RE: Incorporate Vail Arizona – Opposition and Opt-out request

To Whom it May Concern,

I am writing to express my opposition to the proposed municipal incorporation of Vail, Arizona, an unincorporated area in Pima County Arizona. This proposed incorporation would impose additional financial burdens on our residents and businesses and is not currently feasible. This proposed incorporation is simply unnecessary, and unwanted!

Those of us potentially affected urge you to oppose the proposed incorporation of Vail and the efforts of the Non-Profit Corporation known as "Incorporate Vail Arizona." I have provided my contact information for verification and authentication purposes, and for the use of you or your office in communications with me.

☒ I own my property, commonly known as the address listed below, and this is my formal request that it be excluded from any proposed incorporation efforts.

☐ I understand that this document may become part of the public record. Should that be the case, please redact my personal contact information.

Respectfully,

The *Agrobacterium* strain was cultured in YEA medium for 24 h at 28°C. The cell concentration was adjusted to 1.0 × 10⁸ cells/ml. The cells were then transformed into *Arabidopsis* cells. The transformation efficiency was determined by the number of transformants per 10⁶ cells. The data are the mean ± SD of three independent experiments.
