Hello,
Here are some comments about Addendum Item #1.
Thanks,

Addendum Item #1: Federal Funding and Potential Legal Action. Discussion/Direction/Action regarding federal funding and potential legal action up to and including initiating/joining a lawsuit against the federal government.

Recommendation: These items relate to authorizing the "Pima County Attorney's Office" to initiate or join a lawsuit against the federal government. This isn't a wise use of our funds. The Pima BoS needs to explain why they are filing or joining a federal lawsuit. The BoS is responsible for creating some financial burdens our county through their own decision-making – it's time to take responsibility for that while searching for a reasonable solution to border issues which is not driven by partisan politics.
