Subject: Please vote NO on 'Project Corn'

I am in favor of safe, healthy communities.
I oppose the tax break for Monsanto.
I urge you to vote NO to 'Project Corn'.
I am a concerned citizen.

Think about the People when you vote. The only way our community can truly benefit from this project is if Monsanto pays full property taxes. They are NOT bringing many jobs to the area. They are NOT growing sustainable or healthy foods. They DO monopolize the food growing industry. They DO make dangerous chemicals, that are banned in other countries, and grow their GE crops with those chemicals. Monsanto is a billion dollar corporation that does not need a tax break. The People and our land, however, need crops that are safe to grow, safe to eat, and safe to be around. Thank you for your time.
