

**BOARD OF SUPERVISORS AGENDA ITEM REPORT**

Requested Board Meeting Date: October 3, 2017

**Title:** Raytheon Parkway No Parking

**Introduction/Background:**

Flights will be arriving and departing from World View Enterprises, Inc. in the near future. The flights are expected to draw attention from the community, and it is anticipated that citizens may stop within the Raytheon Parkway right of way to observe these flights.

**Discussion:**

Raytheon Parkway is recommended to be regulated as No Stopping, Standing or Parking due to possible spectators utilizing the roadway right of way to view the flights from World View Enterprises, Inc.

**Conclusion:**

Pima County Traffic Engineering recommends Raytheon Parkway from Aerospace Parkway to 0.44 miles north of Aerospace Parkway be regulated as No Stopping, Standing or Parking. This regulation will improve the potential for safety by removing the availability of the Raytheon Parkway right of way for vehicles to stop to observe the flights.

**Recommendation:**

Pima County Traffic Engineering recommends Raytheon Parkway from Aerospace Parkway to 0.44 miles north of Aerospace Parkway be regulated as No Stopping, Standing or Parking.

**Fiscal Impact:**

Minimal.
