Gentlemen:

We have considered the information submitted for use in determining your status and that of your affiliated congregations for Federal income tax purposes as organizations described in section 501(c)(3) of the Internal Revenue Code.

Based upon the information presented, it is held that you and the two organizations whose names appear in a letter dated March 13, 1964, from your authorized attorney Mr. John T. Revis, and over which you have direct control and jurisdiction, are exempt from Federal income tax as organizations described in section 501(c)(3) of the Code as it is shown that you and these affiliated organizations are organized and operated exclusively for religious purposes.

You and these affiliated organizations are not required to file Federal income tax returns so long as you and they retain a tax-exempt status.

It will not be necessary for you and your listed affiliated organizations to file the annual return of information, Form 990-A, generally required of organizations exempt under section 501(c)(3) of the Code, as you and they come within the specific exceptions contained in section 6033(a) of the Code.

Contributions made to you and to your listed affiliated organizations are deductible by donors as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to or for your use or to or for the use of your listed affiliated organizations are deductible for Federal estate and gift tax purposes as provided in sections 2055, 2106 and 2522 of the Code.

Apostolic Assembly of the Faith  
in Christ Jesus

You and your listed affiliated organizations are not liable for the taxes imposed under the Federal Insurance Contributions Act (social security taxes) unless waiver of exemption certificates are, or have been, filed as provided in that Act. Inquiries about the waiver of exemption certificates should be addressed to your District Director. You and your listed affiliated organizations are not liable for the tax imposed under the Federal Unemployment Tax Act.

Please send us the following information annually not later than 45 days after the close of your annual accounting period:

1. Lists showing the names and mailing addresses of your new affiliated organizations and the names and addresses of any affiliated organizations which have ceased to exist or have changed their names or addresses. The names should be arranged in alphabetical or numerical order. In lieu of the lists referred to above you may furnish us a copy of your published directory. Please send us one copy of the list or directory for this office and one copy for each district in which your affiliated organizations are located.
2. A statement signed by one of your principal officers stating whether or not the information upon which your original group ruling was based is applicable in all respects to the new affiliated organizations.
3. A statement if, at the close of the year, there were no changes in your roster.
4. A statement of any changes in the character, purposes or method of operation of your organization or those of your affiliated organizations.
5. Duplicate copies of amendments to charters or bylaws of your organization or those of any of your affiliated organizations.

**NOTICE TO ORGANIZATIONS  
 GENERAL INFORMATION REGARDING  
 WELFARE OR VETERANS' ORGANIZATION EXEMPTION**

Your claim for an Organizational Clearance Certificate has been reviewed and a determination has been made that your organization meets the organizational requirements for exemption under section 214. A claim for the organizational clearance certificate will be mailed to the organization periodically to verify and update information. The claim form must be completed, signed, and filed with the Board, along with supporting documents, in order to maintain eligibility for the certificate. The Board may institute an audit or verification of the organization to determine whether the organization meets the organizational requirements of Revenue and Taxation Code section 214, as required by section 15618 of the Government Code. If you have any questions concerning the organizational requirements, you may contact the State Board of Equalization, Property and Special Taxes Department, Assessment Policy and Standards Division, Exemptions Section, at 916-445-3524.

The Assessor may not approve a property tax exemption claim on any property until the claimant has been issued a valid Organizational Clearance Certificate under section 254.6. The Assessor may deny a claim for the exemption, notwithstanding that the claimant has been granted an organizational clearance certificate. Claim forms for the welfare or veterans' organization exemption for property newly acquired by an organization may be obtained from the Assessor in the county where the property is located.

Annually, claims for the welfare and veterans' organization exemptions and supplemental affidavits, if required, must be filed on or before February 15 with the application to the applicable Assessor to avoid a late filing penalty under section 270. (A separate claim must be filed for each property location.) The Assessor will review all claims to determine that the organization continues to use its property for qualifying purposes and activities, as specified in section 214. Any questions relating to section 214 requirements regarding qualifying purposes and uses of the property may be directed to the Assessor.
