**Your Message**

Good morning,  
I am very concerned about the potential property tax increase. I have empathy for affordable housing BUT raising property taxes is not the best option for all of us who own or rent properties. Our economy isn't great, all of our utilities, rent, mortgages, groceries, etc. are already high and we just can't afford taxes to be raised. Dr. Heinz isn't taking those things into consideration. Many of us in this county are already living paycheck to paycheck without pay raises. The County needs to look at their budget and cut things within the budget instead of raising taxes. That's what us citizens have to do. We all have had to cut out unnecessary expenses to survive. Please consider voting against the tax increase and encouraging the other supervisors to do the same. If you all truly care about ALL of your citizens this tax increase should be voted no. Thank you for your time and consideration.
