Re: Case #CO7-14-01

As residents of Huntington Ridge Community whose home is located on Crestone Drive, our family is opposed to rezoning of the area under consideration in Case #CO7-14-01.

Many nonresidents now use Crestone Drive as a short cut to Overton Street and the Ironwood Elementary school just east of Crestone on Freer. During the school year, traffic is so bad on Crestone that backing out of our driveway is difficult to sometimes dangerous because of the nonresidential traffic. The construction of more family homes in the area under consideration and with their *only* access in and out of their community is through Briar Rose to Crestone, the present traffic problem will only get worse.

We respectfully request that the Pima County Board of Supervisors oppose the rezoning plan CO7-14-01.

Thank you.
