I would ask that all of the Pima County Supervisors support Supervisor Scott's Resolution reaffirming the Board's support of Jurisdictional Rate Parity for Tucson Water Customers. As a long time resident of unincorporated Pima County I feel that we are again being persecuted by an entity that we have no way to influence or vote in or out of office. The City of Tucson Council is again wanting to raise our rates simply because we are in unincorporated Pima County, and no city or Town would want to annex us. We are without representation except for PBS. I live near Thornydale / Cortaro Farms Rd. which are mostly homes from the 1970's, long time COT water customers. We are not the rich "Foothills" customers that are refusing annexation, and who the council seem to be after. We did attempt to incorporate "Casas Adobes" at one time, but that was not allowed, and we all paid the court costs in our property tax bills for a few years. Please support and do not give up on this unfair and unjust attempt by the COT against us. Thank you
