Suggestions for the board members for early fire season:

Posting more social media about restriction's in English and in Spanish, on all channels as well as in Nogales, Hermosillo area.

Shut down the shooting range way earlier than normal, No shooting after dark.

More Forest service law officers checking the picnic and camping sites ( even the ones that are closed for the winter season).

Posting signs in English and Spanish about fire restrictions.

When we are fire restrictions more social media about how much the fines will be.

When we go into fire restrictions ( which we most likely will be sooner than later) Forest service Law officers NEED to give tickets out! No more warnings, people need to realize they will get fined.

Flip the " Watch for ice and snow plow signs and put NO FIRE signs"

Thank you for your time,
