

## BOARD OF SUPERVISORS AGENDA ITEM REPORT

Requested Board Meeting Date: January 18, 2022

**Title:** Pima County Workforce Investment Board, Local Workforce Development Board Recertification

### Introduction/Background:

The Workforce Innovation and Opportunity Act (WIOA) of 2014, is designed to help job seekers access employment, education, training and supportive services to succeed in the labor market and to match employers with the skilled workers they need to compete in the global economy. In Arizona, the Governor has designated the Workforce Arizona Council (WAC) as the Workforce Development Board and as the Governor's representative. Arizona's administrative entity for WIOA Title I, III, and IV funds is the Arizona Department of Economic Security (DES).

For Pima County, the Local Chief Elected Official (LCEO) is the current Chair of the Pima County Board of Supervisors and the Local Workforce Development Board (LWDB) is known as the Pima County Workforce Investment Board (WIB). Pima County's administrative entity for WIOA Title I-B funds is Community & Workforce Development (CWD). CWD also provides administrative support to the WIB.

Under WIOA, Section 107(c)(2) and WAC Policy #1 Local Governance, the LWDB must be certified every two (2) years by the Governor and requires: specific composition of WIB membership; WIOA activities in the local area must comply with WIB responsibilities and enable the local area to meet performance and accountability measures as prescribed and outlined in the local grant agreement; and fiscal accountability.

### Discussion:

The last recertification process was conducted prior to the department merger of Community Services, Employment and Training (CSET) and Community Development and Neighborhood Conservation (CDNC) to Community and Workforce Development (CWD) which has led to necessary revisions to the Shared Governance Agreement (SGA) between the WIB and Pima County Board of Supervisors and WIB By-laws.

In addition, due to the department merger, CWD and the WIB revised the reporting structure within the SGA and By-laws which accurately reflect the current reporting structure of the Workforce & Education Division and Operations Division within CWD to demonstrate appropriate firewalls between direct service providers under Workforce & Education Division staff and administrative staff under Operations Division.

Community Services, Employment and Training (CSET) has been removed from both documents and replaced with Community and Workforce Development (CWD).

WIB By-Laws revisions are as follows:

- (1) Article III.B. "The Pima County WIB's purpose as the LWDB and in accordance with WIOA 20 CFR §679.300 includes the following: 1. Providing strategic and operational oversight in collaboration with the required, additional, and optional partners and workforce stakeholders to help develop a comprehensive and high-quality workforce development system in the local area and larger planning region; 2. Assisting in the achievement of the State's strategic and operational vision and goals as outlined in the Unified State Plan; and 3. Maximizing and continuing to improve the quality of services, customer satisfaction, and effectiveness of the services provided."
- (2) Article V.B.1 "At minimum, at least two members must represent small business as defined by the US Small Business Administration."
- (3) Article VII.C.2 removed language allowing WIB members to identify a designee for standing committee attendance.
- (4) Article VII.3.b.iii. Special meeting notices will be posted no later than 24 hours in advance.
- (8) Article VIII. A.2. "All members are encouraged to actively participate on a committee."
- (9) Article IX Additional language, "The complaint will be submitted to the Executive Committee in writing for mediation. All

a quorum, the remaining members of the Executive Committee will recruit a standing committee member to fulfill the role for purpose of mediation. All decisions by the Executive Committee are final unless requiring legal review. Decisions will be documented in writing to the impacted parties."

Shared Governance Agreement (SGA), revisions are as follows:

Section 3.2 through 3.4 revised to address the specific delineation of roles between CWD divisions of Workforce and Education Division and the Operations.

## **Conclusion:**

If the SGA and By-laws are approved by the Pima County Board of Supervisors, they will be submitted with the signed Attachment A to Arizona DES to document approval and confirm: Pima County's participation and support of the SGA between the LCEO and WIB; and the role and responsibility that the LCEO has delegated to the WIB for amending the by-laws.

If agreements are not signed, Pima County will not have access to Federal and State workforce funds in the amount of {Insert amount here \$}

## **Recommendation:**

Pima County staff and the Workforce Investment Board recommend that the Pima County Board of Supervisors as the LCEO approve the revised Shared Governance Agreement and Workforce Investment Board By-laws, and recommends that the Chair of the Pima County Board of Supervisors signs the Shared Governance Agreement to confirm Pima County's continued commitment to the local workforce system.
