Board,

As a long time Pima County Resident and voter, I would like to express my opinion on the topics discussed in this meeting

- 1 Agenda item #17: The Board does not need to spend their time attending the Governors' state of the Union. We already understand Arizona has a pivotal problem with the downfall of our county and Pima County border due to the Board using their votes supporting illegals with our taxpayer funds. NO vote
- 2 Agenda item #19: Personnel upgrades or new hires should ONLY be considered based on an applicants' qualifications; skill sets and experience. Vote NO
- 3 Agenda item #35: Since Pima County is tracking illegals' services rendered and associated cost, this should be a public issue. \$1,764,999.96 Vote NO
- 4 Agenda item #37: Cancel and return any funds not already mis-spent. Determining justice issues focusing on racial equity has no place in our overburdened court system. Vote NO.

Thank you for your attention and I hope you consider the above-mentioned items.
Donna Schenek, Pima County Resident and registered voter District 4
