Dear Pima County Supervisors,

I am writing in support of increasing funding for JobPath. I am currently a JobPath participant, and JobPath is helping me finish my program! I'm a student in the Aviation Technology Center, and JobPath has helped me a lot, not only with helping me pay for classes but also for tools and testing. Because of Covid19 my hours at work went down and I have no income to pay for school, but thanks to JobPath I will be able to finish the program. Thank you, Pima County, for your current JobPath support, Increasing JobPath fundings will be a great support for a lot of people like me.

Best Regards, Jesus Garcia

Dear Pima County Supervisors,

I am writing in support of increasing funding for JobPath. I was a JobPath participant, and JobPath helped me finish my program. I graduated from Pima Community College in 2016 with Aviation Maintenance Certifications. They not only helped me with gas allowances, they also provided me with pathways for scholarships. I would not be where I am today without them. I want to say thank you to Pima County for their continued support for JobPath and encourage an increase in funding for such a helpful program.

Thank you

Dear Pima County Supervisors,

I am writing in support of increasing funding for JobPath. I was a JobPath participant, and JobPath helped me finish my program!

Job path is such an amazing help for qualifying students. It helped me feel like I had someone who I could rely on in cases where I felt like no one could help me. Not only do they provide financial help but are also there for moral support. Job path helped me successfully finish my dental assisting program. Please provide more funding for the job path so that more students can continue to succeed in school!!!!

Dear Pima County Supervisors,

I am writing in support of increasing funding for JobPath. I am currently a JobPath participant and JobPath is helping me finish my current nursing program that I am enrolled in. The difficulties of engaging in an intensive program such as nursing makes it highly difficult to maintain employment that fulfills my financial needs. JobPath is in need of more funding for students as navigating through current budget restrictions for each individual student is difficult and at times not enough.

Being enrolled with JobPath has helped provide stability and security throughout my nursing program, in addition, to decreasing my stress levels and worries. JobPath also has an amazing staff that have been nothing but supportive and thoughtful. Recognizing the difficulties that many students may have regarding financially and then acting upon it makes a huge difference in that student's need such as myself.

Thank you for currently supporting JobPath and I hope that you guys continue encouraging and improving the support that JobPath needs.

In kind regards,

River Ruiz
