SUBJECT: June 19, 2018 Board of Supervisors Agenda Item # 38 (P18TA00003)

Board of Supervisors Agenda Item # 38 for the June 19, 2018 hearing is a Zoning Code Text Amendment (P18TA00003 – Pre-1976 Mobile Home State Rehabilitation Certification) to require certification of state required rehabilitation for any pre-1976 mobile home imported, installed or relocated in Pima County.

In the text amendment staff report and BOS Agenda Item Report, we cited Arizona Revised Statutes (ARS) 41-2195(C) as the authority that requires rehabilitation of pre-1976 mobile homes to minimum safety standards.

This statute has since been renumbered to ARS 41-4048(C), but remains otherwise the same.
