

BOARD OF SUPERVISORS AGENDA ITEM REPORT

Requested Board Meeting Date: October 18, 2022

Title: Election Board Worker Appointments

Introduction/Background:

The Elections Department recruits election board workers (poll workers) for each of the 129 Vote Center locations on Election Day. Each board consisting of equitable representation from Pima County's two major political parties. Few exceptions occurred in distant locations where recruitment, representation and travel posed difficulties. The Elections Department also recruits equitable representation for tally board workers for the purpose of tallying write-in votes.

Discussion:

A.R.S. §16-531(A) requires the Board of Supervisors to appoint election board workers for each vote center not less than twenty days before a general or primary election. In addition, A.R.S. §16-531(E) requires the Board to appoint tally boards not less than ten days before the election.

Conclusion:

By approving the appointment of the election boards and tally boards recruited by the Elections Department for the November 8, 2022 General Election, the Board of Supervisors and the Elections Department will be in compliance with A.R.S. §16-531.

Recommendation:

The Elections Department recommends approval of the election board workers and tally boards.

Fiscal Impact:

None.
