***Title:**

Additional Vote Center Locations for the 2024 Election Cycle

***Introduction/Background:**

Arizona Revised Statutes §16-411 requires the Board of Supervisors, in advance of Election Day, to designate polling places or vote centers for a primary and general election.

***Discussion:**

The Board is being asked to approve additional locations to the current list of vote centers. There were 129 vote centers used in the 2022 election cycle. We are requesting the approval of two additional locations for the 2024 election cycle. The addition of a vote center at The Highlands at Dove Mountain will accommodate an underserved area in District 1. Voters living in the area must travel a minimum of 13 minutes to reach the nearest voting center. The facility was a voting precinct before COVID-19 but chose not to be a polling place in 2022 because of safety concerns.

The addition of the University of Arizona Hillel will ensure adequate facilities serving the downtown area near the university as well as the university students. The First United Methodist Church was a concern to the elections department after the November 2022 General Election. Adding the new location will address the concerns raised.

***Conclusion:**

Add two additional vote center locations to better serve the voters in Pima County.

***Recommendation:**

Recommend the approval of vote center 130, The Highlands at Dove Mountain and vote center 131, University of Arizona Hillel for the 2024 election cycle.

***Fiscal Impact:**

The county will not incur any cost for the use of the facilities. The facilities agreed to provide their space at no cost.

The initial cost for each vote center is approximately \$24,000. The only ongoing cost is the staffing of the vote centers, costing approximately \$1,610. Funding is provided in the current fiscal year's budget for the additional equipment needed. Poll worker pay can be absorbed in the current fiscal year's budget due to cost savings from a position reallocation.
