Subject: Addendum #4 personnel policy updates

Please vote no on these policy updates. We already witnessed a major conflict of interest having the Soros funded Shady Hobbs run the last (s)election and it doesn't sit well with a majority of Arizona residents. We've seen enough shady elections and enough upside down policies that have hurt this state significantly. Pima County doesn't want any more unjust policies period. The personnel policies as they stand prevent conflicts of interest.

Please focus on what is good for the county and not only what's good for the democrats.
