Pima County Board of Supervisors
33 North Stone Avenue, 11th Floor
Tucson, Arizona 85701

Honorable Members of the Board:

I am a graduate from the University of Arizona James E. Rogers College of Law. I have always respected the Board of Supervisors and the judiciary for their decisions to improve the quality of the justice system. Both in my professional and personal life, I have been fortunate to witness the dedication of Judges to serve the community and ensure justice is upheld. The opportunity to serve as Justice of the Peace for Precinct 6 would be fulfilling and rewarding. As someone who has witnessed and practiced law in the Pima County Consolidated Justice Court over the past three years, I am confident my legal knowledge and experience managing a high-volume caseload would be an asset to the Court and the community.

I dedicated my career working in the justice system and my dedication and knowledge continues to grow. Prior to graduating law school, I worked in several different capacities in the justice system. In my role as Legal Secretary to the Chief Judge of the Salt River Pima - Maricopa Indian Community, I had a unique opportunity to work with the Tribal Community for over two and a half years. During my tenure with the Tribal Community, I gained an understanding of not only learning and applying sovereign law, but of the high demands of the Chief Judge. I fostered relationships with the Tribal Community Members, the community and quickly assumed the role of managing a high-volume case load for the Court.

I was also fortunate to work for the Maricopa County Superior Court and the Maricopa County Clerk of the Court. Working under the Honorable Sherry Stephens, Honorable Justin Beresky, Commissioners Donofrio, and Richter where I gained invaluable courtroom experience, granting me a level of comfort and a deep respect for the court and a direct understanding of the volume of cases on a criminal and civil case docket's.

I am currently assigned as the Deputy County Attorney to the Domestic Violence/ Special Victims Unit. This is a very rewarding opportunity to ensure the rights of victims, defendants and the rule of law are defended. As a Deputy County Attorney, I represented the Pima County Attorney's Office in Pima County Consolidated Justice Court and gained invaluable experience practicing before each Judicial Officer on a criminal docket, including DV Court, Homeless Court, and Animal Welfare Court. I have direct legal and professional experience working in Pima County Consolidated Justice Court, which allows me to "hit the ground running" which would be an asset to the Court and the community.

Thank you for your time. I look forward to an opportunity to continue to serve our community as a Justice of the Peace.

Sincerely yours,

Morgan K. Miholich

STEPHEN FARLEY

Dear Pima County Supervisors,

I write to apply for the position of Pima County Justice of the Peace, Precinct 6. I meet all the posted minimum requirements: I am older than 18; I am a resident of Arizona; I am an elector in the precinct in which the duties of the office are to be exercised; I am literate in English; and I am a registered Democrat.

I had the honor of representing the people of Justice Precinct 6 for twelve years in the Arizona Legislature, earning their support in the elections of 2006, 2008, 2010, 2012, 2014, and 2016. Should I earn from you the honor of appointment as a justice, I look forward to doing my job and serving the people best I can, and then running for re-election in 2026, 2028, and beyond.

I'm not an attorney, but I spent 12 years making laws. I listened to conflicting testimony in countless committee hearings and made decisions about which arguments were most persuasive to win my vote. I spent hours at the feet of knowledgeable staff learning the ins and outs of the Arizona Revised Statutes to understand legislative intent, the difference between "shall" and "may", and the many ways small changes can make a large difference in interpretation and effectiveness. I listened carefully to colleagues and stakeholders, often finding unexpected ways to improve bills with amendments, making them more fair. I had to make many difficult decisions on which way to vote based on research, conversations, precedent, and best possible outcome for the community at large. All these skills are directly applicable to the Justice Court bench so that I can be effective from Day One, and even more effective the more I learn.

Since my childhood I have been deeply dedicated to fairness and justice. My next-door neighbor was a retired superior court judge who took me under his wing and taught me the foundations of our judicial system and how the proper application of laws can create a good outcome even in difficult circumstances.

Weddings aside, most people who show up in a courtroom are not happy to be there. At the outset of any proceeding, it is often not obvious how a fair outcome can be obtained. In my mind, a good judge can find that outcome by applying the law through the filter of three key values: **Humility, curiosity, and empathy.**

Humility involves acknowledging, then pushing aside, one's own ego, prejudices, and assumptions, and then carefully listening to both sides. I know I do not know everything; I know that I will create a better judgment if I stay open and hear what both parties are saying in the context of the law.

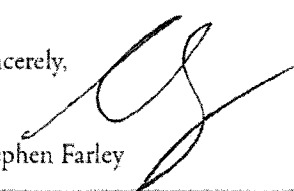

Curiosity is key to being fully engaged; active engagement enables a good decision. It drives good research, good questions, and unexpected answers. If you are not curious, you will not be capable of learning something new that could make all the difference to the outcome.

Empathy must be a main ingredient in all decisions. I imagine myself in the place of all parties to a case, even when that may initially seem difficult. I understand the pain of being accused of something you did not do, and am dedicated to the bedrock American principle of presumption of innocence. I also understand what it feels like to be wronged by another's actions and that desire for justice. Only by seeking to understand both sides, along with the language of statute, can a judge obtain a fair outcome.

The opportunity to transition from making laws to applying them, through the lens of my foundational value of fairness, leverages my life experiences for the good of our community. I will dedicate myself — with humility, curiosity, and empathy — to the pursuit of justice for all those I serve.

Sincerely,

Stephen Farley

Pima County Board of Supervisors
130 W. Congress Street
Tucson, AZ 85701

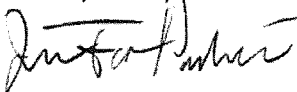

Dear Honorable Members of the Board of Supervisors,

I write to you to express interest in the position of Justice of the Peace in Precinct 6. Over the last five years, I have unsuccessfully run for office twice and it has not deterred my passion for public service. I still have a keen sense of duty to serve my community. I am exceptionally familiar with the area and its residents from running two campaigns, and I am well acquainted with the people, the demographics, and the challenges Precinct 6 faces. I genuinely want to help make Tucson and Pima County a better place to live for all its residents. Given these uncertain times, and a complicated political climate, I feel compelled to help protect the rights of my fellow Tucsonans that recently have come under attack. I certainly believe in upholding our laws while always considering the values of equity, equality, and justice for all.

I currently serve as a middle school history teacher in a local school. As a world history teacher, I understand the societal implications of many of the issues Tucsonans face every day. I have experienced first-hand some of the systematic social inequities that plague our society. As an immigrant from Mexico, I also share and understand the cultural nuances of almost half of the residents of Precinct 6. I am quite familiar and sensitive to the diversity of our population, and I understand the complexities related to cultural and language barriers that in many cases, can be a liability to them in our justice system. That is why if appointed as Justice of the Peace, I will serve my community with empathy and compassion while upholding the integrity of our laws.

My highly diverse professional background of more than 22 years also extends well across the private and public sectors, academia, as a four-time local entrepreneur, and volunteering in non-profit boards. My experience and community involvement are a testament of a truly diverse skill set that is an asset when dealing with situations from all levels of society. I humbly ask for your support in appointing me as the replacement for Justice of the Peace Alexander Ball. I am happy to provide references from community members that can attest to my character and impeccable record as a law-abiding citizen in Pima County.

Thank you for your consideration,

Juan Francisco Padrés

Re: Letter of Interest for Pima County Consolidated Justice Courts Justice of the Peace
Precinct 6

My name is John-Robert Granger, Jr. I am writing to express interest in the Pima County Consolidated Justice Courts Justice of the Peace Precinct 6 position. I believe I am a strong candidate for this position. I have spent most of the last 20 years working to help the people and the community of Pima County. I worked for the Pima County Pretrial Services agency at the Pima County Jail for three years. During that time, I had the opportunity to speak with a large number of newly arrested persons to verify possible release and release conditions; thereby saving the person from spending time in jail and saving the community the costs of housing the person. I found this work so rewarding that I decided to increase my ability to assist people of the community and went to law school.

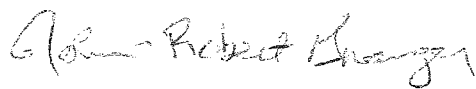

Upon receiving my license to practice law from the Arizona State Bar Association I opened my own office. My practice at that time was primarily focused on representing indigent defendants through the court appointed counsel program. The vast majority of those cases were brought in the Pima County Justice Court. I have experience in nearly all matters of law that Justice of the Peace will encounter. I have handled criminal cases ranging from domestic violence to DUI to shoplifting and assault cases. I have also handled civil cases often to assist clients in obtaining compensation for their damages. I have also handled Order of Protection and Injunction against Harassment cases as well as Eviction cases. I have been the arbitrator for several civil cases. In my duties as an arbitrator, I

conducted hearings during which the parties presented evidence and testimony. I then reviewed the information presented with the applicable law to make my decisions and provide rulings for these cases.

I have used my many years of experience to both counsel my clients and to work with other attorneys to come to the best possible resolution of cases. I have been able to use my experience in my current position as a Deputy County Attorney to work out nontribal resolutions with opposing counsel that both protect the rights of the defendant while also protecting the community. This is a delicate balance that I make every effort to keep.

I believe that my many years' experience both in the Pima County Justice Court as well as other courts in Pima County and around Arizona have provided a solid background that will enable me to equitably apply the law and ensure proper resolutions that protect the balance of community and defendant. I appreciate your consideration for the position of Justice of the Peace for Precinct 6.

Sincerely,

A handwritten signature in black ink, appearing to read "John-Robert Granger". The signature is fluid and cursive, with the first name "John" and last name "Granger" being the most legible parts.

Pima County Board of Supervisors
130 W. Congress Street
Tucson, AZ 85701
(520) 724-8126

Dear Board of Supervisors,

I am writing to express my interest in serving as Justice of the Peace for Precinct 6. With a legal career grounded in advocacy for vulnerable populations and a commitment to justice and equitable outcomes, I bring the perspective, experience, and integrity essential to this role.

My legal career spans over five years serving the community as a law clerk at juvenile court, a children's attorney, and a prosecutor in the juvenile division of the Pima County Attorney's Office. As a law clerk for a juvenile court judge, I observed and participated in the judicial process and gained insight into the sometimes difficult process of coming to a fair and just resolution to a case. As an attorney, I worked to ensure that the voices of children, families, and the community are heard, respected, and protected. As a children's attorney, I provided direct representation to youth and parents navigating complex and often traumatic legal challenges and circumstances, focusing on compassionately and ardently ensuring their voices are heard and not lost in the legal process. Transitioning into the role of juvenile prosecutor, I strive to balance accountability with compassion; recognizing that early interventions, restorative justice, and community-based solutions are often more effective than punitive measures alone.

These perspectives have given me an understanding of the systemic issues that impact our community and lead to involvement with the legal system. Access to justice and ensuring the rights and voices of the community are respected and heard are the pillars of our legal system. Throughout my legal education and career, I have seen how our justice system, especially systems within our community, are essential to resolving disputes, handling sensitive matters, and upholding the rights of all individuals. I am committed to fulfilling this role as Justice of the Peace with fairness, diligence, and respect for the rule of law.

26

Beyond the courtroom, I have worked with law enforcement, social workers, educators, and mental health professionals to develop coordinated and wraparound responses to the needs of at-risk individuals and youth. This collaborative mindset is crucial to the work of a Justice of the Peace, who must balance legal authority with community trust. These experiences have emphasized that legal resolutions are often not the definitive conclusion to conflicts and disputes, but require the community to continue supporting lasting changes.

If appointed, I will bring to the bench not only legal knowledge and courtroom experience, but also a deep-rooted commitment to justice, impartiality, and public service. I would be honored to continue serving the community in this new capacity.

Thank you for your consideration.

Respectfully,

A handwritten signature in black ink, appearing to read 'D. P. Miller', written in a cursive style.

A. BUSINESS FINANCIAL INTERESTS

This section requires disclosure of any financial interests of a business owned by you or a member of your household.

12. Business Names

What to disclose: The name of any business under which you or any member of your household owns or did business under (in other words, if you or your household member were self-employed) during the period covered by this Financial Disclosure Statement, which include any corporations, limited liability companies, partnerships, sole proprietorships or any other type of business conducted under a trade name.

Also disclose if the named business is controlled or dependent. A business is "controlled" if you or any member of your household (individually or combined) had an ownership interest that amounts to more than 50%. A business is classified as "dependent," on the other hand, if: (1) you or any household member (individually or combined) had an ownership interest that amounts more than 10%; *and* (2) the business received more than \$10,000 from a single source during the period covered by this Financial Disclosure Statement, which amounted to more than 50% of the business' gross income for the period.

Please note: If the business was either controlled or dependent, check the box to indicate whether it was controlled or dependent in the last column below. If the business was both controlled *and* dependent during the period covered by this Financial Disclosure Statement, check *both* boxes. Otherwise, leave the boxes in the last column below blank.
