***Contractor/Vendor Name/Grantor (DBA):**

Daniel K. Wong, an unmarried man ("Wong").

***Project Title/Description:**

Accept Donation of Real Property Consisting of Approximately 172 Fee Acres. Acq-0747; Supervisor Dist. 3.

***Purpose:**

Staff recommends that Pima County ("County") and Pima County Regional Flood Control District ("District") enter into a Donation Agreement with Wong for the Donation of certain real property, consisting of approximately 57 acres in Pima County ("Pima Property"), to be donated to District, and approximately 115 acres in Pinal County ("Pinal Property") to be donated to County. Wong was granted a rezoning (P17RZ00006; Ordinance No. 2018-10) for property he wishes to develop upon the condition that conserve natural open space of similar habitat value at another location to mitigate impacts the development will have on lands located in the Conservation Lands System. This donation, if approved, will satisfy these natural open space requirements. The Pima Property, to be donated to District, is located generally in northern Altar Valley within the Brawley Wash and adjacent to land conserved via easement to the County. The Pinal Property, to be donated to County, is located generally northwest of Tortolita Mountain Park, adjacent to County-owned conservation land. Wong does not wish to retain ownership of either the Pima Property or the Pinal Property and wishes to donate it to District and County, respectively.

***Procurement Method:**

Exempt pursuant to Pima County Code 11.04.020

***Program Goals/Predicted Outcomes:**

CLS mitigation required by Ordinance No. 2018-10 will be fulfilled. Acceptance of this 172-acre natural open space donation will conserve important riparian habitat within the Conservation Lands System and expand existing conservation areas to include high quality saguaro-ironwood habitat. The Pinal Property, once acquired, will be managed by Natural Resources Parks and Recreation as part of the County's parks system.

***Public Benefit:**

Acceptance of this 172-acre natural open space donation will conserve important riparian habitat within the Conservation Lands System and expand existing conservation areas to include high quality saguaro-ironwood habitat.

***Metrics Available to Measure Performance:**

The Property in both Pima and Pinal Counties will be conveyed to County and District, respectively, at no cost to the County or District. Donor will pay an endowment payment to County (\$19,046.00) and to District (\$9,389.00) to help defray their respective expenses related to future maintenance of the donation parcels.
