Dear Pima County Supervisors,

To: Clerk of the Board of Supervisors  
130 W Congress, 5th floor  
Tucson AZ 85701

Dear Pima County Supervisors,

I am in favor of the proposed Bike Ranch bicycling and training resort at the corner of Escalante and Old Spanish Trail. This project complements Pima County's large investment in bicycling infrastructure, and its image as an international cycling destination.

The fact that the Bike Ranch will use the highest standards of sustainable design, land preservation, and energy and water conservation is a big plus, and will set a high bar for future developments in our fragile desert landscape.

I believe that Saguaro National Park will directly benefit from introducing new riders and hikers to this beautiful desert while insuring a continual revenue stream. The Bike Ranch will have positive benefits for the entire Tucson community.

Sincerely,

--
