 41 - WASTE DISPOSAL FACILITIES

CONTRACTOR will legally dispose of all construction debris in appropriate DISTRICT operated waste disposal facilities and pay any applicable fees. In the case of conflicts with the provisions of the Contract Specifications, this provision applies.

ARTICLE 42 - AS-BUILT DRAWINGS

CONTRACTOR will keep an accurate record of all changes and deviations from the Project Plans and Specifications and submit to DISTRICT one set of "As-Built" drawings including dimension, location of underground utilities, etc., upon completion of the work. As-Built drawings will be drawn and submitted in such a format as prescribed by DISTRICT.

END EXHIBIT "B" - GENERAL CONDITIONS

EXHIBIT "C" (10 pages) SPECIAL CONDITIONS – MULTIPLE AWARD JOB ORDER CONTRACT

<u>ARTICLE 1 - OVERVIEW AND DEFINITIONS</u>

A. Overview of Job Order Contracting Arrangement – This Agreement establishes a Multiple-Award, indefinite quantity, job order contracting Arrangement for such construction services within the scope of this Agreement as DISTRICT may request from time to time by issuance of an individual Job Order Contract for each Project.

The Contract Price for each Job Order shall not exceed \$1,000,000.00, including any Change Orders.

There is no limit on the number of Job Orders DISTRICT may issue to any CONTRACTOR during any twelve (12) month term of this Contract or during the entire period this Contract is in effect.

Generally, a CONTRACTOR may not refuse to quote any Job Order under this Agreement properly issued by DISTRICT, unless CONTRACTOR can legitimately claim the scope of work is poorly defined, hazardous to health or safety, outside the bounds of the intended use of this Agreement, or the CONTRACTOR does not have the capacity to accept the Job Order and begin work in a timely manner.

DISTRICT shall have the right to perform work of the types included in this Agreement itself or to have other contractors perform such work.

- B. Definitions The following terms will have the following meanings when used in the Agreement. Other terms may be defined elsewhere in the Documents. Terms not defined in the Agreement shall have their ordinary meaning within the usage of the trade. The presence or absence of initial capitals does not indicate a change in meaning.
 - "Alternatives Analysis" means assessment of alternatives for design, means and methods or other scope considerations that are evaluated using value engineering principles and have the potential to reduce construction costs while still delivering a quality and functional Project that meets DISTRICT requirements.
 - "Contract Price" means the price to be paid for the Work (and for Pre-Construction Services, if any) as specified in the Job Order. The Contract Price shall be a fixed, lump sum price, or a Not-to-Exceed Guaranteed Maximum Price, based on the CONTRACTOR'S accepted quotation.
 - "Contract Time" means the time for performance of the Work under a Job Order as specified in the Job Order commencing with the Start Date and ending with Final Completion Date set forth in the Job Order, as modified.
 - "Critical Path Method (CPM)" is a scheduling technique which identifies the logical sequence of the activities occurring in a construction project, the anticipated time required to complete each activity in the project, and the activities that must be completed on schedule to finish the project within the anticipated time. Typically, activities are arrayed in a network that shows both activities and their dependencies. CPM is also used as a management technique which enables contracting parties to predict when activities may occur so that resources can be effectively used and limitations can be identified.
 - "Critical Path" means that sequence of dependent activities in a project that will take the longest time to complete. Any delay in the completion of any of these activities may extend the Substantial Completion date.

- "Day" means calendar day unless specifically provided otherwise or required by law.
- "Design Professional (DP)" means, as to a Job Order, the person, if any, who will perform Design Services relating to the Work under the Job Order and who is designated as the Design Professional in the Job Order.
- "Drawings and Specifications" means, as to a Job Order, the drawings and specifications, if any, attached to the Job Order and specifications included in the Job Order Contract Documents. The Drawings and Specifications set forth the requirements for construction of the Project. Where there are no drawings and specifications for the Work prepared by a Design Professional, DISTRICT will deliver to the CONTRACTOR line drawings and/or a written description of the Work and, in each such case, the line drawings and/or the written description shall be deemed the drawings for the Work for that Job Order for all purposes.
- "Final Completion Date" means, as to a Job Order, the date by which CONTRACTOR shall have completed all Work under a Job Order, including, without limitation, all deficiency, correction and incomplete items (Punch List).
- "Job Order" means the Contract for a Project executed by DISTRICT under this Agreement, as it may be modified by Change Orders, if any, relating to the Project under the Job Order.
- "Minor Change" means a change in the Work having no impact on cost or time or the DISTRICT'S approved design intent, as determined by DISTRICT.
- "Notice to Proceed" means written notice given by DISTRICT to the CONTRACTOR fixing the date on which the CONTRACTOR will start to perform the Work under that Job Order. The start date will be the Start Date stated in the Job Order.
- "Plans and Specifications" means the plans and specifications upon which the Job Order's price proposal is based.
- "Pre-Construction Services" means the performance under a Job Order requiring such services of alternatives analysis, cost or schedule estimating, value engineering, constructability or other design reviews or consultation in the review of a DISTRICT or third-party design prepared by a DISTRICT-provided design professional.
- "Project" means each project of DISTRICT as to which some or all of the work is to be performed under a Job Order.
- "Qualifications/Proposals Documents" means the Solicitation for Qualifications issued by DISTRICT for this Job Order Contract, all Addenda thereto, and all information and documents submitted by CONTRACTOR relating thereto including, without limitation, CONTRACTOR'S submission of formal sealed qualifications, and also including, without limitation, the subcontractor management plan submitted by the CONTRACTOR. It also includes all other qualifications/proposals documents: that is all documents and materials delivered by DISTRICT to CONTRACTOR in connection with CONTRACTOR'S submission of qualifications and submission of a proposal for the contract.
- "Sales Taxes" Sales taxes are deemed to include all sales, use, excise, consumer, franchise, and other taxes which are legally enacted when negotiations of a Job Order Contract Price are concluded, whether or not yet effective or merely scheduled to go into effect. Taxes are actual costs and are a not-to-exceed reimbursable amount.
- "Schedule of Values (SOV)" A spreadsheet with estimated costs organized by subcontract categories, allowances, bid contingency, general conditions costs, taxes, bonds, insurances, and the CONTRACTOR'S construction phase fee. The supporting document for the spreadsheet must be

provided in an organized manner that correlates with the schedule of values. The backup information shall consist of the request for bids, bids received, and clarification assumptions used for the particular bid item listed on the schedule of values, if applicable. The SOV may be output from the Project Schedule if the Project Schedule is cost-loaded.

"Start Date" means, as to a Job Order, the date specified in the Notice to Proceed for that Job Order for CONTRACTOR to begin the Work.

"Subcontractor" means a subcontractor of the CONTRACTOR for any of the Work included in a Job Order or any subcontractor at any tier of such a subcontractor.

"Substantial Completion" means when the Work, or an agreed upon portion of the Work, is sufficiently complete so that DISTRICT can occupy and use the Project or a portion thereof for its intended purposes. The conditions of Substantial Completion that apply to a specific Job Order will be listed in the Notice to Proceed Letter for that Job Order.

"Supplier" means a person providing materials, supplies or equipment to be included in the Work to CONTRACTOR or any Subcontractor.

"Technical Specifications" means the general provisions and the detailed specifications prescribed by DISTRICT describing the materials and performance required for each individual Job Order.

"Work" and "Work (Construction)" mean all labor, materials, supplies, tools, equipment, transportation, site cleanup, storage and disposal of construction debris, supervision, management, overhead and profit, bonds, insurance, licenses and permits, taxes, intellectual property royalty and license fees, all other activities and items required to perform the Work under a Job Order as described in the Scope of Work in the Job Order. Work does not include Pre-Construction Services in connection with a Job Order.

ARTICLE 2 - JOB ORDER DEVELOPMENT

The steps for development of a Job Order and Quotation will generally be the following:

- 1. For Projects estimated under \$200,000.00, and during emergency situations DISTRICT will notify the selected CONTRACTOR of a new Project and may or may not schedule a site visit to explain and discuss the project. Design documents, if any, will be provided to the CONTRACTOR by the time of the site visit. Once the Parties agree on the scope of the project, DISTRICT will memorialize the agreement in a Job Order and deliver it to CONTRACTOR who shall have five (5) working days, unless a shorter period is specified in the Job Order, to commence construction. Unless otherwise specified by DISTRICT, issuance of the Job Order shall constitute Notice to Proceed. In the event of an emergency, the requirement that a Job Order Contract be in place prior to the initiation of work is waived. During such an emergency, a CONTRACTOR may be contacted and given instructions by a DISTRICT Project Manager to perform the work immediately without an approved Job Order. It is understood that the DISTRICT will prepare a Job Order as soon as practicable following said instructions.
- 2. For Projects estimated at \$200,000.00 or greater, the DISTRICT will notify all Job Order Contractors under contract to DISTRICT. The request shall advise all CONTRACTORS of the nature of the Work to be done and include the selection criteria and methodologies DISTRICT will use to make the "best value" decision. Criteria could include lowest bid, lowest bid meeting schedule, best cost alternative(s), etc. The request letter may also include an estimate of the total dollars the DISTRICT has budgeted for the Job. CONTRACTOR shall be provided an opportunity to ask questions, seek clarification and/or inspect the site, if requested. Alternatively, the DISTRICT may identify in the request the date and time for a meeting or site visit to explain and discuss the Work and further refine the scope of the project. Design documents, if any, may be provided in advance or at the meeting or site visit.

- 3. Upon establishment of the scope of the needed Project, each CONTRACTOR interested in performing the Job Order shall prepare its proposal for accomplishment of the Project utilizing the CONTRACTOR'S best estimating practices to develop a fixed, lump sum or not-to-exceed Guaranteed Maximum Contract Price to complete the Work, including any additional Pre-Construction Services (if necessary). See Article 3 for a description of required proposal items. Quotes will be in letter format including an attached table listing major construction components (ie. Mobilization, grade control structures, soil cement bank protection, excavation, clearing/grubbing, subgrade prep., etc.) with quantities, unit cost, total cost as columns in the table. The time for submittal of proposals for individual Projects shall not exceed seven (7) working days unless approved by the DISTRICT.
- 4. DISTRICT shall review each CONTRACTOR'S proposal and may either accept the proposals or negotiate modifications to the proposals until such time the DISTRICT is satisfied with each of the proposals. Such negotiations shall be limited to value alternatives of costs less than 20% of the original quotation price. Scope modifications or value alternatives that are equal to or greater than 20% shall require DISTRICT to modify the original request and rebid to the benefit of all interested CONTRACTORS under this Contract.
- 5. The Job Order will then be issued by DISTRICT to the Job Order Contractor that submitted the best quotation (including schedule and/or value engineering alternatives), as measured by the criteria in the request for quotation. Past performance on earlier Job Orders, including past performance on cost or price control, may be used to determine award of future Job Orders. Quotations must be reasonably prepare, accurately describing the work including the types of materials used, quantities and other cost elements. In the instance the quotation is deemed to be unreasonable or inaccurate, the Project Manager can exercise the option to reject the bid (even if it is the lower bid) or request a revised quotation. An alternative CONTRACTOR will be chosen for the work.
- 6. Upon issuance of each Job Order by DISTRICT, the Job Order Contract will be binding upon the CONTRACTOR and DISTRICT. A Job Order is considered "issued" when delivered to the CONTRACTOR or sent by facsimile copy, in which case the Job Order will be "issued" when sent to CONTRACTOR'S fax number and DISTRICT'S fax machine prints an acknowledgement of receipt or DISTRICT.

ARTICLE 3 - JOB ORDER PROPOSAL CONTENT

Although specific Job Orders will vary, the content of Job Order proposals provided by each CONTRACTOR under this contract will generally include the following:

- The description of the Scope of the Work;
- 2. The duration of the work, including CPM schedule (if required);
- 3. The Contract Price for Work (Construction), including prices for various proposed alternatives;
- 4. The Contract Price of Pre-Construction Services by CONTRACTOR (if any);
- 5. The name of the CONTRACTOR Representative for the Project;
- 6. The Drawings and Specifications (if any) used to prepare the quotation:
- Any assumptions or exclusions that qualify the CONTRACTOR'S price, including how many days the proposal is valid for;
- 8. A risk analysis of the project that identifies potential risks to the cost or schedule, or other items which the Owner may need to be informed of that will impact a successful outcome;

- If any Shop Drawings, Product Data and/or Samples are required for the Job Order, the date for delivery of each required item;
- 10. A statement of which, if any, of the following are required: Preconstruction Conference, Weekly Progress Meetings, Field Office, Storage Enclosure, Materials and Equipment Handling Facility, Submittals, Shop Drawings, Product Data, Equipment List, Samples, Project Manual, Schedule of Values, Construction Progress Schedule, Narrative Reports, Progress Report, Progress Charts, Progress Photographs, Materials Status Report, Construction Diagram, Construction Status Report, Operation and Maintenance Data, Operating Maintenance Instructions and Parts List, and As-Built Drawings.

Each Job Order will be interpreted to include all items reasonably necessary to complete the Project as described in the Scope of the Work of the Job Order. All Work shall be performed in a professional manner and all materials used shall be new, of the highest quality and of the type best adapted to their purpose, unless otherwise specified.

ARTICLE 4 - JOB ORDER NEGOTIATION

- A. <u>Job Order Pricing</u> The Contract Price shall include all costs, including overhead, pre-construction, mobilization, indirect costs, etc., incidental to performing the work and completing the job order and with the exception of any changes in the scope of work as directed by the Owner as defined by ARTICLE 6, no additional payments will be made.
- B. Pre-Construction Services (if any) If CONTRACTOR is providing Pre-Construction Services, the proposal must be supported by documentation to establish that adequate involvement by CONTRACTOR in the planning, engineering and design work will be performed to satisfy the requirements of the project. Required services may include (but are not limited to) constructability reviews, materials recommendations, alternatives analysis, development of cost and schedule estimates and tradeoffs, and similar services.

ARTICLE 5 - JOB ORDER MANAGEMENT

A. <u>Planning, Scheduling, Monitoring</u> – Planning, scheduling and progress monitoring are essential functions of CONTRACTOR. If required by the Job Order, after the issuance of the Job Order CONTRACTOR shall prepare and submit to DISTRICT a Schedule of Values allocating the Contract Price among the various portions of the Work for purposes of progress payments. The format of the Schedule of Values shall be as specified by DISTRICT. In addition, if required by the Job Order, CONTRACTOR shall submit a CPM-based Construction Schedule that shall be maintained and updated for the duration of the project.

1. Project Management

CONTRACTOR shall employ and supply a sufficient force of workers, material and equipment, and shall prosecute the Work under each Job Order with such diligence as to maintain a steady rate of progress or, if there is a Construction Progress Schedule, the rate of progress indicated on the Construction Progress Schedule, to prevent work stoppage, and to ensure completion of the Project under each Job Order within the Contract Time.

2. Daily Log

CONTRACTOR shall maintain a Daily Log of construction activities using a form approved by DISTRICT. CONTRACTOR shall include in the log all significant issues or problems affecting progress and completion of any Job Order.

If required in a Job Order, CONTRACTOR shall provide copies of the entries in the Daily Log to DISTRICT no later than the morning of the next business day. The Daily Log does not constitute written notice to the DISTRICT when such notice is required by the Contract.

3. Progress Schedule and Float

If CONTRACTOR submits an original or updated schedule which shows the Work under a Job Order and/or individual milestone(s) completing earlier than required by the adjusted Final Completion Date in the Job Order, the differences between the forecasted early completion and the required Final Completion Date shall be considered Project-owned float available for use by both DISTRICT and CONTRACTOR.

B. Reporting

Monthly Reporting

If required by the Job Order, on the last business day of each calendar month, CONTRACTOR will deliver to the DISTRICT a Monthly Narrative Report. The Report shall include a description of all current, issued, and in process Job Orders, the status of each and anticipated problem areas, delaying factors and their impact, and an explanation of corrective action(s) taken or proposed.

The Report shall include for each job order the Start Date, the Final Completion Date, and, for Job Orders with more than sixty (60) days between such dates, either (A) the current Progress Schedule for the Project, or (B) the date by which CONTRACTOR is to submit a proposed Progress Schedule for approval by DISTRICT.

If the Project under any Job Order is behind schedule in any month, CONTRACTOR'S Narrative Report shall indicate precisely what measures it will take in the next thirty days to put the Work back on schedule.

If requested by DISTRICT, CONTRACTOR shall meet with DISTRICT to review the monthly Update Report and to discuss any issues.

Contractor Responsibility

To the extent required in the Job Order for the Project, CONTRACTOR shall be responsible to prepare, submit and maintain the daily log, CPM schedules and Narrative Reports indicated above; failure to do so may be considered a material breach of this Contract. Any additional or unanticipated cost or expense required to maintain logs, schedules reports shall be solely CONTRACTOR'S responsibility and shall not be charged to DISTRICT.

ARTICLE 6 - CHANGES AND CHANGED CONDITIONS

A. Owner Directed Changes in the Scope of Work – By written directive at any time, DISTRICT may make any changes within the general scope of the Work under a Job Order or issue additional instructions, require additional or modified Work or direct deletion of Work. CONTRACTOR shall not proceed with any change involving an increase or decrease in cost or time without prior written authorization from the DISTRICT in the form of a completed and executed Change Order. If CONTRACTOR proceeds with any change involving an increase or decrease in cost or time without written authorization as required by this article, CONTRACTOR waives all rights or claims CONTRACTOR may have as a result of the change. The DISTRICT'S right to make changes shall not invalidate the Agreement or Job Order Contract Documents or relieve CONTRACTOR of any liability. Any requirement of notice of change to the Surety shall be the responsibility of CONTRACTOR.

<u>ARTICLE 7 – DELAYS AND TIME EXTENSIONS</u>

- A. <u>Demonstration of Delay</u> It is agreed that no time extensions shall be granted nor delay damages paid by DISTRICT unless the delay can be clearly demonstrated by CONTRACTOR on the basis of the updated Critical Path Schedule, cannot be mitigated, offset, or eliminated through such actions as revising the intended sequence of the Work or other reasonable means.
- B. Application of Float Since float time within the schedule is jointly owned, no time extensions will be granted nor delay damages paid until a delay occurs which extends the work beyond the adjusted Final Completion Date. Since float time within the construction schedule is jointly owned, it is acknowledged that DISTRICT-caused delays on the Project may be offset by DISTRICT-caused time savings (i.e., critical path submittals returned in less time than allowed by the Contract, approval of substitution requests which result in a savings of time to the CONTRACTOR, etc.).
- C. In such an event, CONTRACTOR shall not be entitled to receive a time extension or delay damages until all DISTRICT-caused time savings are exceeded and the Final Completion Date or milestone date is also exceeded

ARTICLE 8 - PERFORMANCE MEASUREMENT

- A <u>Performance Assessment</u> Promptly after final completion of the Work under each Job Order, DISTRICT will complete a written evaluation of CONTRACTOR'S performance of the Work. The evaluation shall consist of completion by DISTRICT of the Performance Quality Evaluation Form attached as **Attachment "1"** to these **SPECIAL CONDITIONS**.
- B. <u>Feedback</u> The completed Performance Evaluation will be shared with CONTRACTOR as a means of providing feedback regarding CONTRACTOR'S cost, schedule and quality performance. CONTRACTOR may submit additional information, comment, recommendations or rebuttal for association with the Performance Evaluation.
- C. <u>Comparative Assessment</u> CONTRACTOR'S cost, schedule and quality performance of Job Orders under this Contract will be compared periodically to the performance of other like-situated Contractors. The results of these comparisons will be provided to CONTRACTOR.
 - CONTRACTOR understands that these assessments will necessarily involve significant subjectivity. CONTRACTOR agrees to this process and agrees further that the application of subjectivity in these assessments shall not form the basis for any claim or cause of action of any form whatsoever.
- D. <u>Consideration of Renewal</u> CONTRACTOR'S record of cost, schedule and quality performance and comparative assessments shall be significant considerations in the DISTRICT'S determination whether to renew CONTRACTOR'S participation in the Agreement. CONTRACTOR agrees that any determination by DISTRICT not to renew its participation based on performance will be at the sole discretion of DISTRICT.

ARTICLE 9 - SUBCONTRACTORS

A. <u>Subcontractor Selection</u> – CONTRACTOR will select Subcontractors in accordance with the Subcontractor Selection Plan incorporated into this Contract by reference.

B. Subcontracts

CONTRACTOR agrees to deliver to each Subcontractor and to cause each Subcontractor to
deliver to each sub-subcontractor a copy of this Agreement and the Job Order Contract
Documents relating to the Work of the Subcontractor or sub-subcontractor. CONTRACTOR
agrees to include in its contract with each Subcontractor all provisions of the Agreement and
Job Order documents required to be included in those contracts and to cause its

Subcontractors to include the same provisions in their contracts with their sub-subcontractors at all tiers.

- 2. Each Subcontract, or other Agreement, with any subcontractor for any job order shall include the address or location of the work.
- C. <u>Assignment Upon Termination</u> CONTRACTOR hereby assigns to DISTRICT (and its assigns) all its interest in any subcontracts and purchase orders now existing or hereinafter entered into by CONTRACTOR for performance of any part of the Work under each Job Order, which assignment will be effective upon termination of the Contract by the DISTRICT and only as to those subcontracts and purchase orders which the DISTRICT assumes in writing. All subcontracts and purchase orders shall provide that they are freely assignable by CONTRACTOR to the DISTRICT and its assigns. Such assignment is part of the consideration to DISTRICT for entering into the Contract with CONTRACTOR and may not be withdrawn prior to final completion of the Work under each Job Order.

<u>ARTICLE 10 – TERMINATION FOR CAUSE</u>

Anything in the Contract Documents to the contrary notwithstanding, any termination of this Agreement shall automatically terminate all Job Orders as to which the Work is not complete, except that upon any termination of this Contract, DISTRICT may elect by written notification to CONTRACTOR to continue in effect any or all then uncompleted Job Orders in which event this Agreement shall continue in effect as to each continued Job Order and shall terminate upon completion of the last such Job Order.

Anything in the Agreement to the contrary notwithstanding, (i) all indemnification provisions, reimbursement provisions and payment provisions shall survive termination of this Agreement under this Article and shall continue in effect indefinitely without termination, and (ii) all guarantee and warranty provisions and all provisions in the Agreement Documents requiring CONTRACTOR to correct any Work not in accordance with the relevant Job Order Documents shall not terminate upon termination of this Agreement and shall continue in effect thereafter in accordance with the terms of each such provision.

- A. <u>Cause for Termination</u> In addition to the termination rights of the DISTRICT in **ARTICLE 17 TERMINATION OF CONTRACT FOR DEFAULT** of the Agreement between DISTRICT and CONTRACTOR, the DISTRICT may terminate any or all Job Orders and/or the overall Job Order Agreement at the election of DISTRICT, upon the occurrence of any one or more of the following events:
 - If CONTRACTOR refuses or fails to prosecute the Work under any Job Order with such diligence as will ensure its completion within the Contract Time for that Job Order; or if the CONTRACTOR fails to complete the Work under any Job Order within the Contract Time for that Job Order;
 - 2. If CONTRACTOR or any of its key Subcontractors under any Job Order is adjudged a bankrupt or insolvent or makes a general assignment for the benefit of creditors, or if CONTRACTOR or any of its key Subcontractors under any Job Order or a third party files a petition to take advantage of any debtor's act or to reorganize under the bankruptcy or similar laws concerning CONTRACTOR or any of its key Subcontractors under any Job Order, or if a trustee or receiver is appointed for CONTRACTOR or any of its key Subcontractors under any Job Order or for any of CONTRACTOR'S property on account of CONTRACTOR or a key Subcontractor under any Job Order, and, in each case, CONTRACTOR or its successor in interest or its respective key Subcontractor under any Job Order does not provide reasonably adequate assurance of future performance in accordance with the Contract Documents within 10 days after receipt of a request for assurance from the DISTRICT;

- If CONTRACTOR persistently fails to supply sufficient skilled workmen or suitable materials or equipment for the Work under any Job Order;
- 4. If, as to any Job Order, CONTRACTOR fails to make prompt payments to Subcontractors or Suppliers at any tier, or for labor, materials or equipment;
- 5. If CONTRACTOR fails to comply with laws, ordinances, rules, codes, regulations, orders or similar requirements of any public entity having jurisdiction;
- 6. If, as to any Job Order, CONTRACTOR fails to follow any reasonable instructions by the DISTRICT, which are consistent with the Construction Documents;
- 7. If, as to any Job Order, CONTRACTOR performs Work which deviates from the Job Order Documents and neglects or refuses to correct rejected Work; or
- 8. If, as to any Job Order, CONTRACTOR otherwise violates in any material way any provisions or requirements of this Agreement or any Job Order Contract Documents.
- B. Notice and Cure Period If DISTRICT determines that one or more events of default described in Article 10(A) has occurred, the DISTRICT may elect to terminate any or all Job Orders and/or terminate CONTRACTOR'S participation in the overall Agreement. To do this, the DISTRICT must first give CONTRACTOR and its Surety written notice of the events of default ("Notice of Default") and allow CONTRACTOR and its Surety ten (10) calendar days to cure the events of default. If the events of default are not cured within the ten (10) calendar days, DISTRICT may terminate any or all Job Orders and/or terminate CONTRACTOR'S participation in the overall Agreement by written notice to CONTRACTOR and its Surety.

C. Completion of Terminated Work

1. If any Job Order or participation in the Agreement is terminated, DISTRICT may take over the Work under terminated Job Orders and prosecute them to completion, by contract or otherwise, and may exclude CONTRACTOR from the sites. The DISTRICT may take possession of the Work under the terminated Job Orders and of all of CONTRACTOR'S tools, appliances, construction equipment, machinery, supplies and plant which may be on the site of the Work for each terminated Job Order, and use the same to the full extent they could be used by CONTRACTOR, all without liability to CONTRACTOR.

In exercising the DISTRICT'S right to prosecute the completion of the Work, the DISTRICT may also take possession of all materials and equipment stored at the site or for which the DISTRICT has paid CONTRACTOR but which are stored elsewhere. The DISTRICT may use the foregoing items to finish the Work as the DISTRICT deems expedient. In such case, the CONTRACTOR shall not be entitled to receive any further payment until the Work is finished.

- If any Job Order is terminated, the DISTRICT may demand that CONTRACTOR'S surety take over and complete the Work under the Job Order. The DISTRICT may require that in so doing, the CONTRACTOR'S surety not utilize CONTRACTOR in performing the Work. Upon the failure or refusal of CONTRACTOR'S surety to take over and begin completion of the Work within 20 days after the demand, the DISTRICT may take over the Work and prosecute it to completion as provided above.
- 3. As to any terminated Job Order, DISTRICT shall have the option of requiring any, all or none of the Subcontractors and Sub-subcontractors to perform according to their subcontracts and may assign any or all of the subcontracts to a general contractor selected to complete the Work.

4. If DISTRICT takes over the Work under any terminated Job Order, unexecuted orders entered into by CONTRACTOR for performance of any part of the Work will be effective upon acceptance by DISTRICT in writing and only as to those subcontracts and purchase orders which the DISTRICT designates in writing.

D. Payment for Terminated Work

- If, as to any terminated Job Order, the unpaid balance of the Contract Price exceeds the direct and indirect costs and expenses of completing the Work and all DISTRICT damages including, without limitation, liquidated damages and compensation for additional professional and CONTRACTOR services ("DISTRICT'S Termination Costs"), such excess shall be used to pay CONTRACTOR for the Work it performed and for which CONTRACTOR has not been paid previously and the amount shall be determined using the Tasks, Unit Prices, Coefficients, and Other Tasks and Other Prices included in the Job Order. If, as to any terminated Job Order, the DISTRICT'S Termination Costs exceed the unpaid balance of the Contract Price, CONTRACTOR shall immediately upon demand pay the difference to the DISTRICT or the DISTRICT may set off the amount against any other amounts owing to CONTRACTOR for any cause whatsoever, whether current or future. In exercising the DISTRICT'S right to prosecute the completion of the Work under any terminated Job Order, the DISTRICT shall have the right to exercise its sole discretion as to the manner, methods, and reasonableness of the costs to be incurred in completing the Work, and the DISTRICT shall not be required to obtain the lowest figure for Work performed in completing the Project. If the DISTRICT holds a competitive procurement for remedial Work or completion of the Work under a terminated Job Order, CONTRACTOR shall not be eligible for the award of such contracts.
- 2. CONTRACTOR shall be liable for any damage to the DISTRICT resulting from the termination or from CONTRACTOR'S refusal or failure to complete the Work under any terminated Job Order and for all costs necessary for repair and completion of the Project under each terminated Job Order over and beyond the Contract Price. CONTRACTOR shall be liable for all legal fees and costs required to enforce the provisions of the Agreement and/or Job Order Documents.
- E. <u>Nonexclusive Remedies</u> In the event any Job Order or CONTRACTOR'S participation in the Agreement is terminated, the termination shall not affect any other rights of the DISTRICT against CONTRACTOR. The rights and remedies of DISTRICT under this **Article 10** are in addition to any other rights and remedies provided by law or under the Agreement or Job Order Contract Documents. Any retention or payment of monies to CONTRACTOR by DISTRICT will not release CONTRACTOR from liability.
- F. <u>Erroneous Termination for Cause</u> If any Job Order or participation in the overall Agreement is terminated under this **Article 10**, and it is determined for any reason that there was no default under **Article 10**, the termination shall be deemed a Termination for Convenience of the DISTRICT.

ARTICLE 11 – TERMINATION FOR CONVENIENCE OF THE DISTRICT

The DISTRICT, by written notice to CONTRACTOR, may terminate any Job Order or the overall Agreement in whole or in part if sufficient appropriated or other funds are not available or the DISTRICT determines, in the sole discretion of the DISTRICT, that such termination is in the DISTRICT'S best interest. In such case, CONTRACTOR shall be paid for all Work under each Job Order for which CONTRACTOR has not been paid previously. CONTRACTOR shall also be paid reasonable termination expenses. In no event shall such payments as to any Job Order, exclusive of termination expenses, exceed the total Contract Price for the Job Order as reduced by payments previously made to CONTRACTOR and as further reduced by the value of the Work as yet not completed. Since profit and overhead are built into the Contract Price for each Job Order, CONTRACTOR shall not be entitled any additional profit or overhead on Work performed and in addition, CONTRACTOR shall not be entitled to any profit or overhead on Work not performed.

EXHIBIT "D" (3 pages) SUPPLEMENTAL PROVISIONS FOR FEDERAL AID CONSTRUCTION CONTRACTS

These provisions apply only to work subject to Federal-Aid. A copy of this Exhibit "D" and a current Wage Determination shall be attached to the Job Order for any federally funded project. Current wage determinations may be found at http://www.wdol.gov/dba.aspx

<u>ARTICLE 1 – DAVIS BACON ACT WAGE DETERMINATION</u>

CONTRACTOR shall pay wages in accordance with the most current Davis Bacon rates in effect in Pima County, Arizona at the time the Job Order is negotiated. CONTRACTOR shall provide to DISTRICT at the time of Job Order negotiation, an adjustment to each of the unit prices for the line items that require payment Davis-Bacon wages. CONTRACTOR shall include a copy of the most recent Davis-Bacon Wage Determination in their proposal for incorporation into the Job Order's terms and conditions. The most current Davis-Bacon Act Wage Determinations may be found online at http://www.wdol.gov/dba.aspx

ARTICLE 2 - SUBCONTRACTORS

In addition to the requirements set forth in Article 10 of the Master Agreement, CONTRACTOR shall ensure that no subcontracts are awarded at any tier, to any individual, firm, partnership, joint venture, or any other entity regardless of the form of business organization, listed in the Federal Government's System for Award Management (SAM) system (https://www.sam.gov/portal/public/SAM) with an active exclusion.

ARTICLE 3 - OWNERSHIP OF DOCUMENTS

In addition to the requirements set forth in Article 23 of the Master Agreement, The Granting Agency reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use, for Federal Government purposes: (a) the copyright in any work developed under this Agreement or any subcontract; and (b) Any rights of copyright to which CONTRACTOR or DISTRICT acquires ownership under this Agreement.

ARTICLE 4 - BOOKS AND RECORDS

In addition to the requirements set forth in Article 24 of the Master Agreement, CONTRACTOR shall also keep and maintain proper and complete books, records and accounts, which shall be open at all reasonable times for inspection and audit by the Granting Agency and the Comptroller General of the United States.

ARTICLE 5 - CHANGED CONDITIONS

- (1) Differing site conditions.
 - (i) During the progress of the work, if subsurface or latent physical conditions are encountered at the site differing materially from those indicated in the contract or if unknown physical conditions of an unusual nature, differing materially from those ordinarily encountered and generally recognized as inherent in the work provided for in the contract, are encountered at the site, the party discovering such conditions shall promptly notify the other party in writing of the specific differing conditions before the site is disturbed and before the affected work is performed.
 - (ii) Upon written notification, DISTRICT will investigate the conditions, and if it is determined that the conditions materially differ and cause an increase or decrease in the cost or time required for the performance of any work under the Contract, an adjustment, excluding

anticipated profits, will be made and the contract modified in writing accordingly. DISTRICT will notify CONTRACTOR of the determination whether or not an adjustment of the contract is warranted.

- (iii) No contract adjustment which results in a benefit to CONTRACTOR will be allowed unless CONTRACTOR has provided the required written notice.
- (iv) No contract adjustment will be allowed under this clause for any effects caused on unchanged work.
- (2) Suspensions of work ordered by DISTRICT.
 - (i) If the performance of all or any portion of the work is suspended or delayed by DISTRICT in writing for an unreasonable period of time (not originally anticipated, customary, or inherent to the construction industry) and CONTRACTOR believes that additional compensation and/or contract time is due as a result of such suspension or delay, CONTRACTOR shall submit to DISTRICT in writing a request for adjustment within 7 calendar days of receipt of the notice to resume work. The request shall set forth the reasons and support for such adjustment.
 - (ii) Upon receipt, DISTRICT will evaluate CONTRACTOR'S request. If DISTRICT agrees that the cost and/or time required for the performance of the Contract has increased as a result of such suspension and the suspension was caused by conditions beyond the control of and not the fault of CONTRACTOR, its suppliers, or subcontractors at any approved tier, and not caused by weather, DISTRICT will make an adjustment (excluding profit) and modify the contract in writing accordingly. CONTRACTOR will be notified of DISTRICT'S determination whether or not an adjustment of the Contract is warranted.
 - (iii) No contract adjustment will be allowed unless CONTRACTOR has submitted the request for adjustment within the time prescribed.
 - (iv) No contract adjustment will be allowed under this clause to the extent that performance would have been suspended or delayed by any other cause, or for which an adjustment is provided or excluded under any other term or condition of this Contract.
- (3) Significant changes in the character of work.
 - (i) DISTRICT reserves the right to make, in writing, at any time during the work, such changes in quantities and such alterations in the work as are necessary to satisfactorily complete the project. Such changes in quantities and alterations shall not invalidate the Contract nor release the surety, and CONTRACTOR agrees to perform the work as altered.
 - (ii) If the alterations or changes in quantities significantly change the character of the work under the Contract, whether such alterations or changes are in themselves significant changes to the character of the work or by affecting other work cause such other work to become significantly different in character, an adjustment, excluding anticipated profit, will be made to the Contract. The basis for the adjustment shall be agreed upon prior to the performance of the work. If a basis cannot be agreed upon, then an adjustment will be made either for or against CONTRACTOR in such amount as DISTRICT may determine to be fair and equitable.
 - (iii) If the alterations or changes in quantities do not significantly change the character of the work to be performed under the Contract, the altered work will be paid for as provided elsewhere in the Contract.

- (iv) The term "significant change" shall be construed to apply only to the following circumstances:
 - (A) When the character of the work as altered differs materially in kind or nature from that involved or included in the original proposed construction; or
 - (B) When a major item of work, as defined elsewhere in the Contract, is increased in excess of 125 percent or decreased below 75 percent of the original Contract quantity. Any allowance for an increase in quantity shall apply only to that portion in excess of 125 percent of original Contract item quantity, or in case of a decrease below 75 percent, to the actual amount of work performed.

BLANKET ADDITIONAL INSURED – AUTOMATIC STATUS IF REQUIRED BY WRITTEN CONTRACT (CONTRACTORS)

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

 The following is added to SECTION II -- WHO IS AN INSURED:

Any person or organization that:

- You agree in a "written contract requiring insurance" to include as an additional insured on this Coverage Part; and
- b. Has not been added as an additional insured for the same project by attachment of an endorsement under this Coverage Part which includes such person or organization in the endorsement's schedule;

is an insured, but:

- a. Only with respect to liability for "bodily injury", "property damage" or "personal injury"; and
- b. Only as described in Paragraph (1), (2) or (3) below, whichever applies:
 - (1) If the "written contract requiring insurance" specifically requires you to provide additional insured coverage to that person or organization by the use of:
 - (a) The Additional Insured Owners, Lessees or Contractors – (Form B) endorsement CG 20 10 11 85; or
 - (b) Either or both of the following: the Additional Insured – Owners, Lessees or Contractors – Scheduled Person Or Organization endorsement CG 20 10 10 01, or the Additional Insured – Owners, Lessees or Contractors – Completed Operations endorsement CG 20 37 10 01;

the person or organization is an additional insured only if the injury or damage arises out of "your work" to which the "written contract requiring insurance" applies;

(2) If the "written contract requiring insurance" specifically requires you to provide additional insured coverage to that person or organization by the use of:

- (a) The Additional Insured Owners, Lessees or Contractors – Scheduled Person or Organization endorsement CG 20 10 07 04 or CG 20 10 04 13, the Additional Insured – Owners, Lessees or Contractors – Completed Operations endorsement CG 20 37 07 04 or CG 20 37 04 13, or both of such endorsements with either of those edition dates; or
- (b) Either or both of the following: the Additional Insured — Owners, Lessees or Contractors — Scheduled Person Or Organization endorsement CG 20 10, or the Additional Insured — Owners, Lessees or Contractors — Completed Operations endorsement CG 20 37, without an edition date of such endorsement specified;

the person or organization is an additional insured only if the injury or damage is caused, in whole or in part, by acts or omissions of you or your subcontractor in the performance of "your work" to which the "written contract requiring insurance" applies; or

- (3) if neither Paragraph (1) nor (2) above applies:
 - (a) The person or organization is an additional insured only if, and to the extent that, the injury or damage is caused by acts or omissions of you or your subcontractor in the performance of "your work" to which the "written contract requiring insurance" applies; and
 - (b) The person or organization does not qualify as an additional insured with respect to the independent acts or omissions of such person or organization.

- The insurance provided to the additional insured by this endorsement is limited as follows:
 - a. If the Limits of Insurance of this Coverage Part shown in the Declarations exceed the minimum limits of liability required by the "written contract requiring insurance", the insurance provided to the additional insured will be limited to such minimum required limits of liability. For the purposes of determining whether this limitation applies, the minimum limits of liability required by the "written contract requiring insurance" will be considered to include the minimum limits of liability of any Umbrella or Excess liability coverage required for the additional insured by that "written contract requiring insurance". This endorsement will not increase the limits of insurance described in Section III - Limits Of Insurance.
 - b. The insurance provided to the additional insured does not apply to "bodily injury", "property damage" or "personal injury" arising out of the rendering of, or failure to render, any professional architectural, engineering or surveying services, including:
 - (1) The preparing, approving, or failing to prepare or approve, maps, shop drawings, opinions, reports, surveys, field orders or change orders, or the preparing, approving, or failing to prepare or approve, drawings and specifications; and
 - (2) Supervisory, inspection, architectural or engineering activities.
 - c. The insurance provided to the additional insured does not apply to "bodily injury" or "property damage" caused by "your work" and included in the "products-completed operations hazard" unless the "written contract requiring insurance" specifically requires you to provide such coverage for that additional insured during the policy period.
- 3. The insurance provided to the additional insured by this endorsement is excess over any valid and collectible other insurance, whether primary, excess, contingent or on any other basis, that is available to the additional insured. However, if the "written contract requiring insurance" specifically requires that this insurance apply on a primary basis or a primary and non-contributory basis, this insurance is primary to other insurance available to the additional insured under which that person or organization qualifies as a named insured, and we will not share with that other insurance. But the insurance provided to the additional insured by this endorsement still is excess over any valid

- and collectible other insurance, whether primary, excess, contingent or on any other basis, that is available to the additional insured when that person or organization is an additional insured, or is any other insured that does not qualify as a named insured, under such other insurance.
- 4. As a condition of coverage provided to the additional insured by this endorsement:
 - a. The additional insured must give us written notice as soon as practicable of an "occurrence" or an offense which may result in a claim. To the extent possible, such notice should include:
 - How, when and where the "occurrence" or offense took place;
 - (2) The names and addresses of any injured persons and witnesses; and
 - (3) The nature and location of any injury or damage arising out of the "occurrence" or offense.
 - b. If a claim is made or "suit" is brought against the additional insured, the additional insured must:
 - Immediately record the specifics of the claim or "suit" and the date received; and
 - (2) Notify us as soon as practicable.

The additional insured must see to it that we receive written notice of the claim or "suit" as soon as practicable.

- c. The additional insured must immediately send us copies of all legal papers received in connection with the claim or "suit", cooperate with us in the investigation or settlement of the claim or defense against the "suit", and otherwise comply with all policy conditions.
- d. The additional insured must tender the defense and indemnity of any claim or "suit" to any provider of other insurance which would cover the additional insured for a loss we cover under this endorsement. However, this condition does not affect whether the insurance provided to the additional insured by this endorsement is primary to other insurance available to the additional insured which covers that person or organization as a named insured as described in Paragraph 3. above.
- The following is added to the **DEFINITIONS** Section:

"Written contract requiring insurance" means that part of any written contract or agreement under which you are required to include a person or or-

Please remember that Pima County needs to be added as an additional insured to the general liability AND automobile liability policy. Addition of the name "Pima County" at the bottom of the general and auto certificates is NOT sufficient to add Pima County as additional insured. We require either an endorsement adding Pima County as additional insured to each policy (general and auto), a blanket endorsement or completion of the attached additional insured form. Your insurance company should be able to complete this additional insured requirement for you; they can contact me if they have questions.

PRIMARY / NONCONTRIBUTORY AMENDMENT OF CONDITIONS FOR DESIGNATED ADDITIONAL INSUREDS

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART SCHEDULE

Name of Person or Organization (Additional Insured):

ANY PERSON OR ORGANIZATION FOR WHOM YOU ARE REQUIRED TO NAME UNDER THIS ENDORSEMENT IN A WRITTEN CONTRACT OR AGREEMENT.

With respect to insurance provided the additional insured shown in the Schedule, SECTION IV - COMMERCIAL GENERAL LIABILITY CONDITIONS, 5. Other Insurance is deleted in its entirety and replaced by the following:

5. Other insurance

If other valid and collectible insurance is available to the additional insured for a loss we cover under Coverages A or B of this Coverage Part, our obligations are limited as follows:

a. Primary insurance

Where required by a written contract, this insurance is primary and noncontributory as respects any other insurance policy issued to the additional insured. Otherwise, b. below applies.

b. Excess Insurance

This insurance is excess over any of the other insurance available to the additional insured whether primary, excess, contingent or on any other basis.

When this insurance is excess, we will have no duty under Coverages A or B to defend any claim or "suit" that any other insurer has a duty to defend. If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

When this insurance is excess over any other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

- (1) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
- (2) The total of all deductible and selfinsured amounts under all that other insurance.

We will share the remaining loss, if any, with any other insurance that was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

c. Method of Sharing

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

Address (including ZIP Code):

This endorsement modifies insurance provided under the:

Commercial General Liability Coverage Part

- A. Section If Who Is An Insured is amended to include as an additional insured any person or organization whom you are required to add as an additional insured on this policy under a written contract or written agreement. Such person or organization is an additional insured only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by:
 - 1. Your acts or omissions; or
 - 2. The acts or omissions of those acting on your behalf,

in the performance of your ongoing operations or "your work" as included in the "products-completed operations hazard", which is the subject of the written contract or written agreement.

However, the insurance afforded to such additional insured:

- 1. Only applies to the extent permitted by law; and
- 2. Will not be broader than that which you are required by the written contract or written agreement to provide for such additional insured.
- **B.** With respect to the insurance afforded to these additional insureds, the following additional exclusion applies:

This insurance does not apply to:

"Bodily injury", "property damage" or "personal and advertising injury" arising out of the rendering of, or failure to render, any professional architectural, engineering or surveying services including:

- a. The preparing, approving or failing to prepare or approve maps, shop drawings, opinions, reports, surveys, field orders, change orders or drawings and specifications; or
- b. Supervisory, inspection, architectural or engineering activities.

This exclusion applies even if the claims against any insured allege negligence or other wrongdoing in the supervision, hinng, employment, training or monitoring of others by that insured, if the "occurrence" which caused the "bodily injury" or "property damage", or the offense which caused the "personal and advertising injury", involved the rendering of or the failure to render any professional architectural, engineering or surveying services.

C. The following is added to Paragraph 2. Duties In The Event Of Occurrence, Offense, Claim Or Suit of Section IV – Commercial General Liability Conditions:

The additional insured must see to it that:

- 1. We are notified as soon as practicable of an "occurrence" or offense that may result in a claim;
- 2. We receive written notice of a claim or "suit" as soon as practicable; and
- 3. A request for defense and indemnity of the claim or "suit" will promptly be brought against any policy issued by another insurer under which the additional insured may be an insured in any capacity. This provision does not apply to insurance on which the additional insured is a Named Insured if the written contract or written agreement requires that this coverage be primary and non-contributory.
- **D.** For the purposes of the coverage provided by this endorsement:
 - The following is added to the Other Insurance Condition of Section IV Commercial General Liability Conditions:

Primary and Noncontributory insurance

This insurance is primary to and will not seek contribution from any other insurance available to an additional insured provided that:

- a. The additional insured is a Named Insured under such other insurance; and
- **b.** You are required by written contract or written agreement that this insurance be primary and not seek contribution from any other insurance available to the additional insured.
- 2. The following paragraph is added to Paragraph 4.b. of the Other Insurance Condition of Section IV Commercial General Liability Conditions:

This insurance is excess over:

Any of the other insurance, whether primary, excess, contingent or on any other basis, available to an additional insured, in which the additional insured on our policy is also covered as an additional insured on another policy providing coverage for the same "occurrence", offense, daim or "suit". This provision does not apply to any policy in which the additional insured is a Named Insured on such other policy and where our policy is required by a written contract or written agreement to provide coverage to the additional insured on a primary and non-contributory basis.

- E. This endorsement does not apply to an additional insured which has been added to this policy by an endorsement showing the additional insured in a Schedule of additional insureds, and which endorsement applies specifically to that identified additional insured.
- F. With respect to the insurance afforded to the additional insureds under this endorsement, the following is added to Section III Limits Of Insurance:

The most we will pay on behalf of the additional insured is the amount of insurance:

- 1. Required by the written contract or written agreement referenced in Paragraph A. of this endorsement; or
- 2. Available under the applicable Limits of Insurance shown in the Declarations,

whichever is less.

This endorsement shall not increase the applicable Limits of Insurance shown in the Declarations.
