Project Title / Description: Short-Term Crisis and Emergency Resources Grants - Round Two

APR 16 2026 11:54 PM CLK OF BD JAM

Agenda Item Report

Introduction / Background: In November 2025, in response to the federal government shutdown and federal policy developments, the Board of Supervisors allocated \$838,390 in one-time, general fund Short-Term Crisis and Emergency Resources (STCER) grants to agencies providing services in five areas: Food, Housing/Utilities, Legal Services, Medical and Related Expenses, and Transportation. After further analysis of the additional carryforward fund balance from Fiscal Year 2025, an additional \$855,000 was identified that could be allocated and made available for a second round of STCER grants. At its February 17, 2026 meeting, the Board of Supervisors approved an amended process, to address lessons learned from the first round, and a timeline for award of STCER Round Two funding.

Discussion: Based on the amended program parameters approved by the Board, the Outside Agency Citizen Review Committee (OACRC) approved the amended STCER Round Two Application and authorized staff to select a scoring panel for STCER Round Two at its February 26 meeting. Staff with the Pima County Community & Workforce Development (CWD) Outside Agency program conducted a competitive application process. The application was open from March 2 through March 20. The department received 67 applications, and after initial screening, forwarded 63 eligible applications totaling over \$3.7 million to a panel of four CWD staff to evaluate and score the applications using four criteria: urgency and readiness, alignment with County priorities, capacity and track record, and budget clarity and justification. CWD panel members scored proposals by April 9 and the OACRC held a meeting to discuss and vote on recommendations April 13. The attached memorandum from OACRC Chair Jess Losoya provides further detail on the process and a list of recommended awards by category and amount.

Conclusion: Recommended STCER Round Two awards will implement the Board of Supervisors' directive to provide short-term funding to agencies providing critical services and impacted by developments at the federal level.

Recommendation: The OACRC and staff recommend approval of STCER Round Two awards in the total amount of \$855,000, as detailed in the attached memorandum from the

OACRC Chair, and authorize the Board of Supervisors Chair to sign funding agreements with the listed agencies.

Fiscal Impact:

This program is funded through the Pima County General Fund and the recommended awards are within the budget allocated for STCER.

Support of Prosperity Initiative:

2. Improve Quality of Life and Opportunity in High Poverty Areas

Provide information that explains how this activity supports the selected Prosperity Initiative

STCER Round Two funding will be used to meet emergency needs and improve quality of life by promoting housing stability and transportation opportunities.

RE: Short-Term Crisis and Emergency Resources Grant Program (STCER) – Round 2 Recommendations for Funding

Background

In November 2025, in response to the federal government shutdown and federal policy developments, the Board of Supervisors allocated \$838,390 in one-time, general fund Short-Term Crisis and Emergency Resources (STCER) grants to agencies providing services in five areas: Food, Housing/Utilities, Legal Services, Medical and Related Expenses, and Transportation. After further analysis of the additional carryforward fund balance from Fiscal Year 2025, an additional \$855,000 was identified that could be allocated and made available for a second round of STCER grants. At its February 17, 2026 meeting, the Board of Supervisors approved an amended process, to address lessons learned from the first round, and a timeline for award of STCER round 2 funding.

At its April 21 meeting, the Board of Supervisors will consider STCER Round 2 funding recommendations of the Outside Agency Citizen Review Committee (OACRC). The OACRC, composed of community representatives appointed by the Board of Supervisors and the County Administrator, is tasked with reviewing and recommending funding allocations for nonprofit organizations that provide essential human services to Pima County residents. The Committee's work ensures transparency, equity, and alignment with County priorities in addressing community needs.

Application Process

STCER Round 2, is designed to rapidly deploy resources to agencies providing critical services to Pima County residents facing temporary hardship. The program emphasizes accessibility, speed, and accountability, with the following key features:

- Simplified two-page application
- Five eligible service categories:
 - Food Assistance
 - Housing and Utility Support
 - Legal Services
 - Medical Expenses and Related Needs
 - Transportation
- Award range: \$25,000–\$75,000
- Statement of Exceptional Need: Organizations may express a statement of exceptional need only if seeking more than the \$75,000 max.
- Eligibility: Limited to prior or current recipients of Pima County administered funding and organizations that have a demonstrated record of service to low-income or vulnerable populations through a past or current contract with Pima County.
- Immediate implementation required.

On February 26, the OACRC approved the amended STCER Round 2 Application and authorized staff to select a scoring panel for STCER Round 2. Applications were evaluated and scored by a panel of four Community & Workforce Development (CWD) staff using four criteria:

- Urgency and Readiness
- Alignment with County Priorities
- Capacity and Track Record
- Budget Clarity and Justification

The proposed timeline for the competitive process was:

- February 17 – Board approval of the STCER Round 2 program
- March 2 – Application opens
- March 6 – Technical assistance session
- March 20 – Application deadline
- April 13 – OACRC completes review and recommendations
- April 21 – Final Board consideration and funding decisions

Staff received 67 applications for STCER round 2 funding totaling over \$3.8 million. Outside Agency staff initially screened applications for eligibility and compliance with the application process. As a result of this screening, 4 were deemed ineligible or noncompliant with the application process (these were because the agency was not a current or prior recipient of funding under a Pima County administered program, or their 501(c)(3) status was invalid).

The remaining 63 applications, totaling over \$3.7 million, were forwarded to the selected CWD panel members for scoring. The scoring rubric prioritizes programs that demonstrate readiness to deliver immediate assistance and align with the County's strategic priorities. CWD panel members scored proposals by April 9 and the OACRC held a meeting to review scores and finalize funding recommendations April 13.

County staff are prepared to implement the program immediately upon Board approval. Program implementation will include expedited completion of contracts and preparation of invoice templates to allow agencies to start receiving funding as soon as possible.

OACRC Funding Recommendations

Once the CWD panel submitted their scores, staff calculated the average score for each application. Applications that scored within the top 90% of all evaluated submissions were recommended for funding. OACRC discussion was used to support final funding decisions and address community needs.

Staff prepared preliminary funding amounts based on average scores, requested funding, and available funds. The OACRC discussed and adjusted funding amounts. Adjustments were based on:

- Program need and impact
- Equity considerations

Jan Leshar, County Administrator

Re: Short-Term Crisis and Emergency Resources Grant Program (STCER) – Round 2 Recommendations for Funding

April 14, 2026

Page 3

The OACRC and staff recommends the following awards:

SERVICE CATEGORY	PROGRAMS	AMOUNT
Food Assistance	19	\$610,000
Housing and Utility Support	3	\$75,000
Legal Services	2	\$65,000
Medical Expenses and Related Needs	1	\$30,000
Transportation	3	\$75,000
Total	28	\$855,000

The Committee would like to thank Pima County for its efforts in funding the STCER Grant Program – Round 2. The process is community based and transparent. The Committee recognizes its responsibility for each member to evaluate the needs of Pima County and make recommendations to the Board of Supervisors.

A full list of all funding recommendations by the Committee for the STCER Grant Program is included as an attachment.
